

**COUNTY OF SAN DIEGO
AIR POLLUTION CONTROL DISTRICT**

NOTICE OF PUBLIC HEARING

NOTICE, pursuant to State of California Health and Safety Code Section 40725 is hereby given of a public hearing on October 30, 2019, at 9:00 a.m., before the Air Pollution Control Board (Board) of the County of San Diego, in the Campus Center Chambers, County Operations Center, 5520 Overland Avenue, San Diego, California, 92123 for the purpose of receiving public comments on and considering the adoption of proposed amendments to Rule 12.1 – Portable Equipment Registration and Rule 12 – Registration of Specified Equipment of the San Diego County Air Pollution Control District (District).

Rules 12.1 and 12 provide a voluntary mechanism to register certain equipment, operations, and processes for use in San Diego County in lieu of obtaining a local permit to operate. While registrations are voluntary, registered equipment is subject to air pollution control standards and other requirements to protect air quality and public health. Amendments to Rule 12.1 are proposed to improve clarity and consistency with other District rules and State regulations. In addition, the proposed amendments would authorize the registration of rock drills under Rule 12.1 instead of Rule 12. Rock drills are portable and therefore better suited for registration under Rule 12.1.

Upon rule adoption, existing registrations will be updated by the District during their next annual renewal and all future new registrations will be subject to the updated rule requirements.

The Board may consider modifications to the proposal, which may be deemed appropriate. Written comments are also invited. Comments should be addressed to:

Angela M. Ortega, Rule Development Supervisor
San Diego County Air Pollution Control District
10124 Old Grove Road, San Diego, CA 92131

Copies of the proposed amendments to Rules 12.1 and 12 may be examined or obtained at the District's headquarters, 10124 Old Grove Road, San Diego, CA 92131, or by visiting the District's website at http://www.sdapcd.org/content/sdc/apcd/en/Rule_Development/Public_Hearings.html. Specific information with respect to this matter may be obtained by calling Angela M. Ortega, Rule Development Supervisor, at (858) 586-2753.

ANDREW POTTER
Clerk of the Air Pollution Control Board of the
San Diego County Air Pollution Control District

APPROVED AS TO FORM AND LEGALITY COUNTY COUNSEL
--

BY: PAULA FORBIS, SENIOR DEPUTY
