INVITATION - FEE PROPOSAL WORKSHOPS

The County of San Diego Department of Agriculture, Weights and Measures (AWM) is committed to support a diverse agricultural community, a sustainable environment, and a fair marketplace while providing quality services in a cost-effective manner.

We have developed a Fee Proposal for FY 18-19 that allows us to continue our quality outreach; leverage operational efficiency; and comply with the County Board of Supervisors' cost recovery policy in providing Pest Exclusion (Export Certification), Direct Marketing (Certified Farmers' Markets, Certified Producers), and Agricultural Water Quality services.

You are invited to attend a fee proposal workshop so we may provide you additional information and answer your questions. The workshop content is the same with two different dates and locations listed below to accommodate your schedules.

Time:	4 PM – 5 PM
Address:	AWM San Marcos Office (map enclosed) 151 E. Carmel Street, San Marcos 92078
