Hi Donna,

You are correct, the County is currently reviewing the groundwater reports. As requested, the reports will be provided to you as soon as they are available for release.

Thanks,

Ashley

Subject: revised Soitec groundwater report?

Hello Ashley,

Jim Bennett referred me to you with my request on the status of availability of Dudek's revised groundwater investigation report(s) for their Soitec Solar projects.

I know the County is currently reviewing them.

Please consider this a formal request for a copy as soon as it is available.

Thanks

Donna
