## **SUBJECT: BOARD OF SUPERVISORS' FEE DEFERRAL EXPIRATION**

To assist businesses during the challenging and unprecedented impacts of the COVID-19 pandemic, the County Board of Supervisors (Board) voted on November 5, 2020 to extend the deferral of the fee payment for commercial device or point of sale registrations. This deferral extension is effective from November 5, 2020 through March 31, 2021.

During this deferment period, you were still required to renew your device or point of sale registration to comply with California laws and regulations. However, payment of registration fee to the Department of Agriculture, Weights and Measures (AWM) could be deferred until March 31, 2021.

Deferred fees will become due on April 1, 2021. If you have unpaid fees at that time, your registration will no longer be valid. Upon payment of all fees, the registration will be updated to reflect payment has been received. For registrants with unpaid fees as of the date of this notice, AWM has enclosed an invoice and instructions for payment. Please disregard this notice if you have already made a payment to resolve any unpaid fees.

If you have questions regarding this information, please contact AWM's Weights and Measures Division at (858) 694-2278 or email at [wm.awm@sdcounty.ca.gov](mailto:wm.awm@sdcounty.ca.gov).
