Statewide Portable Equipment Registration Program (PERP) Notification

Section 2459 of Title 13 of the California Code of Regulations (CCR) requires operators of registered portable equipment units to notify the district within 2 working days of commencing operations in the district, if the registered equipment unit will be operating in a district for more than 5 days. If the owner or operator did not reasonably expect the duration of operation to trigger the notification requirement, the owner or operator shall notify the district within 12 hours of determining the registered equipment unit will be operating at a location more than 5 days.
