

FAA AIRPORT CAPITAL IMPROVEMENT PROGRAM PROCESS

OVERVIEW

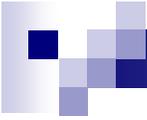

- FAA Airport Capital Improvement Program (ACIP)
- Who is Involved
- Project Priorities
- ACIP Process
- ACIP Process Timeline
- Pre & Post Grant Process

AIRPORTS CAPITAL IMPROVEMENT PROGRAMS

- **Federal Aviation Administration –
Airport Capital Improvement Program**

- The ACIP serves as the primary planning tool for systematically identifying, prioritizing, and assigning funds to critical airport development and associated capital needs for the National Airspace System (NAS). The ACIP also serves as the basis for the distribution of grant funds under the Airport Improvement Program (AIP). By identifying and investing in airport development and capital needs, the Federal Aviation Administration can ensure the American public that the NAS is a safe, secure and efficient environment for air travel nationwide.

Who is Involved

- **Airport Sponsor**
 - Airports Director
 - Airport Manager
 - Engineer
 - Budget/Fiscal
 - Environmental
- **Airport Users**
 - Lease Holders
 - Community Groups
- **Governmental Agencies**
 - FAA Airport District Office (ADO)
 - State Division of Aeronautics

Project Priorities

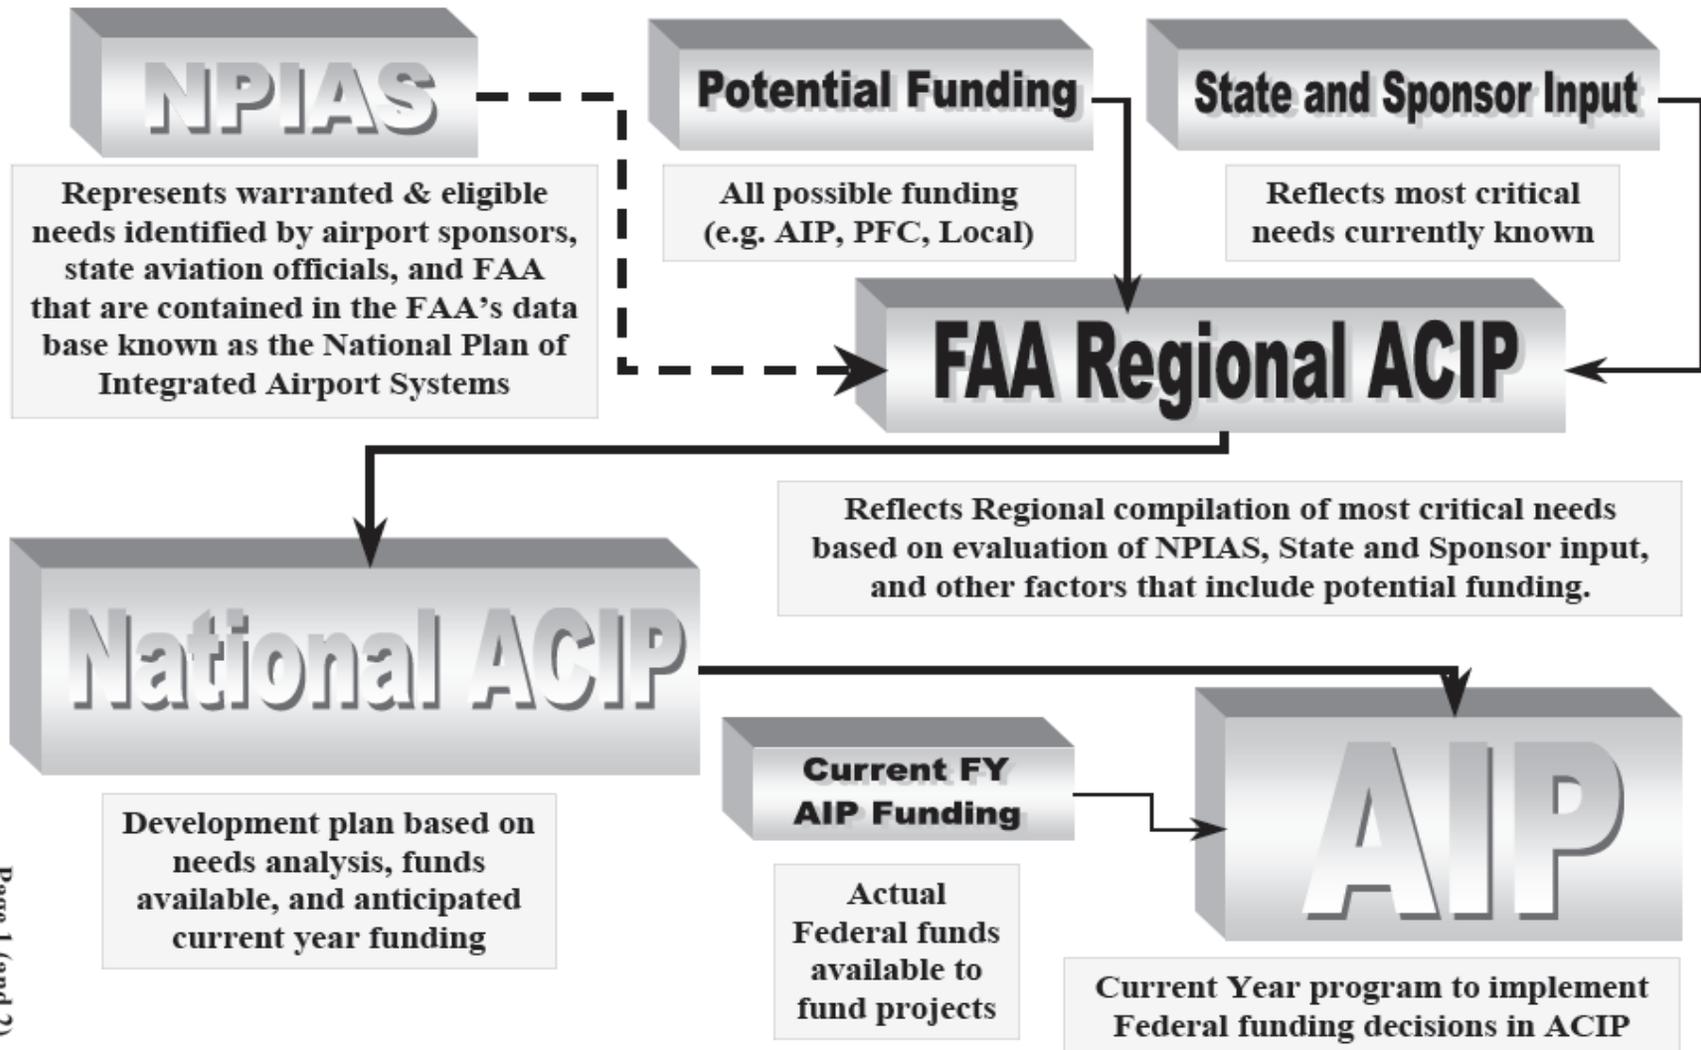

- Safety and Security
- System Capacity
- Environmental Compliance
- Access to the National Airport System
- Financial Considerations
- Sponsor Performance
- Planning Factors
- Legal and Regulator Requirements
- State and Local Factors

ACIP PROCESS

- At the regional level, the ACIP represents warranted & eligible needs identified by airport sponsors, state aviation officials and FAA that are contained in the FAA's data base known as the National Plan of Integrated Airport Systems (NPIAS).
- At the national level, the development plan is based on needs analysis, funds available, and anticipated current year funding. It reflects the regions compilation of most critical needs based on evaluation of NPIAS, State and Sponsor input and other factors that include funding.

The Airports Capital Improvement Planning (ACIP) Process

ACIP PROCESS

- List of projects based on priority and need
- Airports Director meets with Airports' staff to identify airport projects
- Airports Director meets with FAA to discuss proposed projects and priorities

ACIP Data Sheet

- A data sheet is submitted for each project listed on the sponsor's ACIP for the current and following fiscal year. The form must include -
 - Name of the airport
 - Local priority of the requested work
 - Project description

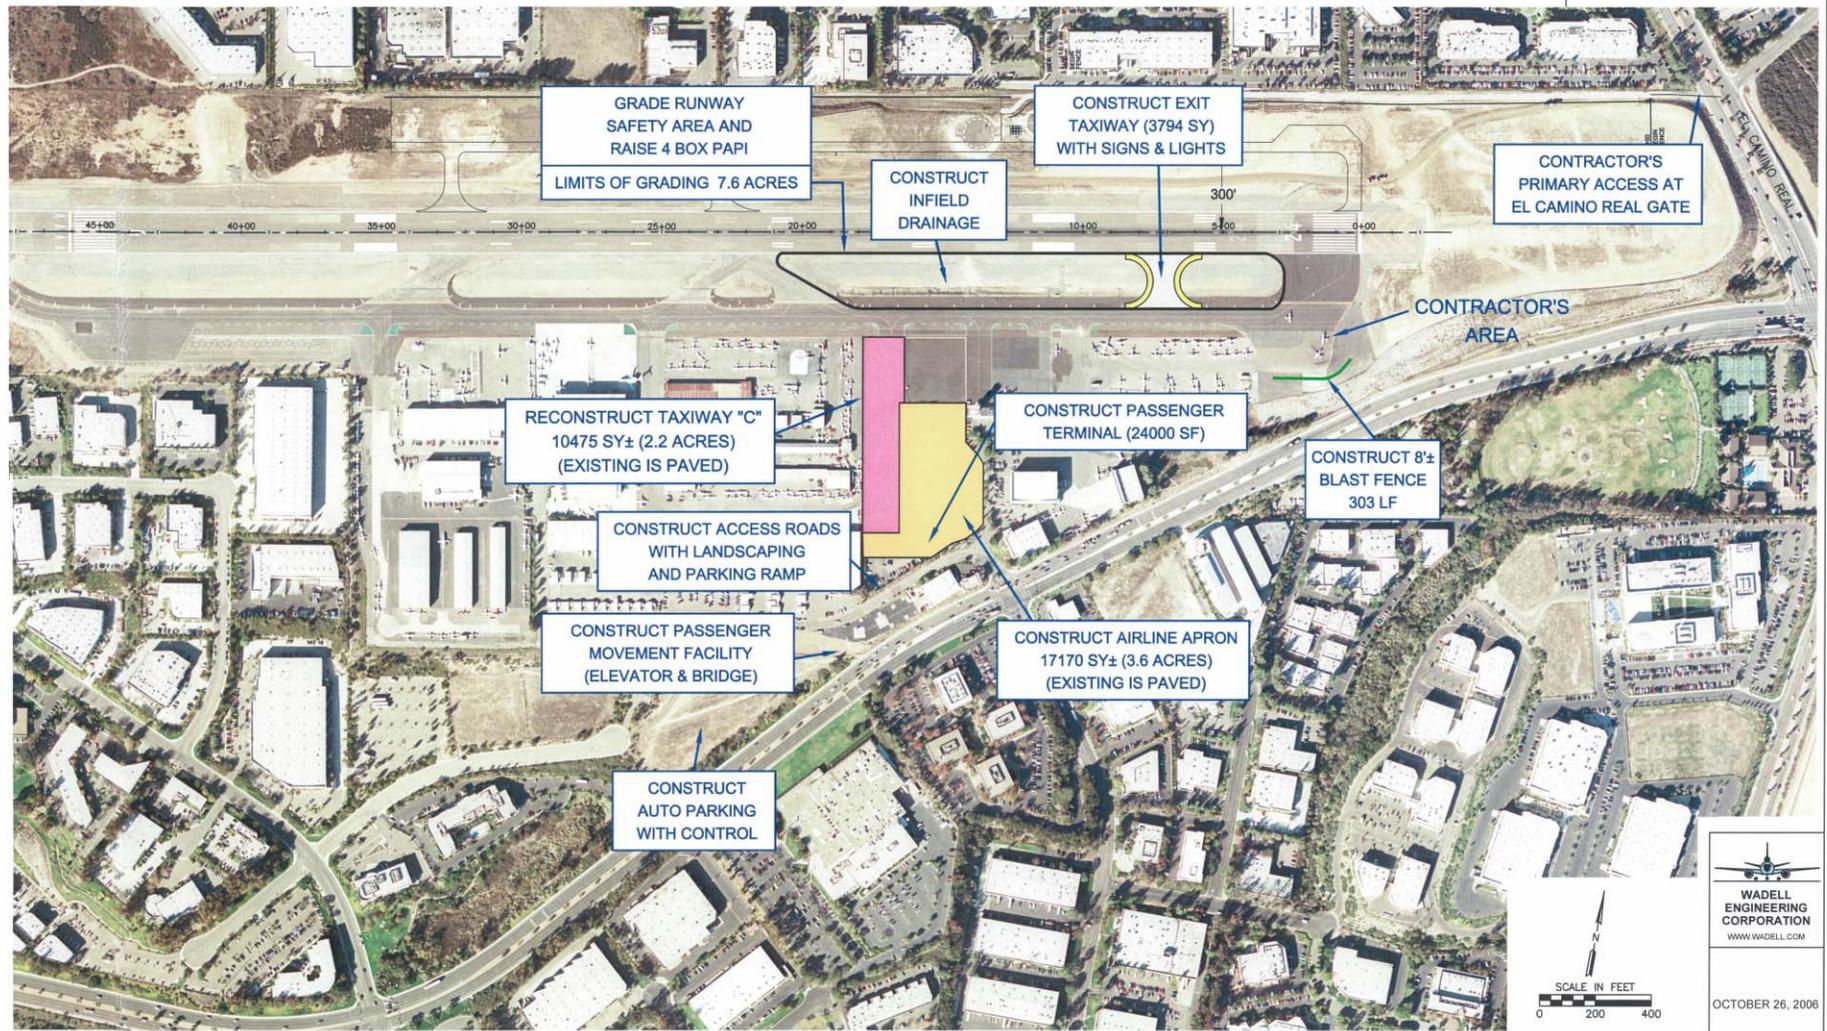

AIRPORT CAPITAL IMPROVEMENT PLAN

1. Airport: MCCLELLAN-PALOMAR		MGR	2. State; CALIFORNIA			3. NPIAS No: 06-0036	4. LOCID: CRQ		
5. Project Description (by Funding Year in Priority Order) (a)		Federal Funds (b)	State Funds (c)	LOCAL FUNDS		Total \$ (f)	Environmental Impact (g)	Start Date (h)	Completion Date (i)
				PFC (d)	Other (e)				
FY 2008									
1. Design & Construct North Ramp Phase 2A	MK	1,900,000			100,000	2,000,000	TBD	TBD	TBD
FY2009									
1. Design RW Reconstruction Including Drainage & Rehab Landing Cross Sect. Failing Pavement Substructure	MK	3,325,000			175,000	3,500,000	ND	TBD	TBD
2. Design & Construct ARFF Barn	MK	1,520,000			80,000	1,600,000	ND	TBD	TBD
3. Design EMAS	MK	475,000			25,000	500,000	TBD	TBD	TBD
FY2010									
1. Reconstruct RW West&North Ends; RSA & ROFA Improvement (northwest)	MK	12,350,000			650,000	13,000,000	ND	TBD	TBD
2. RW Rehab Design & Const	MK	9,500,000			500,000	10,000,000	ND	TBD	TBD
3. Build EMAS	MK	6,080,000			320,000	6,400,000	TBD	TBD	TBD
FY2011									
1. EIS for RW Extension for Category C-II Reconstruct Taxiway Delta	MK	4,750,000			250,000	5,000,000	ND	TBD	TBD
2. Design & Construct North Ramp Phase 2B	MK	4,560,000			240,000	4,800,000			
FY2012									
1. RW & TW SA Improve RPZ Land Acq for Runway Extension	TBD	17,100,000			900,000	18,000,000	ND	TBD	TBD
2. Master Plan Update	TBD	332,500			17,500	350,000	C	TBD	TBD
FY2013- 2017									
N/A		0			0				
Total		61,892,500			3,257,500	65,150,000			

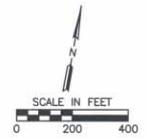

MGR = Manager; EN = Eric Nelson; MK = Michael Khoury; LL = Leann Lardy; WO = Wendy Orth; MC= Mike Carson; TM = Tim Caulder; TBD = To be determine

PROVIDE THE FOLLOWING DETAILED INFORMATION FOR PROJECTS ANTICIPATED WITHIN 1-2 YEARS					
Detail Project Description (Square/Lineal Footage or Length/Width)					
<p>The principal objective of the project is completion of the safety area grading and drainage with parallel taxiway and apron expansion to the west ending abeam Runway 6 threshold. The work will be completed in two sub-phases. Phase 2A includes "des planning, and aircraft owner minor maintenance facility, and sub-phase 2B includes the "construction only" of the parallel taxiway, exits and apron expansion to the west with required grading, drainage, paving and lighting.</p>					
Project Schedule (Anticipated date for bids or negotiated prices, consultant selection for planning or environmental projects, length of construction or design, planning or environmental process)					
2008					
NEPA Environmental Status (Date of FONSI or submit CATEX Form for Approval)					
ND					
Land Title Status & Date of Exhibit "A" Status			Date		
Open AIP Funded Projects			Expected Close-out Date		
Certification: To the best of my knowledge and belief, all information shown in the ACIP Data Sheet is true and correct and had been duly authorized by the Sponsor.

ACIP Process Timeline

- September or October
 - FAA sends out a letter to sponsors notifying them of ACIP process and the schedule
 - County Airports identify projects and internal review process begins
 - Airports Director reviews projects based on priority and needs prior to meeting with FAA
 - County Airports meets with FAA on overall projects review
- October - December
 - Follow-up review of projects with Airport Staff
 - Airports Director approves County Airports draft ACIP projects
- December or January
 - Meet with FAA to review ACIP draft
 - County Airports Director approves final ACIP
- February or March
 - County Airports submits final ACIP to FAA & State
 - Distributes copy of the final ACIP to other governmental agencies

Typical Pre-Grant Process for AIP Projects

Typical Post-Grant Process for AIP Projects

THAT'S ALL FOLKS!
