

County of San Diego, Planning & Development Services
**CONSTRUCTED STEEL BUILDING
CERTIFICATION**
BUILDING DIVISION

Re: Record ID: _____
Site address _____

To County of San Diego Building Official:

As required per the approved construction drawings, I certify that for the required Structural Observation under this permit, I have observed and inspected the building and find it has been constructed in accordance with the approved plans, calculations, and all requirements of the *California Building Code* as adopted by the County of San Diego. Additionally, I have verified that any reports required for Special Inspection have been completed. Engineer/architect certification does not eliminate the need for required Building Inspections.

This certification is made under penalty of perjury.

Name: _____

Signed and Dated: _____

California License Number of Engineer/Architect: _____

Phone number: _____

This certification must be provided to the Planning & Development Services building inspector prior to final approval. See document *Steel Building Guidance* ([PDS 002A](#)) for more information.
