**Regulated Asbestos-Containing Material**

**ASBESTOS AMOUNT TO BE REMOVED**

For each asbestos demolition or renovation notification subject to Rule 1206 Asbestos Removal, Renovation, and Demolition, the owner or operator shall pay the applicable fees. For projects where one notification is submitted for both renovation and demolition operations, the owner or operator shall pay both applicable renovation and demolition fees. Fees are due at the time a notification is submitted. Notifications or revisions thereof will not be considered received unless accompanied with the required fees. If you have any questions please contact the District at 858-585-2550 or apcdcomp@sdcourtyca.gov

The number that is entered under Total RACM is the total amount of asbestos that is regulated (from table above). The number that is entered here is what is used to calculate your fees for this notification.

Enter the total amount of Regulated Asbestos-Containing Material from the Material Details. Enter numerical value only.
