PRICE VERIFICATION INSPECTIONS – WHAT YOU NEED TO KNOW

We would like to invite you to a presentation to enhance your awareness about our Price Verification Inspection Program which ensures fair competition amongst retailers by upholding price accuracy laws. We will provide an overview of the history of the program, laws and regulations, inspection procedures, enforcement actions, and tips to avoid penalties and pass your next inspection. Our goal is to help you achieve price accuracy and prepare for your next regulatory inspection. This is an opportunity to learn and ask questions.
