**Special Agenda Item**

**1. [General Plan Update: Planning Commission recommendation on Draft Text, Land Use Maps, Road Network, Community Plans, Implementation Plan and Conservation Subdivision Program \(Muto\)](#)**

The General Plan Update is a comprehensive update of the San Diego County General Plan, establishing the future growth and development patterns and policies for the unincorporated areas of the County. The General Plan Update would improve land use and protect the environment better than the current 1980's era General Plan, partly by shifting 20 percent of the project growth to western unincorporated communities with established infrastructure. The proposed plan would also balance growth with the needs to control traffic congestion, protect the environment and ease the strain on essential services such as water and fire protection.

The purpose of this hearing is to receive recommendations from the Planning Commission regarding the draft General Plan text, land use maps, Mobility Element road network, draft community plans, draft Implementation Plan and Conservation Subdivision Program.

Hearings on the General Plan Update will occur over three days. **No general public testimony is planned for November 6<sup>th</sup>**. On November 6<sup>th</sup> staff will present background information on the General Plan Update, its various draft components, and preliminary recommendations on those components. Testimony will also be taken from members of the two advisory groups (the Steering Committee and Interest Group).

Public testimony is planned for the second day (November 19<sup>th</sup>) and will be carried to the third day (November 20<sup>th</sup>), if necessary. During those two days, the Planning Commission is expected take testimony and deliberate community by community.

Those individuals wishing to speak on November 19<sup>th</sup> or 20<sup>th</sup> are asked to contact the County in advance. Please email [gpupdate.DPLU@sdcounty.ca.gov](mailto:gpupdate.DPLU@sdcounty.ca.gov) with your name, contact information (e-mail and phone number), your position (support, opposition or neutral position), and if you will be giving community specific, including the [community](#) name, or general testimony. This will enable the County to inform speakers of the approximate time that their testimony will be heard in advance of the hearing.
