It is very important that you provide all the information requested on this questionnaire and only for commodities you grow in San Diego county. All information is kept strictly confidential and combined to come up with averages. The Crop Report is an important tool for growers, insurance companies, bankers, marketers, government and all those who make decisions about agriculture in our county. Please contact **Porfirio Mancillas** with the San Diego County Department of Agriculture, Weights and Measures with any questions, and thank you for your participation.

If you no longer grow in the County, please **provide your name and address** so we can remove you from our mailing list:

\_\_\_\_\_
