MÉGAN MOORE
ASST. AGRICULTURAL COMMISSIONER/
SEALER OF WEIGHTS & MEASURES

Dear Valued Customer,

On May 5, 2020, the County Board of Supervisors unanimously approved to defer payment of fees to the Department of Agriculture, Weights and Measures (AWM) for businesses that require a commercial device registration or point-of-sale registration from May 5, 2020 through November 5, 2020. This deferment is to aid businesses and the local economy affected by the COVID-19 public health emergency.

Customers who have commercial device or point-of-sale registrations with an expiration date between May 5 and November 5, 2020, will remain active during the deferment period, and payment will not become due until January 5, 2021. The registration renewal will be updated after payment is received.

Some customers may prefer to pay their renewal invoice by its normal due date, rather than deferring payment. While this is not required, if you would like to pay the renewal invoice by its normal due date, please send all applicable fees: point-of-sale registration fee, device location fee, device state administrative fee, and device fee by:

- Returning the bottom portion of the application with the required fees due, by check or money order made payable to *County of San Diego*
- Pay online with Visa, Mastercard, or e-check at:
<https://publicservices.sandiegocounty.gov/CitizenAccess>

Click on the AWM tab to find our online payment instructions. Online payments can be by E-check or by Credit Card (Visa, Master Card).

If you have questions regarding this information please contact AWM's Weights and Measures Division information specialist at (858) 694-2278 or email at wm.awm@sdcounty.ca.gov.
