**NOTICE OF INTENT
TO ADOPT A NEGATIVE DECLARATION FOR THE 2020 PLAN FOR ATTAINING
THE NATIONAL OZONE STANDARDS IN SAN DIEGO COUNTY**

Notice, pursuant to Public Resources Code Section 21092 and California Code of Regulations Title 14 Section 15072, is hereby given that the San Diego County Air Pollution Control District (APCD) is proposing to adopt a Negative Declaration addressing the 2020 Plan for Attaining the National Ozone Standards in San Diego County, based on Initial Study findings prepared pursuant to the provisions of the California Environmental Quality Act.

The APCD is preparing a plan to demonstrate attainment for the 2008 and 2015 National Ozone Standards in San Diego County. APCD, acting as lead agency, has completed an Initial Study for the proposed project. The Initial Study found no substantial evidence that the proposed project would have a significant adverse effect on the environment.

On the basis of these findings, a draft Negative Declaration has been prepared. APCD is seeking comments on the findings of the initial study and proposed Negative Declaration. The 30-day review period commences on July 1, 2020 and ends on July 31, 2020. Public workshops will be held on July 9 and July 13 via webinar where comments can be provided. All other comments must be submitted in writing or via e-mail and received at the APCD office by 5:00 p.m. on July 31, 2020. Comments should be addressed to: Eric Luther, San Diego County Air Pollution Control District, 10124 Old Grove Rd., San Diego, California 92131, tel. (858) 586-2806, or e-mail Eric.Luther@sdcountry.ca.gov. Copies of the Initial Study may be examined or obtained at APCD Headquarters, 10124 Old Grove Rd., San Diego, California 92131, or by accessing the APCD's web site at <http://tinyurl.com/airqualityplan> ; or call Eric Luther at (858) 586-2806.
