Governing Board

County of San Diego Health and Human Services Agency
San Diego, California

We have audited the accompanying Statements of Claims and Fiscal Reports of the County of San Diego Health and Human Services Agency (County) for the California State Department of Education Child Development Programs (Project No. 37-2001-00-3, and Contract Nos. CLPC-3035 and CRET-3033) for the fiscal year ended June 30, 2014. The Statements of Claims and Fiscal Reports are the responsibility of the County's management.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of the Statements of Claims and Fiscal Reports in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of the Statements of Claims and Fiscal Reports that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on the Statements of Claims and Fiscal Reports based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the California Department of Education Audit Guide issued by the California Department of Education. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the Statements of Claims and Fiscal Reports are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the County's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the Statements of Claims and Fiscal Reports.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the Statements of Claims and Fiscal Reports referred to above present fairly, in all material respects, the program expenditures, program funds received, and fiscal year reimbursements for the fiscal year ended June 30, 2014 in conformity with accounting principles generally accepted in the United States of America.

Other Information

Our audit was conducted for the purpose of forming opinions on the Statements of Claims and Fiscal Reports that collectively comprise the County's Statement of Claims and Fiscal Reports as a whole.

The accompanying schedule of expenditures of federal and state awards, combining schedule of activities, combining schedule of expenditures by state categories, and combining schedule of administrative costs are presented for purposes of additional analysis and are not required parts of the Statements of Claims and Fiscal Reports. The schedule of expenditures of federal and state awards, combining schedule of activities, combining schedule of expenditures by state categories, and combining schedule of administrative costs are the responsibility of management and were derived from and relate directly to the underlying accounting and other records used to prepare the Statements of Claims and Fiscal Reports. The information has been subjected to the auditing procedures applied in the audit of Statements of Claims and Fiscal Reports (and in conformity with the CDE Audit Guide issued by the California Department of Education), including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the Statements of Claims and Fiscal Reports or to the Statements of Claims and Fiscal Reports themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated in all material respects in relation to the Statements of Claims and Fiscal Reports taken as a whole.

A. Reporting Entity

The County of San Diego is a political subdivision of the State of California (State) and is governed by an elected Board of Supervisors. As such, it can exercise the powers specified by the Constitution and Statutes of the State. The Health and Human Services Agency is a department within the County of San Diego and operates the California State Department of Education Child Development Programs within the County of San Diego.

The accompanying financial statement presentations relate to the County of San Diego Health and Human Services Agency operations and include only selected data that is required to be reported to the California Department of Education, pursuant to Contract Nos. The County of San Diego Health and Human Services Agency administered the following California State Department of Education Child Development Programs during the fiscal year ended June 30, 2014: Local Child Care Planning Council and Child Care Staff Retention Program.

The Local Child Care Planning Council (CLPC-3035) was established to develop a comprehensive long range plan for a broad spectrum of childcare and development services. Items that may be addressed by the council include the expansion of care for all children with childcare and development need within the County of San Diego and the development of strategies and the mechanisms for upgrading the quality of care.

The Child Care Staff Retention Program (CRET-3033) was established to retain qualified child care employees, who work directly with children who receive subsidized care, in State subsidized, center-based programs.

C. Basis of Presentation

The Statement of Claims and Fiscal Reports, Schedule of Activities, Schedule of Expenditures by State Categories, and Schedule of Reimbursable Administrative Costs were prepared from the accounts and transactions of the County. The statements summarized revenues, expenditures, and matching funds recorded by the County for the fiscal year ended June 30, 2014 and follow the formats prescribed by the California State Department of Education.

NOTES TO FINANCIAL STATEMENTS, continued
JUNE 30, 2014

NOTE 1 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

D. Method of Accounting

Prior to July 1, 2000, the County used the modified accrual basis of accounting for the Statements of Claims and Fiscal Reports, Schedule of Activities, Schedule of Expenditure by State Categories, and Schedule of Administrative Costs. The Program began to utilize the accrual basis of accounting during fiscal year ended June 30, 2001. Revenues are recognized in the period earned and expenses are recognized in the period in the period incurred.

NOTE 2 – ADMINISTRATIVE EXPENDITURES AND SUPPORT COSTS

Costs related to the administration of the child development programs are reported as administrative expenditures on the Statement of Claims. The administrative expenditures consist of administrative and support costs. For the fiscal year ended June 30, 2014, such costs consisted of the following:

	Administrative	Support	Total
CLPC-3035			
Salaries and benefits	\$ 723	\$ 4,093	\$ 4,816
Services and other operating expenses	-	72,623	72,623
Audit fee	714	-	714
Total	<u>\$ 1,437</u>	<u>\$ 76,716</u>	<u>\$ 78,153</u>
CRET-3033			
Salaries and benefits	\$ 1,111	\$ 6,301	\$ 7,412
Services and other operating expenses	-	679,797	679,797
Audit fee	8,786	-	8,786
Total	<u>\$ 9,897</u>	<u>\$ 686,098</u>	<u>\$ 695,995</u>

NOTE 3 – MAINTENANCE OF EFFORT REQUIREMENT

The County satisfied its Maintenance of Effort requirements of \$21,750 for contract number CLPC-3035. The amount retained by the County’s Child Development Program was \$0. The amount spent on administrative and support costs was \$78,153, which is more than 100% of the required Maintenance of Effort.

NOTE 4 – INTEREST EARNED ON STATE ADVANCES

Interest was calculated, based on County cash investment yields applied to amounts advanced from the State that were outstanding during the period. Amounts earned by the County were retained and reported in accordance with the Contract Funding Terms and Conditions, which are recorded in the County’s General Fund. Interest earned must be used for Child Development Program expenditures.

COUNTY OF SAN DIEGO HEALTH AND HUMAN SERVICES AGENCY
NOTES TO FINANCIAL STATEMENTS, continued
JUNE 30, 2014

NOTE 5 – FISCAL YEAR REIMBURABLE EARNINGS

Fiscal year reimbursable earnings are the lesser of the contract amount or total expenditures incurred during the fiscal year in the provision of child care and development services for subsidized children, reduced by disallowed costs and restricted income.

NOTE 6 – AMOUNT DUE TO/(FROM) THE STATE

The amount of program funds due to (due from) the State:

CLPC-3035	\$ (700)
CRET-3033	(10,166)
Total	<u>\$ (10,866)</u>

As of June 30, 2014, the County received the maximum contract amount of \$55,603 for CLPC-3035; however, total expenditures claimed for CLPC-3035 of \$78,153 were less than the total revenues of state funding, maintenance of effort, and interest earned on the program by \$700.

As of June 30, 2014, the County has received \$685,333 for CRET-3033 out of the total expenditures claimed of \$695,995, which result in a due from the State of \$10,166, after interest earned on the program of \$496.

NOTE 7 – CONTINGENCIES

The County has received federal and other governmental funds for specific purposes that are subject to review and audit by the funding agencies. Such audits could generate expenditure disallowances or refunds payable under terms of the agency contracts. No material amounts are currently payable. Loss of governmental support would have a significant impact on the County’s ability to provide its program services.

An IRS notice of proposed civil penalty was sent to the County for 1099 information forms issued for the 2009, 2010, 2011, and 2012 tax years. The County has appealed these penalties. These notices have been received annually for the past tax years. These proposed penalties occur in cases where the County’s filed information returns have Taxpayer Identification Numbers that do not match IRS records. The County has contested these penalties and penalties have been waived for some recent years. In 2010 the County started using the IRS’s online TIN matching program. In addition, the County is making sure its staff uses the IRS approved formats for inputting TIN information to be used in 1099. The County has not received any Notice CP504B invoices from the IRS for tax years 2009, 2010, 2011, and 2012. Currently, there has been no IRS notification for the tax year 2013 filings.

Independent Auditors' Report

Governing Board

County of San Diego Health and Human Services Agency
San Diego, California

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in Government Auditing Standards issued by the Comptroller General of the United States, the Statements of Claims and Fiscal Reports of the County of San Diego Health and Human Services Agency (County) for the California State Department of Education Child Development Program (Project No. 37-2001-00-3, and Contract Nos. CLPC-3035 and CRET-3033) as of and for the fiscal year ended June 30, 2014, and have issued our report thereon dated October 2, 2014.

Internal Control over Financial Reporting

In planning and performing our audit of the Statements of Claims and Fiscal Reports of the County of San Diego Health and Human Services Agency (County) for the California State Department of Education Child Development Program (Project No. 37-2001-00-3, and Contract Nos. CLPC-3035 and CRET-3033), we considered the County's internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinions on the Statements of Claims and Fiscal Reports, but not for the purpose of expressing an opinion on the effectiveness of the County's internal control. Accordingly, we do not express an opinion on the effectiveness of the County's internal control.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether the County of San Diego Health and Human Services Agency's Statements of Claims and Fiscal Reports are free of material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of Statement of Claims and Fiscal Reports amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the entity's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the entity's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.
