Thanks Donna,

Can you please tell me one more thing:

How many hard copies and CDs of reports and how many of appendices for each project do you want delivered?

Thanks, Micah

Micah -

Please consider this as confirmation that both TDS and LanEast are accepted as complete.

Hi Donna,

Just an update; we're finishing off figure edits and site form issues (noticed some other form issues as well) and we plan on finalizing those reports according to your edits and comments late today.

Thanks, Micah
