Donna,

We currently do not have an estimated hearing date. We are still working through the Responses to Comments and determining the affect of that effort on the schedule.

Thank you,
Robert Hingtgen

Donna,

By "next round" do you mean what is our estimated timeline to proceed to the Planning Commission (first time) for hearing and possible decision?

Thank you,

Robert Hingtgen

Hello Robert,

What is the current estimated timeline for the next round of public hearings on Soitec's PEIR?

Thanks

Donna
