### General Plan Update

#### April 13<sup>th</sup> Board of Supervisors Staff Report Now Available

The Board of Supervisors' General Plan Update hearing is scheduled to continue April 13. The staff report for this hearing is now available on the [GP Update website](#) for public viewing.

On March 16, 2011, the Board took the following actions:

- Reaffirmed the guiding principles (project objectives) of the General Plan Update;
- Agreed not to re-open the Environmental Impact Report (certain changes to the General Plan Update could require re-opening or recirculation of the EIR);
- Directed staff to review the "moderate" and "major" property requests to determine if staff could identify recommendations that would reduce them to "minor" changes; and
- Decided to discuss any of the previously raised 27 issues at the next hearing.

The April 13<sup>th</sup> staff report responds to this direction. Public testimony on the General Plan Update remains closed; however staff continues to work with the public on comments, concerns, and questions. Staff can be contacted at [gupdate@sdcounty.ca.gov](mailto:gupdate@sdcounty.ca.gov) or 858-694-2488.
