General Plan Update

Steering Committee Meeting July 23; Interest Group Meeting July 25

The County Board of Supervisors is scheduled to reconvene its General Plan Update hearing Aug. 3, after taking several significant actions April 13, including directing staff to prepare the final documents needed to adopt the GP Update as recommended. In preparation for the Aug. 3 hearing, DPLU is scheduling individual meetings of the GP Update Steering Committee and the GP Update Interest Group (see details below). The meetings are being held to give anyone who is interested a preview of the information that DPLU will present to the Board Aug. 3, as well as a brief presentation on the Countywide Residential Design Guidelines and updates on any County work efforts.

Policy and Ordinance Development

Board of Supervisors to Receive Options for Updating Equine Regulations July 13

The Board of Supervisors directed DPLU staff at its May 2 meeting to work with the horse community and other interested parties to find potential ways to protect and promote horse-related operations in the unincorporated areas. DPLU will report back to the Board July 13 to discuss various options, including the possibility of creating a tiered equine ordinance and other applicable ordinance changes. The Board letter prepared for this item can be viewed on the Clerk of the Board's website one week prior to the public hearing: <http://www.sdcounty.ca.gov/cob/bosa/index.html>. For questions about the proposed equine ordinance please contact Carl Stiehl at carl.stiehl@sdcounty.ca.gov.

Multiple Species Conservation Program

The MSCP 2010 Annual Report was presented to the Board of Supervisors at its May 11 meeting. The report was also presented at its annual public workshop on June 29. DPLU Assistant Director Rich Haas honored longtime DPLU employee Tom Oberbauer at the workshop with a special proclamation. Oberbauer, who retired in December 2010, was instrumental in developing the MSCP program. Bobbie Stephenson presented an update on the progress of the North County Plan and the Amendment to add the Quino Checkerspot Butterfly to the list of species covered by the South County Subarea Plan.
