The above-listed Property Owner, Authorized Representative Agent or Operator of Property (“Owner”) hereby permits the County of San Diego Department of Agriculture, Weights and Measures, its officers, employees, and agents (“COUNTY”), to enter upon Owner’s property (“Premises”) located as listed above, subject to all licenses, easements, encumbrances, and claims of title affecting the Premises and upon the following terms and conditions:

1. **Grant of Right-of-Entry.** Owner hereby grants COUNTY a right-of-entry ("Permit") over the Premises to ingress to and egress from the area to survey for, map locations of, chemically treat, monitor, and remove non-native invasive plants known to be growing on the Premises, subject to the terms and conditions set forth in this Permit. Entry to the Permit Area will be by means of existing roads and driveways, where available, and by other means mutually agreed to by both parties when roads and driveways are not available.
2. **No Implied Easement.** Nothing in this Permit shall be construed to grant County an easement by implication, prescription, or any other operation of law.
3. **Term.** This Permit shall become effective upon execution hereof by the Director of COUNTY's Department of Agriculture, Weights and Measures and shall terminate only upon written agreement of the parties.
4. **Herbicides.** As one means of removing targeted non-native invasive plants from the Premises, COUNTY may apply herbicides to them. Although County will use and apply the herbicides in accordance with the instructions on the herbicide label and in accordance with all applicable state and County laws and regulations, COUNTY makes no guarantees of the efficacy of applied herbicides and makes no guarantee it will be able to permanently eliminate the targeted plants from the Premises and/or not inadvertently damage non-target plants in the attempt to remove targeted plants.
5. **Compliance with Laws.** In conducting its operations on the Premises, COUNTY shall comply, at COUNTY's expense, with all applicable laws, regulations, rules, and orders, regardless of when they become or became effective, including, without limitation, those relating to health, safety, noise, environmental protection, waste disposal, and water and air quality, and shall furnish satisfactory evidence of such compliance upon request of Owner.

- 6. **Waiver of Liability.** In consideration of the COUNTY’s removal of the non-native invasive plants from the Premises at no cost to Owner, Owner hereby waives, releases and forever discharges any and all rights and claims for damages, injuries, expenses or costs of any kind which Owner has now or may acquire in the future that are directly or indirectly related to the work described above, against the COUNTY and its agents, officials, employees, volunteers and contractors.
- 7. **Costs.** The work described above shall be done at the COUNTY’s sole expense.
- 8. **Authority.** Owner represents and warrants that it has full power and authority to execute and fully perform its obligations under this Permit pursuant to its governing instruments, without the need for any further action, and that the person(s) executing this Permit on behalf of Owner are the duly designated agents of Owner and are authorized to do so, and that fee title to the Premises vests solely in Owner.
- 9. **Entire Agreement.** This Permit, together with any addenda, exhibits and riders attached hereto, constitutes the entire agreement between the parties with respect to the subject matter hereof, and all prior or contemporaneous agreements, understandings and representations, oral or written, are superseded.
- 10. **Modification.** The provisions of this Permit may not be modified, except by a written instrument signed by both parties.
- 11. **Partial Invalidity.** If any provision of this Permit is determined by a court of competent jurisdiction to be invalid or unenforceable, the remainder of this Permit shall not be affected thereby. Each provision shall be valid and enforceable to the fullest extent permitted by law.

IN WITNESS WHEREOF, both parties have executed this Permit effective as of \_\_\_\_\_.
