OVERVIEW

The U.S. Department of Housing and Urban Development (HUD) requires housing authorities to prepare a Public Housing Agency (PHA) Plan as a comprehensive guide to a housing authority's policies, programs, operations, and strategies for meeting local housing needs and goals. The PHA Plan consists of a Five-Year Agency Plan and an Annual Agency Plan. The Five-Year Agency Plan was approved on April 7, 2020 (HA01) and is effective through Fiscal Year (FY) 2024-25. Today's items focus on the Annual Agency Plan.

The Annual Agency Plan is required to be submitted to HUD every year. The Annual Agency Plan includes two main components - the Housing Choice Voucher Program Administrative Plan and the Public Housing Admissions and Continued Occupancy Policy. Together, these components establish the local rules and policies for the administration of the Housing Choice Voucher ("Section 8") and the Public Housing Programs.

The Housing Authority of the County of San Diego's (County Housing Authority) draft FY 2023-24 Annual Agency Plan was released for public review and comment on February 17, 2023. Today's actions will adopt a Resolution to approve the FY 2023-24 Annual Agency Plan and will authorize the Executive Director of the Housing Authority and the Board Chair to execute all required certifications and submit these documents to HUD. Additionally, a requested action is to approve the Public Housing Capital Fund Program 5-Year Action Plan for 2023-2027.

Expanding housing opportunities for families in need is a goal outlined in the Five-Year Agency Plan. A key strategy to accomplish this goal involves applying for new funding and/or vouchers. The County Housing Authority submits to HUD letters of interest and applications for new funding and/or vouchers in accordance with published Notices of Funding Opportunities, which often require or encourage certain community partnerships. Today's actions will provide broad authority to the Executive Director of the Housing Authority or Designee to apply to HUD or other entities for funding and/or vouchers and to create new or expand existing partnerships as

needed in order to expand housing opportunities for families in need. Additionally, today's actions also request authorization to financially reposition public housing units to voucher-based assistance in order to maximize revenues received from HUD, which is one of the activities proposed in the Annual Agency Plan.

Today's item supports the County of San Diego's (County) vision of a just, sustainable, and resilient future for all, specifically those communities and populations in San Diego County that have been historically left behind, as well as our ongoing commitment to the regional *Live Well San Diego* vision of healthy, safe, and thriving communities. In addition, this item supports the County's Framework for Ending Homelessness by administering programs according to the PHA Plan which currently provides affordable housing opportunities for approximately 11,000 low-income households in the County Housing Authority's jurisdiction.

RECOMMENDATION(S)

EQUITY IMPACT STATEMENT

The Housing Authority of the County of San Diego (County Housing Authority) administers various rental assistance programs funded by the U.S. Department of Housing and Urban Development (HUD) intended to assist very low-income households to afford decent, safe, and sanitary housing in the private market. As mandated by federal regulations, at least 75% of applicants must qualify as an extremely low-income family earning 30% of the area median income or less (\$31,250 for a family of two and/or \$39,050 for a family of four in 2022) and the remaining applicants must not exceed the low-income threshold of 50% of the area median income or less (\$52,050 for a family of two and/or \$65,050 for a family of four).

The Housing Authority has established local preferences for waiting list applicants to ensure the most vulnerable populations receive priority for assistance. To ensure equitable access for communities who have historically suffered from inequalities and inequities, the County Housing Authority gives priority to applicants who have one or more of the following members in the household: working applicant, elderly person, disabled person, dependent children, homeless applicant, veteran, or surviving spouse of veteran. As of February 2023, the participant distribution includes:

Household Overview*:

- 44% are elderly and/or disabled single tenants
- 12% are single parents with children in the household
- 40% have children in the household
- 66% have a head or spouse who is either elderly and/or disabled

*Total does not equal 100% due to overlapping categories.

The County Housing Authority is committed to deconcentrating poverty by advancing equitable access and opportunity for assisted households to live in safe and affordable housing. Rental assistance voucher holders can select housing in areas of their choosing that best fits their needs. To expand housing opportunities for voucher holders outside areas of poverty concentration, the Housing Authority provides higher payments standards in neighborhoods with greater opportunity.

The County Housing Authority incorporates transparency and open government in development of policy and budget through presentations to the Resident Advisory Board and through the inclusion of tenant commissioners. The County Housing Authority's Public Housing Agency (PHA) Plan developed each year formalizes strategies for meeting local housing needs and goals. The PHA plan is distributed for public review and comment prior to adoption by the Housing Authority's Board of Commissioners. The County Housing Authority is continuing its commitment to transparency and open government through presentations to the Resident Advisory Board and tenant commissioners.

SUSTAINABILITY IMPACT STATEMENT

Today's actions contribute to the County of San Diego Sustainability Goal #1 of engaging the community and Goal # 2 of providing just and equitable access. Engaging the public and assisted tenants in the policy planning process creates intentional collaborative community engagement opportunities that strengthen healthy, safe and thriving communities. Resident Advisory Board meetings are held throughout the year and facilitate discussion regarding housing needs within

the community. The inclusion of tenant commissioners also brings a lived experience lens to the governing body of the County Housing Authority when approving program activities such as the Public Housing Agency Plan, the annual budget requests for funding, changes in program administration, and implementation of housing programs. These programs serve to remove barriers from low-income families seeking to live in areas of greater economic opportunity, supporting Sustainability Goal # 4 by taking steps to protect the health and well-being of everyone in the region. Equitable access to housing reduces the demand on healthcare facilities and other services which may lessen the impact of energy consumption, emissions and operational costs

FISCAL IMPACT

There is no fiscal impact associated with the recommendations. There will be no change in net General Fund costs and no additional staff years.

BUSINESS IMPACT STATEMENT

If approved, today's recommendations will have a positive impact on the business community, as rental payments made through the Housing Choice Voucher Program are made to private landlords within the jurisdiction of the Housing Authority of the County of San Diego.

Due to the lack of a quorum, this item was continued to a Special Meeting on April 11, 2023.
