2. **SUBJECT: SHERIFF – REQUEST TO EXTEND THE GROSSMONT UNION HIGH SCHOOL DISTRICT CONTRACT FOR EDUCATIONAL PROGRAMS IN SHERIFF DETENTION FACILITIES (DISTRICTS: ALL)**

OVERVIEW:

California Code of Regulations Title 15 mandates that educational services be provided to inmates. On July 18, 2006 (3), the Board of Supervisors (Board) approved a five-year agreement between the County of San Diego and the Grossmont Union High School District (GUHSD) to provide educational programs to inmates at the County's seven Sheriff detention facilities. On May 24, 2011 (2), the Board approved the renewal of the agreement through June 30, 2016. On November 17, 2015 (3), the Board also approved additional funds to cover the increased needs for the programs through June 30, 2016.

This is a request for authorization to exercise the six-month option period from July 1, 2016, through December 31, 2016 in the amount of \$350,425, in order to maintain the educational programs uninterrupted while a re-procurement is in process.

FISCAL IMPACT:

Funds for the request will be included in the Fiscal Year 2016-17 CAO Recommended Operational Plan for the Sheriff's Inmate Welfare Fund. If approved, this request will result in estimated costs of \$350,425 for Fiscal Year 2016-17. OVERVIEW:

San Diego County Administrative Code Section 66 and Board of Supervisors Policy A-112, Acceptance of Gifts and Donations, permit the acceptance of gifts by the administrative heads of each department in the County, subject to approval by the Board of Supervisors. The Honorary Deputy Sheriff’s Association (HDSA), a nonprofit community organization with a long history of supporting the Sheriff’s Department, has donated \$10,700 to cover the purchase of a German Shepherd that will be trained in protection and searches. This is a request to ratify the acceptance of the \$10,700 donation from the HDSA.

4. SUBJECT: GENERAL SERVICES – EMERGENCY REPAIRS AT THE HEALTH SERVICES COMPLEX (DISTRICT: 4)

OVERVIEW:

On February 2, 2016 (16) the Board of Supervisors ratified a construction contract and found there was a need to continue the emergency repairs at the Health Services Complex. The Board has continued to determine these repairs were necessary in subsequent board dates on March 1, 2016 (7), March 15, 2016 (6), April 12, 2016 (9) and April 26, 2016 (7). Pursuant to Public Contract Code Section 22050, and until emergency repairs are completed, the Board is required to determine at every regularly scheduled meeting that there is a need to continue the emergency action.

The damage to the facility was caused by a powerful El Niño storm that occurred on January 5, 2016, which caused a portion of the roof of the Health Services Complex to collapse, and significant flooding and interior damage in the Executive Office Suite. Immediate damage control/repair work was completed that included the stabilization and removal of roof space debris and the establishment of water containment measures to temporarily prevent a subsequent rain event from impacting the facility via the damaged area. Additionally, an inspection was conducted by a licensed structural engineer to identify damage stabilization requirements and perform an assessment of the remainder of the facility. However, in order to contain and control the damage, mitigate the risk of further damage, and ensure that regular operations for the provision of essential public services could resume as soon as possible, the emergency declaration and subsequent ratification was necessary to declare an emergency and forgo competitive solicitation. In accordance with Board of Supervisors Policy F-41, "Public Works Construction Projects" and in compliance with County Administrative Code Section 402, "Emergency Purchases," a notice to proceed for emergency construction services was issued to C.W. Driver, a construction contractor with previous County facility experience. The contractor is working to complete this project on an accelerated schedule.

This is a request, pursuant to Public Contract Code Section 22050, to find there is a need to continue the emergency repair and replacement of structural and systems damage at the Health Services Complex and to authorize continuing this work without giving notice for bids.

Additionally, the Board of Supervisors is requested to authorize the Director, Department of Purchasing and Contracting to execute a change order to Contract # 552986 for \$144,000. An analysis to ensure the long term stability of the roof and facility was conducted and concluded that changes are necessary to the scope of work. These changes increased the cost of this repair.

FISCAL IMPACT:

Funds for this request are included in the Fiscal Year 2015-16 Operational Plan in the Health and Human Services Agency. If approved, this request will result in costs and revenue of \$848,000 in Fiscal Year 2015-16. A portion of the costs are expected to be covered through proceeds from insurance claims. Health Realignment will be used to cover any unreimbursed costs as needed. There will be no change in net General Fund cost and no additional staff years.

7. SUBJECT: FISCAL YEAR 2015–16 THIRD QUARTER OPERATIONAL PLAN STATUS REPORT AND BUDGET ADJUSTMENT (DISTRICTS: ALL)

OVERVIEW:

This report summarizes the status of the County's Fiscal Year 2015–16 Operational Plan, as measured by projected year-end fund balance from current year operations. The projected year-end balance for the General Fund is \$245.1 million, and for all budgetary funds combined is \$286.2 million. In the General Fund, positive balances are projected for all five business groups. The projected fund balance reflects the conservation of management and contingency reserves and projects that General Purpose Revenue will perform better than estimated in the Fiscal Year 2015–16 Adopted Operational Plan. This letter recommends budget adjustments to make resource reallocations to fund one-time projects and for various adjustments to align the budget with anticipated actuals.

In the Public Safety Group (PSG), recommendations include appropriations adjustments in the Sheriff's Department for the High Intensity Drug Trafficking Areas (HIDTA) program, in the Jail Commissary Enterprise Fund and the Sheriff's Inmate Welfare Fund related to greater demand for telephone debit cards and for the transfer of commissary sales profits for the benefit, education and welfare of inmates, for the Next Generation 911 Telephone System, for the Jamul Indian Village Intergovernmental Agreement, for the purchase of Sheriff vehicles, for temporary staff conducting security assessments of County facilities, and for law enforcement activities based on U.S. Department of Homeland Security funding; in the Office of Emergency Services for a remodel of the Emergency Operations Center; in the San Diego Fire Authority for removal of dead, dying and diseased trees in the Descanso, Guatay, and Pine Valley areas, and for the Assistance-By-Hire program; and in the Probation Department to fund the Ohio Street facility relocation project.

The Health and Human Services Agency (HHSA) recommendation includes an appropriation adjustment in Aging & Independence Services for In-Home Supportive Services (IHSS) Public Authority related to the implementation of federal Fair Labor Standards Act regulations and office relocation costs.

In the Land Use and Environment Group (LUEG), recommendations include appropriations adjustments to fund construction modifications at Hilton Head, Rainbow Park and Steel Canyon artificial turf projects; in the Department of Parks and Recreation to purchase vehicles; to fund construction modifications for Sweetwater Regional Park Equestrian Trail Phase III; for unanticipated major maintenance improvements in the County Service Area 83 San Dieguito; in the Department of Public Works for the Bear Valley Parkway project; in the Department of Public Works Liquid Waste Equipment Acquisition Internal Service Fund (ISF) Spending Plan to purchase portable emergency generators; in the Campo Hills Water System for the removal of uranium resin at the Campo water treatment facility; and in the Department of Public Works Road Fund for the Countywide Asphalt Concrete Overlay project.

In the Community Services Group (CSG), recommendations include appropriations adjustments in the Fleet ISF Accident Repair Spending Plans for non-Sheriff and Sheriff equipment due to increase in costs related to vehicle repairs; in the Fleet Management ISF Fund Spending Plan to fund increased depreciation expenses; and in the County Successor Agency to align appropriations with approved redevelopment repayment obligations.

The Finance and General Government Group (FGG) recommendation includes an appropriation adjustment in the Clerk of the Board of Supervisors for conversion of permanent microfilm reels stored in the County vault.

In the Capital Program, recommendations include appropriations adjustments for Ramona Intergenerational Community Campus (RICC) property acquisition and various projects, for the Edgemoor Development Fund to mitigate the revenue shortfall due to delays for certain land sales, for Las Colinas Detention and Reentry Facility project, and to cancel the remaining appropriations for projects anticipated to be completed or cancelled at the end of the fiscal year in the Capital Outlay Fund and Justice Facility Construction Fund.

FISCAL IMPACT:

Funds for a portion of these requests are not included in the Fiscal Year 2015–16 Operational Plan. If approved, this action will result in a net increase in appropriations of \$2,896,582 in the General Fund. The funding sources include Operating Transfers In from the General Fund, State of California Local Revenue Fund 2011, High Intensity Drug Trafficking Areas, State of California 911 Emergency Communications Branch, U.S. Department of Homeland Security, California Department of Forestry and Fire Protection, Winterstorms 2010 Trust Fund, available prior year County Service Area 83 San Dieguito fund balance, available prior year Public Safety fund balance and available prior year General Fund fund balance.
