**SA1. SUBJECT: SET A PROTEST HEARING AND CONDUCT THE HEARING TO AMEND THE DISTRICT FEE ORDINANCE TO ESTABLISH A SEWER SERVICE RATE AND STANDBY CHARGE FOR THE HARMONY GROVE SERVICE AREA OF THE SAN DIEGO COUNTY SANITATION DISTRICT (4/22/2015 – SET HEARING; 5/6/2015 – CONDUCT HEARING; AND 5/13/2015 - CERTIFY RESULTS, ADOPT ORDINANCE) (DISTRICT: 5)**

**OVERVIEW:**

On April 22, 2015 (SA01), the Board set a Hearing for May 6, 2015 and introduced the Ordinance for further consideration and adoption on May 13, 2015.

Harmony Grove Village is an approximately 470-acre project under construction and located in the vicinity of the intersection of Harmony Grove Road and Country Club Drive, west of the City of Escondido (2009 Thomas Guide Page 1129, C-5). Standard Pacific Corp., a Delaware corporation (Standard Pacific), is the developer of Harmony Grove Village. As part of the final map approval process for Harmony Grove Village, Standard Pacific entered into a Joint Improvement Agreement with the County of San Diego that provides for the construction of the sewer facilities needed to serve the project. Once certain criteria are satisfied, as detailed in an agreement with the Developer, responsibility for the sewer facilities will be assumed by the San Diego County Sanitation District (District). At the request of the Developer, and without limiting the Developer's responsibility for the sewer facilities until final acceptance, the District agreed to take action to establish a standby charge and sewer service rate to fund operation and maintenance of the sewer facilities when the District assumes responsibility for maintenance. This will allow Standard Pacific to disclose the sewer service rate to potential home owners. Based on their current schedule, home sales may begin as early as June 2015.

To facilitate adoption of the standby charge and sewer service rate, Standard Pacific submitted a Request and Waiver to the District waiving its notice and hearing rights under Proposition 218 and asked the District to initiate proceedings to establish the rates. In response, the District had an Engineer's Report and Rate Study completed. According to the Engineer's Report and Rate Study, a single charge of up to \$65 monthly (\$780 annually) for each Equivalent Dwelling Unit (EDU), whether charged as a standby charge or sewer service rate was determined to provide sufficient revenue to support District operation and maintenance of the facilities. The rates will only be imposed after the District accepts responsibility for operation and maintenance of the facilities; however the authority to impose them will be established in advance of initial sales. Standard Pacific is required to operate and maintain the sewer facilities until the facilities are constructed and finally accepted by the District.

This Board letter details actions needed to set and hold a protest hearing; and upon conclusion of the protest hearing, assuming there is no majority protest, adopt an ordinance imposing both a sewer standby charge and sewer service rate to provide for the operation and maintenance of the sewer facilities needed to serve properties in Harmony Grove Village.

**FISCAL IMPACT:**

If approved, the requested action will result in standby charges and sewer service rates being established for the Harmony Grove service area within the San Diego County Sanitation District. The established charges and rates will not be imposed until responsibility for operation of the sewer facilities is transferred from the developer to the District. The Harmony Grove Village developer, Standard Pacific, funded the cost of the engineer's reports used to determine the sewer rates and charges for this service area. There will be no change in net General Fund costs and no additional staff years.

**BUSINESS IMPACT STATEMENT:**

N/A

**RECOMMENDATION:**

**CHIEF ADMINISTRATIVE OFFICER**

1. Conduct a public hearing to receive written protests from property owners regarding the proposed sewer standby charge and sewer service rate.
2. After the close of the public hearing, direct the Clerk of the Board to tabulate all written protests and report back to the Board on May 13, 2015, as to whether or not a majority protest was received.

If on May 6, 2015, the Board takes the actions recommended in Items 1-2 above then, on May 13, 2015:

1. Receive the report from Clerk of the Board certifying the results of the protest hearing and setting forth the Clerk's determination regarding the existence of a majority protest for the standby charge or the sewer service rate.
2. Upon the Clerk's determining that there was no majority protest for either the sewer standby charge or sewer service rate, submit for consideration and adoption (second reading) the Ordinance entitled: SAN DIEGO COUNTY SANITATION DISTRICT FEES AND CHARGES FOR THE PROVISION OF SEWER SERVICE. (4 VOTES)

**ACTION:**

ON MOTION of Director Jacob, seconded by Director Cox, the Board of Directors of the San Diego County Sanitation District closed the public hearing and continued the item to May 13, 2015 at 9:00 a.m.

AYES: Cox, Jacob, D. Roberts, Horn

ABSENT: R. Roberts

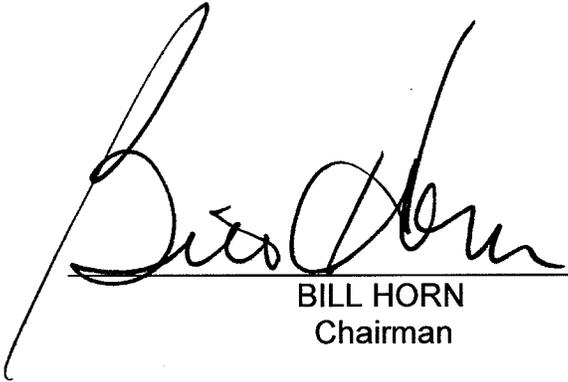

There being no further business, the Board of Directors of the San Diego County Sanitation District adjourned at 11:29 a.m.
