CBHDA 2025-26 Legislative Bill Matrix - Watch and Under Review

As of 5/20/2026

Bill Author	Description	Position
AB 46 Nguyen D	Diversion. (Amended: 5/14/2026) Existing law authorizes a court to grant pretrial diversion to a defendant suffering from a mental disorder, on an accusatory pleading alleging the commission of a misdemeanor or felony offense, in order to allow the defendant to undergo mental health treatment. Existing law provides that a defendant is eligible for diversion if they have been diagnosed with certain mental disorders and the court finds that the mental disorder was a significant factor in the commission of the charged offense, unless there is clear and convincing evidence that the disorder was not a motivating, causal, or contributing factor to the defendant's involvement in the alleged offense. Existing law prohibits defendants charged with specified offenses, including murder, from being placed in this diversion program. This bill would require that the diagnosis or rediagnosis with a mental disorder be within 5 years before the alleged offense. Status: 5/18/2026 - Read second time. Ordered to third reading. Hearing: 5/20/2026 #230 SENATE ASSEMBLY BILLS - THIRD READING FILE	2. Oppose AB 46 Sen. Suspense Letter AB 46 CBHDA Opposition to S. PS AB 46 Sen. APPR Opposition Letter AB 46 Fact Sheet
AB 96 Jackson D	Mental health services: peer support specialist certification. (Amended: 1/5/2026) Current law establishes a schedule of benefits under the Medi-Cal program and provides for various services, including behavioral and mental health services that are rendered by Medi-Cal enrolled providers. Current law authorizes a county, or an agency representing the county, to develop a peer support specialist certification program, subject to department approval. Current law imposes specified requirements on applicants for certification as a peer support specialist, including that the applicant be at least 18 years of age and possess a high school diploma or equivalent degree. This bill would remove the requirement of possessing a high school diploma or equivalent degree from the requirements necessary for an applicant to receive certification. Status: 5/6/2026 - Referred to Com. on HEALTH.	1. CBHDA Sponsor AB 96 Fact Sheet AB 96 Coalition Letter to Asm. Health
AB 308 Ramos D	Mobile crisis teams or units: procedures. (Amended: 4/24/2025) Current law sets forth various provisions relating to mobile crisis teams, including with regard to behavioral health crisis services under the Miles Hall Lifeline and Suicide Prevention Act, involuntary commitment under the Lanterman-Petris-Short Act, and community-based mobile crisis intervention services through a Medi-Cal behavioral health delivery system under the Medi-Cal program. Current law requires a regional center, which serves individuals with intellectual or developmental disabilities, to implement an emergency response system for, among other groups, consumers who receive mobile crisis services. Current law requires a regional center and a county mental health agency to develop a general plan for crisis intervention for persons served by both systems. Current law establishes an advisory council for purposes of developing recommendations for improving outcomes of	8. Watch AB 308 Fact Sheet

	interactions between law enforcement and people with intellectual or developmental disabilities or with mental health conditions. This bill, in the case of a county that operates, or that contracts for the operation of, a mobile crisis team or unit, would authorize the county behavioral health director to develop procedures for the mobile crisis team or unit that include the handling of an emergency situation, or a crisis incident, involving an individual with an intellectual or developmental disability or an individual with a behavioral health condition. Status: 7/17/2025 - Failed Deadline pursuant to Rule 61(a)(10). (Last location was HUM. S. on 5/21/2025) (May be acted upon Jan 2026)	
AB 408 Berman D	Physician Health and Wellness Program. (Amended: 7/8/2025) The Medical Practice Act provides for the licensure and regulation of physicians and surgeons and licensed midwives by the Medical Board of California. Current law authorizes the board to establish a Physician and Surgeon Health and Wellness Program to support a physician and surgeon in their rehabilitation from substance abuse to ensure the physician and surgeon remains able to practice medicine in a manner that will not endanger the public health and safety and that will maintain the integrity of the medical profession. Current law requires the board to contract with a third party for the program's administration in accordance with specified provisions of the Public Contract Code. Current law provides that participation in the program shall not be a defense to any disciplinary action that may be taken by the board. Current law requires the program to comply with the Uniform Standards Regarding Substance-Abusing Healing Arts Licensees adopted by the Substance Abuse Coordination Committee of the Department of Consumer Affairs. Current law establishes the Physician and Surgeon Health and Wellness Program Account in the Contingent Fund of the Medical Board of California for the support of the program. This bill would revise and recast those provisions and would instead authorize the board to establish a Physician Health and Wellness Program to support, treat, monitor, and rehabilitate physicians and surgeons and other professionals licensed by the board with impairing physical and mental health conditions that may impact their ability to practice their profession in a reasonably safe, competent, and professional manner. The bill would require the administering entity to be a nonprofit entity and would require the contract with the administering entity to include procedures on specified topics. The bill would exempt the program from the Uniform Standards Regarding Substance-Abusing Healing Arts Licensees. The bill would exempt program records relating to current or former program participants from disclosure under the California Public Records Act, except as specified. The bill would authorize the board to establish advisory committees to assist in carrying out the duties of the administering entity, and would establish duties and responsibilities authorized to be performed by a committee. The bill would rename the Physician and Surgeon Health and Wellness Program Account as the Physician Health and Wellness Program Account and would authorize the board to seek and use grant funds and gifts from public or private sources to pay any cost associated with the program. Status: 7/17/2025 - Failed Deadline pursuant to Rule 61(a)(10). (Last location was JUD. on 7/7/2025)(May be acted upon Jan 2026)	Internal Watch
AB 539 Schiavo D	Health care coverage: prior authorizations. (Amended: 4/28/2025) Current law provides for the regulation of health insurers by the Department of Insurance. Current law provides that a health care service plan or a health insurer that authorizes a specific type of treatment by a health care provider shall not rescind or modify this authorization after the provider renders the health care service in good faith and pursuant to the authorization. This bill would require a prior authorization for a health care service by a health care service plan or a health insurer to remain valid for a period of at least one year from the date of approval, or throughout the course of prescribed treatment, if less than one year. Because a violation of the bill by a health care service plan would be a crime, the bill would impose a state-mandated local program. Status: 7/17/2025 - Failed Deadline pursuant to Rule 61(a)(10). (Last location was HEALTH on 5/21/2025) (May be acted upon Jan 2026)	Internal Watch AB 539 Fact Sheet

AB 736 Wicks D	The Affordable Housing Bond Act of 2026. (Amended: 4/10/2025) Would enact the Affordable Housing Bond Act of 2026, which, if adopted, would authorize the issuance of bonds in the amount of \$10,000,000,000 pursuant to the State General Obligation Bond Law. Proceeds from the sale of these bonds would be used to finance programs to fund affordable rental housing and home ownership programs, including, among others, the Multifamily Housing Program, the CalHome Program, and the Joe Serna, Jr. Farmworker Housing Grant Program. Status: 5/14/2026 - From committee: Do pass. (Ayes 5. Noes 0.) (May 14). Read second time. Ordered to third reading. Hearing: 5/20/2026 #229 SENATE ASSEMBLY BILLS - THIRD READING FILE	Internal Watch
AB 1088 Bains D	Public health: kratom. (Amended: 4/21/2025) The Sherman Food, Drug, and Cosmetic Law provides for the regulation of various subjects relating to the manufacturing, processing, labeling, advertising, and sale of food, drugs, and cosmetics, under the administration and enforcement of the State Department of Public Health (department) and in accordance with the Federal Food, Drug, and Cosmetic Act. The act generally requires manufacturers, packers, and holders of processed foods to register with the department. A violation of the act is a crime. This bill would add kratom products and products containing 7-hydroxymitragynine (7-OH products), as defined, to the Sherman Food, Drug, and Cosmetic Law. The bill would prescribe specified quantities of alkaloids present in kratom products and 7-OH products and would establish labeling and packaging requirements for those products. The bill would prohibit the sale of kratom products and 7-OH products to those under 21 years of age. Status: 7/17/2025 - Failed Deadline pursuant to Rule 61(a)(10). (Last location was HEALTH on 6/11/2025) (May be acted upon Jan 2026)	Internal Watch
AB 1126 Patterson R	Medi-Cal managed care plans: enrollees with other health care coverage. (Amended: 1/5/2026) Current law establishes the Medi-Cal program, which is administered by the State Department of Health Care Services and under which qualified low-income individuals receive health care services, under fee-for-service or managed care delivery systems. The Medi-Cal program is, in part, governed and funded by federal Medicaid program provisions. Under current federal law, in accordance with third-party liability rules, Medicaid is generally the payer of last resort if a beneficiary has another source of health care coverage in addition to Medicaid coverage. This bill would require the department, in the case of a Medi-Cal managed care plan enrollee who also has other health care coverage and for whom the Medi-Cal program is a payer of last resort, to ensure that a provider that is not contracted with the plan and that is billing the plan for Medi-Cal allowable costs not paid by the other health care coverage does not face administrative requirements significantly in excess of the administrative requirements for billing those same costs to the Medi-Cal fee-for-service delivery system. Under the bill, in the case of an enrollee who meets those coverage criteria, except as specified, a Medi-Cal fee-for-service provider would not be required to contract as an in-network provider with the Medi-Cal managed care plan in order to bill the plan for Medi-Cal allowable costs for covered health care services. The bill would authorize a Medi-Cal managed care plan to require a letter of agreement, or a similar agreement, under specified circumstances, including if a covered service requires prior authorization, or if a service is not covered by the other health care coverage but is a covered service under the plan, as specified. Status: 5/6/2026 - Referred to Com. on HEALTH.	Internal Watch
AB 1165 Gipson D	California Housing Justice Act of 2025. (Amended: 1/22/2026) Current law establishes the Homeless Housing, Assistance, and Prevention Program administered by the Business, Consumer Services, and Housing Agency for the purpose of providing jurisdictions, as defined, with one-time grant funds to support regional coordination and expand or develop local capacity to address homelessness challenges, as specified. Current law also establishes the Department of Housing and Community Development in the agency and makes the department responsible for administering various housing programs throughout the state, including, among others, the Multifamily Housing Program, the Housing for a Healthy California Program, and the	Internal Watch

	California Emergency Solutions Grants Program. This bill would enact the California Housing Justice Act of 2025, which would require the department to create, by January 1, 2028, and in collaboration with specified entities, including local entities, finance plans to solve homelessness and to solve the housing unaffordability crisis, and related statewide performance metrics. Status: 5/6/2026 - Referred to Com. on HOUSING.	
AB 1267 Pellerin D	Consolidated license and certification. (Amended: 4/24/2025) Current law requires the State Department of Health Care Services to license and regulate adult alcohol or other drug recovery or treatment facilities that provide residential nonmedical services, as specified, and further requires the department to certify and regulate alcohol and other drug programs, as specified. Current law requires the department to charge various fees for a license or certification. This bill would, beginning January 1, 2027, require the department to offer a consolidated license and certification that allows the holder to operate more than one facility that requires a license, a program that requires a certification, or a combination thereof, that the holder operates within the same geographic location. This bill would define “same geographic location” as the physical location where clients are generally co-located, intermingle, reside, or receive services in one building or multiple buildings within 1,000 feet of each other in areas not zoned exclusively for residential use under local zoning ordinances. Status: 9/11/2025 - Failed Deadline pursuant to Rule 61(a)(14). (Last location was INACTIVE FILE on 9/8/2025)(May be acted upon Jan 2026)	8. Watch AB 1267 Fact Sheet
AB 1540 González, Mark D	988 Suicide & Crisis Lifeline: LGBTQ+ youth. (Amended: 3/19/2026) Existing federal law, the National Suicide Hotline Designation Act of 2020, designates the 3-digit telephone number “988” as the universal number within the United States for the purpose of the national suicide prevention and mental health crisis hotline system operating through the 988 Suicide and Crisis Lifeline. The Miles Hall Lifeline and Suicide Prevention Act requires, among other things, the Office of Emergency Services (OES) to verify that technology that allows for transfers between 988 centers, as well as between 988 centers and 911 public safety answering points, is available to 988 centers and 911 public safety answering points throughout the state, to appoint a 988 system director, and to verify interoperability between and across 911 and 988. Existing law establishes the 988 State Suicide and Behavioral Health Crisis Services Fund and provides that 988 surcharge revenue in the fund is available, upon appropriation by the Legislature, for purposes of the act. This bill would require OES to, no later than June 1, 2027, request the federal Substance Abuse and Mental Health Services Administration (SAMHSA) to enable a press 3 function for calls originating in the State of California to allow callers to dial 988 and press “3” to be automatically routed to a specialized call center. AB 1556 Haney D	Recovery residences: funding. (Amended: 4/23/2026) Existing law establishes the California Interagency Council on Homelessness to oversee the implementation of Housing First guidelines and regulations, and, among other things, identify resources, benefits, and services that can be accessed to prevent and end homelessness in California. Existing law requires a state agency or department that funds, implements, or administers a state program that provides housing or housing-related services to people experiencing homelessness or who are at risk of homelessness to revise or adopt guidelines and regulations to include enumerated Housing First policies. Existing law specifies the core components of Housing First, including services that are informed by a harm-reduction philosophy that recognizes drug and alcohol use and addiction as a part of tenants’ lives and where tenants are engaged in nonjudgmental communication regarding drug and alcohol use. This bill would require a recovery residence, defined as a residence that, among other things, satisfies the core components of Housing First as described above, to meet specified requirements in order to be eligible for state funding, including that residency is initiated by the resident and	4. Support if Amended

	the resident is additionally offered at least one harm-reduction housing placement option, relapse is not cause for eviction and residents receive relapse support. Status: 5/18/2026 - Read second time. Ordered to third reading. Hearing: 5/21/2026 #78 ASSEMBLY THIRD READING FILE - ASSEMBLY BILLS	
AB 1579 Ramos D	Children's Crisis Continuum Pilot Program. (Amended: 4/29/2026) Existing law requires the State Department of Social Services, jointly with the State Department of Health Care Services (DHCS), to establish the Children's Crisis Continuum Pilot Program. Existing law requires the department, jointly with DHCS, to award grants under the pilot program and requires participating entities to develop a highly integrated continuum of care for the foster youth served in the pilot program. Under existing law, that continuum of care is required to include certain components, including, among others, a crisis residential program that is operated in accordance with all statutes and regulations governing its licensure category. Existing law requires the department, jointly with DHCS, by April 1, 2027, to submit an interim report on the pilot program to the report to the Assembly Committee on Human Services and the Senate Committee on Human Services. This bill would authorize a participating entity that does not have a crisis residential program as a part of its continuum of care to satisfy the requirement to have a crisis residential program by including in its continuum of care by having a comparable residential treatment component designed to serve children and youth experiencing the highest level of acute behavioral health needs. The bill would require the comparable residential treatment component to satisfy certain requirements, including providing short-term, intensive, and highly individualized services to stabilize youth in crisis. 	California High School Coaching Education and Training Program, to be administered by school districts with an emphasis on specific components, including, among other components, sports psychology. Existing law requires every high school sports coach to complete, at their own expense, a coaching education program that meets the guidelines established by the California High School Coaching Education and Training Program. This bill would require specified trainings for coaches described in AB 1665 of the 2025–26 Regular Session to cover specified mental-health related topics, including, among other topics, trauma-informed care, as provided, and strategies of creating a positive team culture, as provided. Status: 5/14/2026 - Read third time. Passed. Ordered to the Senate. (Ayes 77. Noes 0.) In Senate. Read first time. To Com. on RLS. for assignment.	
AB 1660 Schiavo D	Public guardians and public administrators. (Amended: 4/9/2026) Existing law requires a financial institution or other person, without inquiring into the truth of the written certification and without court order or letters being issued, to provide the public guardian or public conservator with specified information and to take specified actions. Existing law sets forth provisions for the calculation of the amount of CalWORKs aid eligible to a household based in part on the size of the assistance unit. Under existing law and CalWORKs rules, aid is not affected for a member of the assistance unit who is temporarily absent from the home, and a child who is a patient in a public or private hospital for medical or surgical care is considered temporarily absent from the home for the duration of the hospital stay. Under this bill, a child or other member of the assistance unit who is unlawfully detained in a federal immigration detention facility would be considered temporarily absent from the home for the duration of the detention. Under the bill, the member would be deemed to be unlawfully detained if a report of misconduct by federal agents is submitted to the California Attorney General. The bill would require a county human services agency, upon request, to inform and provide notice to an applicant or recipient household on how to submit that report. The bill would make related legislative findings. This bill would authorize a court to award sanctions of no less than \$1,000 per violation for fees paid and costs incurred for failure of a financial institution, government or private agency, retirement fund administrator, insurance company, licensed securities dealer, or other person, as specified, to comply with these requirements. (Amended: 4/29/2026) Existing law requires that, as a condition of parole, a prisoner who has a severe mental health disorder be treated by the State Department of State Hospitals if the prisoner meets certain requirements, including, among others, that the person in charge of treating the prisoner and a practicing psychiatrist or psychologist from the State	8. Watch

	Department of State Hospitals have evaluated the prisoner and that a chief psychiatrist of the Department of Corrections and Rehabilitation certify to the Board of Parole Hearings that by reason of the prisoner's severe mental health disorder, the prisoner represents a substantial danger of physical harm to others. Existing law allows a prisoner to request a hearing before the Board of Parole Hearings for the purpose of proving that the prisoner meets the criteria to be treated by the State Department of State Hospitals. Existing law allows a prisoner who disagrees with the determination of the Board of Parole Hearings to file a petition in court in the county in which the prisoner is incarcerated or is being treated for a hearing on whether they met the criteria. This bill would require that the prisoner undergo the Historical Clinical Risk Management-20, Version 3 assessment, as specified, and would instead allow a prisoner to file a petition in court in the county of commitment to state prison. Status: 5/18/2026 - Read second time. Ordered to third reading. Hearing: 5/21/2026 #173 ASSEMBLY THIRD READING FILE - ASSEMBLY BILLS	
AB 1899 Caloza D	Office of Youth Homelessness Prevention. (Amended: 5/18/2026) Existing law, the Governor's Reorganization Plan No. 1 of 2025, beginning July 1, 2026, eliminates the Business, Consumer Services, and Housing Agency and instead establishes the Business and Consumer Services Agency and the California Housing and Homelessness Agency. The plan also, among other things, establishes the California Interagency Council on Homelessness as an independent entity within the California Housing and Homelessness Agency and renames the existing council as the California Interagency Executive Council on Homelessness, which it establishes within the California Interagency Council on Homelessness. Existing law requires the Interagency Council on Homelessness to set and measure progress toward goals to prevent and end homelessness among youth in California by setting specific, measurable goals aimed at preventing and ending homelessness among youth in the state, as provided. This bill would establish within the California Interagency Council on Homelessness the Office of Youth Homelessness Prevention (office), with the mission of reducing youth homelessness in the state to functional zero, defined as the condition in which the number of youth experiencing homelessness does not exceed the capacity to provide youth with permanent housing. Status: 5/18/2026 - Read second time. Ordered to third reading. Read third time and amended. Ordered to third reading. Hearing: 5/21/2026 #174 ASSEMBLY THIRD READING FILE - ASSEMBLY BILLS	8. Watch
AB 1902 Pellerin D	Secure youth treatment facilities. (Amended: 4/20/2026) Existing law requires a probation department to request that the prosecuting attorney petition the committing court for an order directing that a person confined in a secure youth treatment facility remain subject to the control of the department at the time of discharge if the person confined is determined to be physically dangerous to the public because of the person's mental or physical condition, disorder, or other problem that causes the person to have serious difficulty controlling their dangerous behavior. Existing law establishes the process for the petition, probable cause hearing, trial, continued detention, and appeal pursuant to this provision. Under existing law, if an order for continued detention is made pursuant to these provisions, the probation department has continued control over the person, except as specified, and existing law requires the department to, within 2 years after the date of the order made by a juvenile court or after conviction in criminal proceedings, file a new application for continued detention if continued detention is deemed necessary. This bill would require, if a petition is filed pursuant to these provisions, that the person who is the subject of the petition remain in custody in a secure youth treatment facility, state mental health hospital, or other appropriate adult institution until the conclusion of the proceedings. The bill would prohibit a probable cause hearing pursuant to these provisions from being continued, except upon a showing of good cause by the party requesting the continuance. The bill would also authorize the court to base the finding of probable cause on certain hearsay statements, as specified. The bill would require the person be brought to trial within 60 days from the probable cause determination, unless good cause to the contrary is shown, the person enters a waiver, or the person requests or consents to the setting of the trial date beyond the 60-day period. The bill would require the court, if the court or jury finds that	Internal Watch

	the person has a mental condition or disorder, to determine a period of continued detention, as specified. Status: 5/18/2026 - Read second time. Ordered to third reading. Hearing: 5/21/2026 #175 ASSEMBLY THIRD READING FILE - ASSEMBLY BILLS	
AB 1924 Gabriel D	Statewide homelessness prevention strategy. (Amended: 3/9/2026) Existing law establishes the Department of Housing and Community Development and requires the department to oversee and implement various housing programs. Existing law establishes various programs to prevent homelessness or assist persons experiencing homelessness, including the No Place Like Home Program and the Homeless Housing, Assistance, and Prevention program. This bill would require the department, by July 1, 2027, to develop and publicly issue a statewide homelessness prevention strategy that includes specified elements, including a homelessness prevention action plan for certain state agencies and evidence-based model homeless prevention practices, as specified. Status: 5/18/2026 - Read second time. Ordered to third reading. Hearing: 5/21/2026 #181 ASSEMBLY THIRD READING FILE - ASSEMBLY BILLS	8. Watch
AB 1970 Harabedian D	Health care coverage: mental health or substance use disorders. (Amended: 3/24/2026) Existing law authorizes health care service plans and health insurers that cover prescription drugs to utilize reasonable medical management practices, including prior authorization and step therapy, consistent with applicable law. This bill would prohibit a health care service plan contract or a health insurance policy that is issued, amended, or renewed on or after January 1, 2027, from imposing step therapy as a prerequisite to authorizing coverage of any prescription drug used for the treatment of a serious mental illness or substance use disorder, as those terms are defined. The bill would specify that the prohibition on step therapy does not apply when the United States Food and Drug Administration-labeled indications and usage of a drug indicate that some prior medication must be taken. Because a willful violation of this provision by a health care service plan would be a crime, the bill would impose a state-mandated local program. Status: 5/18/2026 - Read third time. Passed. Ordered to the Senate. (Ayes 69. Noes 0.) In Senate. Read first time. To Com. on RLS. for assignment.	8. Watch
AB 1988 Pellerin D	Companion chatbots: crisis interruption pauses. (Amended: 4/14/2026) Existing law requires, among other things related to ensuring the safety of companion chatbots, an operator to prevent a companion chatbot on its companion chatbot platform from engaging with users unless the operator maintains a protocol for preventing the production of suicidal ideation, suicide, or self-harm content to the user, as specified. This bill, the Preventing AI User Self Endangerment (PAUSE) Act, would require an operator to adopt and make publicly available a policy governing its protocol for identifying and responding to credible crisis expressions and, for each companion chatbot an operator makes available to users in this state, implement a system for monitoring and detecting credible crisis expressions in user conversations with companion chatbots. The bill would require, if the monitoring system detects a credible crisis expression, the operator to take certain actions, including commence a crisis interruption pause, as specified. The bill would define "credible crisis expression" to mean a statement by a user of a companion chatbot that reasonably indicates, as determined through contextual analysis rather than keyword detection alone, intent to harm the user or others. AB 2011 Hart D	Nonquantitative treatment limitations. (Introduced: 2/17/2026) Current federal law, the federal Paul Wellstone and Pete Domenici Mental Health Parity and Addiction Equity Act of 2008 (MHPAEA), requires group health plans and health insurance issuers that provide both medical and surgical benefits and mental health or substance use disorder benefits to ensure that financial requirements and treatment limitations applicable to mental health or substance use disorder benefits are no more restrictive than the predominant requirements or limitations applied to substantially all medical and surgical benefits. Current state law requires every health care service plan and disability insurance policy issued, amended, or renewed on or after January 1, 2021, that provides hospital, medical, or surgical coverage to provide coverage for medically necessary treatment of mental health and substance use disorders under the same terms and conditions applied to other medical conditions, as specified. This bill would prohibit a health care service plan or insurer from relying upon discriminatory factors or evidentiary standards to design a nonquantitative treatment limitation (NQTL) to be imposed on mental health or substance use disorder benefits, as specified. To ensure that an NQTL applicable to mental health or substance use disorder benefits in a classification is no more restrictive than the predominant NQTL applied to substantially all medical/surgical benefits in the classification, the bill would require a health care service plan or insurer to collect and evaluate relevant data to assess the impact of the NQTL on outcomes related to access to mental health and substance use disorder benefits and medical/surgical benefits. The bill would require specified health care service plans or insurers to perform and document comparative analyses of the design and application of each NQTL applicable to mental health or substance use disorder benefits in accordance with prescribed requirements and submit the analyses to the respective departments by January 1, 2027, and annually thereafter. Status: 5/6/2026 - Referred to Com. on HEALTH.	5. Support AB 2011 Asm. Health Letter

AB 2108 Sharp-Collins D	Diversion: retail theft. (Amended: 4/20/2026) Existing law, until January 1, 2031, authorizes a city or county prosecuting attorney or county probation department to create a diversion or deferred entry of judgment program for persons who commit a theft offense or repeat theft offenses. Existing law requires the prosecuting attorney in a participating county to either refer the case to the county probation department to conduct a prefiling investigation report and determine the appropriateness of program placement or, if the prosecuting attorney's office operates the program, determine if the case is appropriate for referral. Existing law requires the county probation department or prosecuting attorney's office to consider certain factors for referral, including, among others, whether the person has a violent or serious prior criminal record or has previously been referred to a diversion program and failed that program. This bill would require the prosecutor or county probation department, for certain theft offenses, including shoplifting and vandalism, to determine whether, based on certain criteria, specified defendants are eligible for a theft diversion program. The bill would require the prosecuting attorney to review their file for certain factors, including whether the offense charged involved a crime of violence or threatened violence and, if the defendant is eligible, would require the attorney to file a declaration or state for the record the grounds for the determination of the defendant's eligibility. 	statute that becomes effective only when approved by the voters. This bill would include a new standard that, as part of the treatment court program, a drug addiction expert, as defined, conducts a substance abuse and mental health evaluation of the defendant, and submits the report to the court and the parties. The bill would remove the requirement that the Judicial Council revise the standards of judicial administration. The bill would require that a treatment program that complies with existing judicial standards be offered to a person that is eligible for treatment pursuant to the Treatment-Mandated Felony Act. By requiring the court to implement a treatment program that complies with existing judicial standards, the bill would amend that initiative statute. Status: 7/15/2025 - July 15 hearing postponed by committee.	SB 28 Supp. if Amended Letter to S. PS SB 28 Fact Sheet
SB 329 Blakespear D	Alcohol and drug recovery or treatment facilities: investigations. (Amended: 3/28/2025) Current law provides for the licensure and regulation of alcohol or other drug recovery or treatment facilities by the State Department of Health Care Services. Current law prohibits operating an alcohol or other drug recovery or treatment facility to provide recovery, treatment, or detoxification services within this state without first obtaining a current valid license. If a facility is alleged to be providing those services without a license, existing law requires the department to conduct a site visit to investigate the allegation. Current law also authorizes the department to conduct announced or unannounced site visits to licensed facilities for the purpose of reviewing them for compliance, as specified. This bill would require the department to assign a complaint under its jurisdiction regarding an alcohol or other drug recovery or treatment facility to an analyst for investigation within 10 days of receiving the complaint. If the department receives a complaint that does not fall under its jurisdiction, the bill would require the department to notify the complainant, in writing, that it does not investigate that type of complaint. Status: 8/28/2025 - Failed Deadline pursuant to Rule 61(a)(11). (Last location was APPR. SUSPENSE FILE on 7/2/2025)(May be acted upon Jan 2026)	3. Oppose Unless Amended SB 329 Fact Sheets
SB 363 Wiener D	Health care coverage: independent medical review. (Amended: 7/17/2025) Current law provides for the regulation of health insurers by the Department of Insurance. Existing law establishes the Independent Medical Review System within each department, under which an enrollee or insured may seek review if a health care service has been denied, modified, or delayed by a health care service plan or health insurer and the enrollee or insured has previously filed a grievance that remains unresolved after 30 days. This bill would require a health care service plan or health insurer to annually report to the appropriate department the total number of claims processed by the health care service plan or health insurer for the prior year and its number of treatment denials or modifications, separated and disaggregated as specified, commencing on or before June 1, 2026. The bill would require the departments to compare the number of a health care service plan's or health insurer's treatment denials and modifications to (1) the number of successful independent medical review overturns of the plan's or insurer's treatment denials or modifications and (2) the number of treatment denials or modifications reversed by a plan or insurer after an independent medical review for the denial or modification is requested, filed, or applied for. For a health care service plan or health insurer with 10 or more independent medical reviews in a given year, the bill would make the health care service plan or health insurer liable for an administrative penalty, as specified, if more than 50% of the independent medical reviews filed with a health care service plan or health insurer result in an overturning or reversal of a treatment denial or modification in any one individual category of specified general types of care. Status: 8/29/2025 - Failed Deadline pursuant to Rule 61(a)(11). (Last location was APPR. SUSPENSE FILE on 8/20/2025)(May be acted upon Jan 2026)	8. Watch SB 363 Fact Sheet
SB 417 Cabaldon D	The Affordable Housing Bond Act of 2026. (Amended: 1/22/2026) Under existing law, there are programs providing assistance for, among other things, emergency housing, multifamily housing, farmworker housing, home ownership for very low and low-income households, and downpayment assistance for first-time home buyers. Existing law also authorizes the issuance of bonds in specified amounts pursuant to the State	8. Watch

	General Obligation Bond Law and requires that proceeds from the sale of these bonds be used to finance various existing housing programs, capital outlay related to infill development, brownfield cleanup that promotes infill development, and housing-related parks. This bill would enact the Affordable Housing Bond Act of 2026, which, if adopted, would authorize the issuance of bonds in the amount of \$10,000,000,000 pursuant to the State General Obligation Bond Law. Proceeds from the sale of these bonds would be used to finance programs to fund affordable rental housing and home ownership programs, including, among others, the Multifamily Housing Program, the CalHome Program, and the Joe Serna, Jr. Farmworker Housing Grant Program. Status: 5/18/2026 - Read second time. Ordered to third reading. Hearing: 5/21/2026 #544 ASSEMBLY THIRD READING FILE - SENATE BILLS	
SB 479 Arreguin D	Homeless adult and family multidisciplinary personnel teams. (Amended: 1/5/2026) Current law authorizes a county to establish a homeless adult and family multidisciplinary personnel team with the goal of facilitating the expedited identification, assessment, and linkage of homeless individuals to housing and supportive services within that county, and to allow provider agencies and members of the personnel team to share confidential information for the purpose of coordinating housing and supportive services to ensure continuity of care. Current law requires the sharing of confidential information to be governed by protocols developed in each county describing how and what information may be shared by the homeless adult and family multidisciplinary personnel team, and requires each county to provide a copy of its protocols to the State Department of Social Services. This bill would additionally authorize a city that is designated as a local health jurisdiction to similarly establish a homeless adult and family multidisciplinary personnel team. Status: 5/11/2026 - Referred to Com. on HUM. S.	Internal Watch SB 479 Fact Sheet
SB 490 Umberg D	Alcohol and drug programs. (Amended: 1/5/2026) Current law provides for the licensure and regulation of adult alcohol or other drug recovery or treatment facilities by the State Department of Public Health and prohibits the operation of one of those facilities without a current valid license. Current law requires the department, if a facility is alleged to be in violation of that prohibition, to conduct a site visit to investigate the allegation. Current law requires, if the department's employee or agent finds evidence that the facility is providing services without a license, the employee or agent to take specified actions, including, among others, submitting the findings of the investigation to the department and issuing a written notice to the facility that includes the date by which the facility is required to cease providing services. Current law establishes the Medi-Cal program, which is administered by the State Department of Health Care Services and under which qualified low-income individuals receive health care services, through fee-for-service or managed care delivery systems. The Medi-Cal program is, in part, governed and funded by federal Medicaid program provisions. Current law establishes the Drug Medi-Cal Treatment Program (Drug Medi-Cal) and authorizes the department to enter into a Drug Medi-Cal contract with each county for the provision of alcohol and drug use services within the county service area. This bill would require the department, if it determines it has jurisdiction over the allegation, to initiate that investigation within 10 days of receiving the allegation and, except as specified, complete the investigation within 60 days of initiating the investigation. The bill would require the department, if it receives a complaint that does not fall under its jurisdiction, to notify the complainant that it does not investigate that type of complaint. The bill would require the employee or agent to provide the notice described above within 10 days of the employee or agency submitting their findings to the department and to conduct a followup site visit to determine whether the facility has ceased providing services as required. SB 492 Menjivar D	Youth Housing Bond Act of 2026. (Amended: 1/22/2026) The Veterans and Affordable Housing Bond Act of 2018 authorizes the issuance of bonds in the amount of \$4,000,000,000 pursuant to the State General	8. Watch

	Obligation Bond Law and requires the proceeds from the sale of these bonds to be used to finance various housing programs and a specified program for farm, home, and mobilehome purchase assistance for veterans, as provided. Current law establishes, among various other programs intended to address homelessness in this state, the Homeless Housing, Assistance, and Prevention program for the purpose of providing jurisdictions with one-time grant funds to support regional coordination and expand or develop local capacity to address their immediate homelessness challenges informed by a best-practices framework focused on moving homeless individuals and families into permanent housing and supporting the efforts of those individuals and families to maintain their permanent housing. This bill would enact the Youth Housing Bond Act of 2026 (bond act), which, if adopted, would authorize the issuance of bonds in the amount of \$1,000,000,000 pursuant to the State General Obligation Bond Law to finance the Youth Housing Program, established as part of the bond act. The bill, as a part of the program, would require the Department of Housing and Community Development to make awards to local agencies, nonprofit organizations, and joint ventures for the purpose of acquiring, renovating, constructing, and purchasing equipment for youth centers or youth housing, as those terms are defined. Status: 5/4/2026 - Referred to Com. on H. & C.D.	SB 492 Fact Sheet
SB 569 Blakespear D	Department of Transportation: homeless encampments. (Amended: 4/21/2025) Current law authorizes the Department of Transportation to establish maintenance programs related to highway cleanup, as specified. This bill would require the department to establish a dedicated liaison to, among other things, facilitate communication with local governments and relevant state agencies with regard to addressing homeless encampments within the state highway system and to oversee the development and implementation of delegated maintenance agreements between local agencies and the department in which both work together to reduce and remove homeless encampments within the department's jurisdiction. The bill would authorize the department to grant a single general entry permit for the duration of a delegated maintenance agreement to conduct activities authorized by the bill. The bill would require the department to submit an annual report to the Legislature summarizing specified information and recommendations regarding homeless encampments. Status: 7/17/2025 - Failed Deadline pursuant to Rule 61(a)(10). (Last location was TRANS. on 6/16/2025) (May be acted upon Jan 2026)	Internal Watch
SB 758 Umberg D	Public health: nitrous oxide. (Amended: 1/22/2026) The Cigarette and Tobacco Products Licensing Act of 2003 requires a retailer, as defined, to hold a license from the California Department of Tax and Fee Administration to engage in the sale of cigarettes or tobacco products. A violation of these provisions is a misdemeanor. This bill would expand those provisions to prohibit a retailer from selling nitrous oxide in any retail location, subject to certain exceptions. Status: 1/27/2026 - Read third time. Passed. (Ayes 40. Noes 0.) Ordered to the Assembly. In Assembly. Read first time. Held at Desk.	Internal Watch
SB 802 Ashby D	Housing finance and development: Sacramento Area Housing and Homelessness Agency: Multifamily Housing Program: Homekey: Homeless Housing, Assistance, and Prevention program. (Amended: 4/30/2026) The Joint Exercise of Powers Act authorizes 2 or more public agencies, by agreement, to form a joint powers authority to exercise any power common to the contracting parties, as specified. Existing law authorizes the agreement to set forth the manner by which the joint powers authority will be exercised. This bill would require that the joint powers authority currently operating as the Sacramento Housing and Redevelopment Agency be restructured, expanded, amended, and renamed as the Sacramento Area Housing and Homelessness Agency, as provided. The bill would require the agency to include the County of Sacramento and qualified local agencies, as specified and defined, and would make the agency the regional authority for prescribed activities, including developing and preserving affordable housing and coordinating and administering homelessness prevention and response services. The bill would require the updated joint	Internal Watch

	powers agreement to provide for a governing board and an executive director, as provided. The bill would require the agency to adopt a comprehensive strategic plan to address housing and homelessness no later than 3 years from the date the restructured joint powers agreement takes effect. The bill would also require the agency to establish and maintain a standing advisory board, as provided. Status: 4/30/2026 - From committee with author's amendments. Read second time and amended. SB 866 Blakespear D	Planning and zoning: housing element: unhoused population. (Amended: 4/28/2026) The Planning and Zoning Law requires a city or county to adopt a general plan for land use development that includes, among other things, a housing element. Existing law requires the housing element to include, among other things, an assessment of housing needs and an inventory of resources and constraints that are relevant to meeting these needs. Existing law establishes the Homeless Housing, Assistance, and Prevention (HHAP) program for the purpose of providing jurisdictions with grant funds to support regional coordination and expand or develop local capacity to address their immediate homelessness challenges, as specified. Existing law provides for the allocation of funding under the program among continuums of care, cities, counties, and tribes in 6 rounds, with rounds 1 to 5, inclusive, administered by the Interagency Council on Homelessness and round 6 administered by the Department of Housing and Community Development, as provided. Existing law establishes round 7 of the program and states the intent of the Legislature to enact future legislation that specifies the parameters, as specified. For a local government that does not receive HHAP funding, this bill would require the assessment to include, among other things, specified data regarding the population of individuals who are unhoused and a description of key actions that will be taken to reduce individuals who are unhoused based on the data. By imposing additional duties on local governments, this bill would impose a state-mandated local program. Status: 5/14/2026 - From committee: Do pass. (Ayes 5. Noes 2.) (May 14). Read second time. SB 903 Padilla D	Mental health professionals: artificial intelligence. (Amended: 4/7/2026) Existing law establishes various healing arts boards within the Department of Consumer Affairs that license and regulate various healing arts licensees. Existing laws, including the Licensed Marriage and Family Therapist Act, the Educational Psychologist Practice Act, the Clinical Social Worker Practice Act, and the Licensed Professional Clinical Counselor Act, make a violation of those acts a crime. Existing law regulates the use of artificial intelligence, as defined. Existing law requires a health facility, clinic, physician's office, or office of a group practice that uses generative artificial intelligence to generate written or verbal patient communications	5. Support

	pertaining to patient clinical information to ensure those communications include a disclaimer that indicates to the patient that a communication was generated by artificial intelligence and instructions describing how a patient may contact a human health care provider, employee, or other appropriate person. This bill would regulate the use of artificial intelligence by licensed professionals providing psychotherapy services, as defined. The bill, among other things, would prohibit an individual, corporation, or entity from using artificial intelligence to record or transcribe psychotherapeutic communications or sessions or to triage or screen a person for the need for psychotherapy services unless the patient or their authorized representative is informed that artificial intelligence will be used and provides consent, as specified. The bill would prohibit a licensed professional from allowing artificial intelligence to perform certain acts, including making independent therapeutic decisions or detecting emotions or mental states. Status: 5/19/2026 - Read third time. Passed. (Ayes 39. Noes 0.) Ordered to the Assembly.	
SB 936 Blakespear D	Nitrous oxide: sales. (Amended: 5/18/2026) This bill would, except as specifically exempted, prohibit the sale and distribution of a nitrous oxide container that is capable of holding more than 8 grams of nitrous oxide or from which an individual may directly inhale nitrous oxide. The bill would also prohibit the sale and distribution of a nitrous oxide that has, or is marketed as having, the taste or smell of any food. The bill would prohibit knowingly selling or distributing a device that allows an individual to inhale nitrous oxide from the container or hold nitrous oxide for the purposes of inhalation. The bill would punish a violation of these provisions as an infraction, as specified. The bill would also authorize a court to suspend the business license, including a license to sell tobacco products, if the business has a prior conviction for violating these prohibitions. This bill contains other related provisions and other existing laws. Status: 5/19/2026 - Read second time. Ordered to third reading. SB 942 Caballero D	Civil confinement facilities. (Amended: 5/19/2026) Existing law prohibits a city, city and county, or local law enforcement agency from entering into a contract with the federal government or any federal agency to house or detain noncitizens for purposes of civil immigration custody in a locked detention facility. Existing law, until July 1, 2027, requires the Attorney General to engage in reviews of county, local, and private locked detention facilities in which noncitizens are being housed or detained for purposes of civil immigration proceedings in California. Existing law requires that review to include a review of the conditions of confinement, a review of the standard of care and due process provided to the detainees, and a review of the circumstances around their apprehension and transfer to the facility. Existing law requires any private detention facility operator, as defined, to comply with, and adhere to, the detention standards of care and confinement agreed upon in the facility's contract for operations. This bill, the Private Detention and Civil Confinement Facility Oversight and Standards Act of 2026, would require a covered civil confinement facility, defined to include private detention facilities and specified mental health treatment facilities, unless otherwise licensed, certified, designated, or approved under state law or local ordinance, to file an annual registration with the State Department of Public Health and identify specified information about the facility, including, among other things, the contracting entity and the standards of care and confinement in the facility's operating contract. The bill would require the department to adopt rules and regulations to enforce the above-described requirement. Status: 5/19/2026 - Read third time and amended. Ordered to second reading. SB 947 McNerney D	Employment: automated decision systems. (Amended: 5/14/2026) Existing law requires the Department of Technology to conduct, in coordination with other interagency bodies as it deems appropriate, a comprehensive inventory of all high-risk automated decision systems (ADS) that have been proposed for use, development, or procurement by, or are being used, developed, or procured by, any state agency. Existing law	8. Watch

	establishes the Labor and Workforce Development Agency, which is composed of various departments responsible for protecting and promoting the rights and interests of workers in California, including the Division of Labor Standards Enforcement, led by the Labor Commissioner, within the Department of Industrial Relations. This bill would prohibit an employer, as defined, from using an ADS to perform certain functions and would limit the purposes for and way in which an ADS may be used. The bill would authorize a worker to request, and require an employer to provide, a copy of the most recent 12 months of the worker's own data primarily used by an ADS to make a disciplinary, termination, or deactivation decision, as specified. The bill would require an employer that primarily relied upon an ADS to make a disciplinary, termination, or deactivation decision to provide the affected worker with a written postuse notice, as specified. This bill would prohibit an employer from discharging, threatening to discharge, demoting, suspending, or in any manner discriminating or retaliating against any worker for taking certain actions asserting their rights under the bill. Status: 5/19/2026 - Read third time. Passed. (Ayes 29. Noes 9.) Ordered to the Assembly.	
SB 989 Blakespear D	Community Assistance, Recovery, and Empowerment (CARE) Court Program. (Amended: 5/14/2026) The Community Assistance, Recovery, and Empowerment (CARE) Act authorizes specified persons, including a person with whom the respondent resides, family members, and first responders, among others, to petition a civil court to create a voluntary CARE agreement or a court-ordered CARE plan and implement services, to be provided by county behavioral health agencies, to provide behavioral health care, including stabilization medication, housing, and other enumerated services, to adults who are currently experiencing a severe mental illness and have a diagnosis identified in the disorder class schizophrenia and other psychotic disorders, and who meet other specified criteria. This bill would authorize a first responder to contact the county behavioral health agency in the county in which the individual resides or is found to request the agency file a petition to commence the CARE process. The bill would require the agency to review the request and determine whether to file a petition within 30 business days. The bill would require the agency, upon completion of the review, to notify the first responder that made the referral of specified information, including whether or not a petition was filed. Because the bill would require a higher level of service from county agencies, this bill would create a state-mandated local program Status: 5/18/2026 - Read second time. Ordered to third reading. SB 1242 Choi R	Community Assistance, Recovery, and Empowerment (CARE) Court Program. (Amended: 4/20/2026) Existing law, the Community Assistance, Recovery, and Empowerment (CARE) Act, authorizes specified adult	10. Watch w/ TA

	persons to petition a civil court to create a voluntary CARE agreement or a court-ordered CARE plan and implement services, to be provided by county behavioral health agencies, to provide behavioral health care, including stabilization medication, housing, and other enumerated services, to adults who are currently experiencing a severe mental illness and have a diagnosis identified in the disorder class schizophrenia and other psychotic disorders, and who meet other specified criteria. Existing law authorizes specified individuals to file a petition to commence the CARE process, including, but not limited to, a spouse, parent, sibling, child, grandparent, or an individual who stands in loco parentis to the respondent. Existing law requires the court to issue an order relieving the original petitioner if the petitioner is someone other than the director of a county behavioral health agency or their designee and appoint the director or their designee as the successor petitioner. Existing law requires the original petitioner to have specified rights to notice of proceedings if the petitioner is a parent or specified family member or the person with whom the respondent resides. Existing law authorizes the court to allow the original petitioner to participate in the respondent's CARE proceedings to the extent the respondent consents. This bill, if the original petitioner is a parent or specified family member, would require the court to allow the original petitioner to participate in the respondent's CARE program for the purpose of assisting in care coordination and providing relevant information to the CARE team, unless the court determines, on its own motion or on motion of the respondent, at any point in the proceedings, that it would likely be detrimental to the treatment or well-being of the respondent. Status: 5/19/2026 - In Assembly. Read first time. Held at Desk.	SB 1242 Fact Sheet
SB 1373 Grove R	Mental health diversion. (Amended: 4/15/2026) Existing law authorizes the court to grant pretrial diversion to a defendant diagnosed with a mental disorder if the defendant satisfies certain eligibility requirements and if the court determines that the defendant is suitable for diversion. Existing law provides that a defendant is eligible for diversion if they have been diagnosed with certain mental disorders and the court finds that the mental disorder was a significant factor in the commission of the charged offense, unless there is clear and convincing evidence that the disorder was not a motivating, causal, or contributing factor to the defendant's involvement in the alleged offense. Existing law excludes a defendant from diversion for specified charged offenses, including, among others, murder, voluntary manslaughter, rape, or continuous sexual abuse of a child, as specified. The bill would instead make the defendant suitable for diversion if they do not pose a substantial and undue risk to the physical safety of another person and would add to the list of things the court may specifically consider in making that determination, including the defendant's prior history in a pretrial diversion plan and the severity of injury to the victim. SB 1401 Stern D	Criminal procedure: competence to stand trial. (Introduced: 2/20/2026) Existing law prohibits a person from being tried or adjudged to punishment while that person is mentally incompetent. Existing law requires the court to, for a person found mentally incompetent and not charged with certain felony offenses, among other things, determine whether restoring the person to mental competence is in the interests of justice. Existing law requires the court to, if restoring the person to mental competence is not in the interests of justice, conduct a hearing, as specified, and determine the person's eligibility for diversion. Under existing law, if the court determines that the person is ineligible or unsuitable for diversion, the court is authorized to hold a hearing to determine the person's other options, including referral to assisted outpatient treatment, county conservatorship, and the CARE program. Existing law requires a person's charges to be dismissed if the person is accepted into assisted outpatient treatment or the CARE program or upon a filing of either a temporary or permanent conservatorship petition. This bill would authorize a county behavioral health agency and jail medical provider to share confidential medical records and other relevant information with the court for the purpose of determining likelihood of eligibility for behavioral health services and programs pursuant to the above provisions. The bill would exempt from the requirement to dismiss charges instances where the	10. Watch w/ TA SB 1401 Fact Sheet

person's case has been referred back to the court within certain time periods. This bill contains other related provisions and other existing laws.

Status: 5/14/2026 - From committee: Do pass. (Ayes 7. Noes 0.) (May 14). Read second time. Ordered to third reading. **Hearing: 5/20/2026 #131 SENATE SENATE BILLS -THIRD READING FILE**
