Micah –

Per our conversation, attached is the boilerplate that we use for the cultural section of the EIR. The cumulative section is towards the end. If you have any questions, please give me a call.

Please note that I will be on vacation (staycation) from 8/30-9/4/2013. However if you need my assistance or have questions, please call me on my cell at (619) 840-0097.

Thanks,

Hi Donna, would you or Ashley be able to give me (760-846-6222) or Brad Comeau (760-479-4211) a call today to talk about this cumulative section?

Thanks, Micah

Hi Donna,

Attached is a list of projects someone from Dudek generated to complete the cumulative analysis for the Soitec portfolio projects.

Thanks for your help on this.
