1. SUBJECT: ADOPT FINAL FISCAL YEAR 2023-24 ADMINISTRATIVE BUDGET FOR THE IN-HOME SUPPORTIVE SERVICES PUBLIC AUTHORITY (DISTRICTS: ALL)

OVERVIEW

On May 11, 2023 (1), the County of San Diego In-Home Supportive Services (IHSS) Public Authority's Governing Body received the recommended IHSS Public Authority's administrative budget of \$48,905,371 for Fiscal Year (FY) 2023-24 and set June 12, 2023, as the start date of public hearings for the budget. Today's action requests adoption of the FY 2023-24 final administrative budget for the IHSS Public Authority by resolution, which is required by State statute.

The County-operated IHSS program provides in-home assistance to approximately 39,000 low-income, aged, blind, and disabled individuals enabling many to remain safely in their homes, thereby reducing the need for more costly placements in nursing homes or other care facilities. The IHSS Public Authority provides a number of services to the approximately 34,000 IHSS caregivers including training, payroll services, funding for benefits, and State-mandated caregiver enrollment including criminal background checks. The IHSS Public Authority also provides registry services to IHSS recipients in need of caregivers.

This item supports the County's vision of a just, sustainable, and resilient future for all, specifically those communities and populations in San Diego County that have been historically left behind, as well as our ongoing commitment to the regional *Live Well San Diego* vision of healthy, safe and thriving communities. This will be accomplished by providing support to low-income, aged, blind, and disabled individuals enabling many to remain safely in their homes.
