MÉGAN MOORE
ASST. AGRICULTURAL COMMISSIONER/
SEALER OF WEIGHTS & MEASURES

June 21, 2023

FROM: Ha Dang, Sealer of Weights & Measures

SUBJECT: FEES FOR JULY 1, 2023 – JUNE 30, 2024

The Department of Agriculture/Weights & Measures (AWM) is committed to providing services that support public health and safety, a resilient food supply, agricultural trade, consumer confidence, and a sustainable environment at the lowest costs possible.

Our fee increases for Fiscal Year 2023-2024 are necessary to address cost increases and comply with San Diego County Board of Supervisors (Board) policy of maintaining cost recovery for all our programs. We review these fees annually as a commitment to making cost recovery a regular part of our operations, and provide notice to impacted customers so they can plan for the increases.

After completing our annual cost review and receiving Board approval, the following fee adjustments are effective July 1, 2023.

Price Verification Annual Registration	Current Fee	New Fee	Change
Tier 1 Registration (1-3 Point-of-Sale Stations)	\$155	\$160	\$5
Tier 2 Registration (4-9 Point-of-Sale Stations)	\$210	\$218	\$8
Tier 3 Registration (10 or more Point-of-Sale Stations)	\$263	\$272	\$9
Re-inspection Hourly Rate for Non-compliance	\$156	\$168	\$12

Commercial Weights & Measure Devices			
Non-Commercial Device Inspection Hourly Rate	\$156	\$168	\$12
Non-Registered Water Submeter Fee Hourly Rate	\$156	\$168	\$12

There are no changes planned for other device fee categories.
