1. **SUBJECT: SHERIFF LAW ENFORCEMENT CONTRACT WITH THE GROSSMONT UNION HIGH SCHOOL DISTRICT (DISTRICT: 2)**

**OVERVIEW:**

On December 8, 2009 (5), the Board of Supervisors approved a 4 ½-year law enforcement services agreement between the County of San Diego and the Grossmont Union High School District (GUHSD) for six (6) School Resource Officers (SROs). The purpose of the agreement was to decrease violence and crime on GUHSD campuses, decrease drug use and gang activity among students, improve school attendance, and improve the school's image. The contract expired June 30, 2014.

The District's Board of Education has approved the funding for six (6) SROs and has requested the Sheriff's Department to initiate an agreement to continue law enforcement services on GUHSD campuses. This request is to approve a five-year law enforcement services agreement between the County of San Diego and the Grossmont Union High School District for the period July 1, 2014, through June 30, 2019, and to waive Board Policy B-29 requirement for full cost recovery and the docketing of Revenue Contracts with the Board at least 60 days prior to the effective date of the contract.

**FISCAL IMPACT:**

Funds for this request are included in the Fiscal Year 2014-15 CAO Approved Operational Plan in the Sheriff's Department. If approved, this request will result in estimated current year costs of \$1,159,211 and revenue of \$890,908. The funding sources are revenue from the Grossmont Union High School District (\$890,908) and General Purpose Revenue (\$268,303), to cover the cost of six (6) deputies during the summer months when they are not employed as School Resource Officers. Cost and revenue amounts will be adjusted during the term of the contract for negotiated salary increases, other cost adjustments or service level changes. There will be no change in net General Fund cost and no additional staff years.

**BUSINESS IMPACT STATEMENT:**

N/A

**RECOMMENDATION:**

**SHERIFF**

1. Approve and authorize the Clerk of the Board to accept and execute, upon receipt, the five-year agreement between the County of San Diego and Grossmont Union High School District for six (6) School Resource Officers services covering the contract period of July 1, 2014 through June 30, 2019.
2. Authorize the Sheriff to execute any amendments, and/or revisions due to changes in service level that do not materially impact or alter either the program or funding level.

3. Waive Board Policy B-29 – Fees, Grants, Revenue Contracts – Department Responsibility for Cost Recovery that requires docketing Revenue Contracts with the Board at least 60 days prior to the effective date of the contract and the requirement for full Cost Recovery.

**ACTION:**

ON MOTION of Supervisor Cox, seconded by Supervisor R. Roberts, the Board took action as recommended, on Consent.

AYES: Cox, Jacob, D. Roberts, R. Roberts, Horn

2. **SUBJECT: SHERIFF – REQUEST FOR SOLE SOURCE PROCUREMENT OF COUNTYWIDE PAGING SYSTEM COMPONENTS (DISTRICTS: ALL)**

**OVERVIEW:**

The Sheriff's Department operates a countywide paging system that sends text messages to first responders. The paging system uses public safety infrastructure to ensure reliability on a daily basis and during an emergency. The existing paging system consists of three major components: the paging system controller (computer hardware and software), simulcast radio infrastructure that transmits the messages throughout the county, and the individual paging receivers. The current paging system was purchased in 2006 and the system controller has reached the end of its useful life, with the hardware and software no longer supported.

Prism Paging Systems, LLC is the only service provider that can seamlessly replace the outdated controller hardware and software without modifying the other components or adding additional components. This action requests authorization for the sole source procurement of paging system controller equipment and software from Prism Paging Systems, LLC.

**FISCAL IMPACT:**

Funds for this request are included in the Fiscal Year 2014-16 CAO Approved Operational Plan for the Sheriff's Department. If approved, this request will result in an estimated current year costs and revenue of \$170,000. The funding source is the Fire Safety Trust Fund. The Fire Safety Trust Fund was established based on a settlement to resolve litigation with San Diego Gas and Electric related to the Southern California Wildfires of 2007. There will be no change in net General Fund cost and no additional staff years.

**BUSINESS IMPACT STATEMENT:**

N/A

**RECOMMENDATION:**

**SHERIFF**

In accordance with Board Policy A-87, Competitive Procurement, approve and authorize the Director, Department of Purchasing and Contracting, to enter into negotiations with Prism Paging Systems, LLC and, subject to successful negotiations and determination of a fair and reasonable price, award a contract for the purchase of a paging system controller hardware and software along with implementation and support services, and amend the contract as needed to reflect changes to services and funding, subject to the approval of the Sheriff. Waive the advertising requirement of Board Policy A-87.

**ACTION:**

ON MOTION of Supervisor Cox, seconded by Supervisor R. Roberts, the Board took action as recommended, on Consent.

AYES: Cox, Jacob, D. Roberts, R. Roberts, Horn

3. **SUBJECT: SHERIFF – REQUEST FOR AUTHORIZATION TO PROCURE HOSPITAL INPATIENT AND OUTPATIENT SPECIALTY MEDICAL SERVICES FOR INMATES FROM THE TRI-CITY HEALTH CARE DISTRICT (DISTRICTS: ALL)**

**OVERVIEW:**

The Sheriff's Department provides comprehensive health care services to inmates in custody at all Sheriff's detention facilities as required by Title 15 of the California Code of Regulations. The Sheriff currently has a contract with University of California San Diego Medical Center (UCSD-MC) with the current option year expiring June 30, 2015 with remaining annual County options to last until June 30, 2017. This contract has been in existence since 2006 when the County's Fourth Operating Agreement with UCSD expired and necessitated the Sheriff to contract solely for inmate health care services. Under the current contract, UCSD-MC provides as-needed specialized expertise and services for the Sheriff's detention facilities, including comprehensive emergency and non-emergency inpatient and outpatient care at UCSD-MC, as well as physician's sick call and some specialty care in the detention facilities. Services include primary care, specialty care, sick call, dialysis, surgery, inpatient-outpatient hospital services, emergency and non-emergency care and case management.

There is a need to supplement the services provided by UCSD-MC due to the increased inmate population and longer incarceration periods that are a direct result of the 2011 realignment of public safety by Assembly Bill 109.

This is a request to authorize the Director of Purchasing and Contracting to negotiate with the Tri-City Health Care District for the procurement of hospital inpatient (emergency and non-emergency) and outpatient specialty medical services for inmates to supplement these same types of services provided under the UCSD-MC contract. This will create another viable option for inpatient and

outpatient hospitalization services to effectively handle the increased medical services needs of the inmate population. Pursuant to Board Policy A-87 2.C, this proposed contract is exempt from competitive procurement because Tri-City Health Care District is a governmental agency.

**FISCAL IMPACT:**

Funds for this request are included in the Fiscal Year 2014-15 Approved Operational Plan for the Sheriff's Department. If approved this request will result in current year costs and revenue of \$14,250,000 and \$15,475,000 in Fiscal Year 2015-16. The funding source is General Purpose Revenue (\$8,174,760) and revenue from the State of California, Local Revenue Fund 2011 allocated to the County Local Revenue Fund 2011, Community Corrections Subaccount (\$6,075,240). There will be no change in net General Fund cost and no additional staff years.

**BUSINESS IMPACT STATEMENT:**

N/A

**RECOMMENDATION:**

**SHERIFF**

In accordance with Board Policy A-87, Competitive Procurement, approve and authorize the Director, Department of Purchasing and Contracting, subject to negotiation and determination of fair and reasonable price, to award a contract to the Tri-City Health Care District for hospital inpatient (emergency and non-emergency) and outpatient specialty medical services for one year and five option years and an additional six months if needed, and to amend the contract as needed to reflect changes to services and funding, subject to the approval of the Sheriff. Waive the advertising requirement of Board Policy A-87.

**ACTION:**

ON MOTION of Supervisor Cox, seconded by Supervisor R. Roberts, the Board took action as recommended, on Consent.

AYES: Cox, Jacob, D. Roberts, R. Roberts, Horn

**FISCAL IMPACT:**

AYES: Cox, Jacob, D. Roberts, R. Roberts, Horn

**5. SUBJECT: SHERIFF – REQUEST FOR APPROVAL OF OUT OF COUNTRY TRAVEL (DISTRICTS: ALL)**

**OVERVIEW:**

In accordance with Board of Supervisors Policy D-7, Out-of-County Business and Related Guidelines and Processes Purpose, this is a request for one (1) Assistant Sheriff to attend the 2014 Western States Counter-Terrorism Seminar in Tel Aviv, Israel, from September 13 to September 21, 2014.

**FISCAL IMPACT:**

Funds for this request are included in the Sheriff's Department Fiscal Year 2014-15 CAO Approved Operational Plan. If approved, this request will result in approximately \$6,011 in travel costs. The funding sources are a gift from the Anti-Defamation League estimated at \$5,800 and General Purpose Revenue estimated at \$211. The Assistant Sheriff will receive regular salary and benefits, and no overtime will be incurred as a result of this trip. There will be no change in net General Fund cost and no additional staff years.

**BUSINESS IMPACT STATEMENT:**

N/A

**RECOMMENDATION:**

**SHERIFF**

1. Approve travel and per diem for one (1) Assistant Sheriff to attend the 2014 Western States Counter-Terrorism Seminar in Tel Aviv, Israel from September 13 to September 21, 2014.

2. In accordance with Administrative Code Section 66 and Board of Supervisor Policy A-112, accept the gift estimated at \$5,800 from the Anti-Defamation League, for one (1) Assistant Sheriff to cover most of the travel cost in Recommendation 1.

AYES: Cox, Jacob, D. Roberts, R. Roberts, Horn

6. **SUBJECT: PROBATION – REQUEST TO ADOPT AN ORDINANCE AMENDING SECTION 363 OF THE COUNTY ADMINISTRATIVE CODE, RELATING TO PROBATION DEPARTMENT FEES AND CHARGES (DISTRICTS: ALL)**

**OVERVIEW:**

This is a request to adopt an ordinance amending Section 363 of the County Administrative Code relating to Probation Department fees and charges. Probation's fees and charges are based on actual costs and workload, representing the full cost to the County to detain and supervise juveniles who are wards of the court and to provide adult probation services. It is the legal responsibility of adult probationers and parents of juvenile probationers to reimburse the County for certain expenses. Adoption of this ordinance will establish fees in an amount that reflects full cost recovery excluding applicable statutory maximums.

**FISCAL IMPACT:**

The anticipated revenues from this request are not included in the Fiscal Year 2014-15 CAO Approved Operational Plan for the Probation Department. If approved, it is unknown what the effect on cost and revenue will be for Fiscal Year 2014-15 because it is unknown how many services will be provided. Accordingly, the Probation Department is not requesting changes to expenditures or revenues at this time. The Probation Department will monitor the number of services provided and adjust the budget as necessary.

Actual revenues collected will be less than full cost due to state law limitations and requirements that fees and recovered costs assessed be based on an adult defendant's and minor's parents' ability to pay.

**BUSINESS IMPACT STATEMENT:**

N/A

**RECOMMENDATION:  
CHIEF ADMINISTRATIVE OFFICER**

1. Consider and adopt the Ordinance amending Section 363 of the San Diego County Administrative Code:

2. Authorize the Chief Probation Officer to negotiate and execute all revenue agreements with public agencies to recover the cost of Public Service work crews' supervision and supplies in accordance with Section 363 of the San Diego County Administrative Code, including any extensions, amendments or revisions thereto that do not materially impact either the program or funding level.
3. Waive Board Policy B-29, Fees, Grants, and Revenue Contracts, Department Responsibility for Cost Recovery, which requires full-cost recovery.

**ACTION:**

ON MOTION of Supervisor Cox, seconded by Supervisor R. Roberts, the Board took action as recommended, on Consent, adopting Ordinance No. 10349 (N.S.), entitled: AN ORDINANCE AMENDING SECTION 363 OF THE SAN DIEGO COUNTY ADMINISTRATIVE CODE RELATING TO THE ESTABLISHMENT AND ADJUSTMENT OF PROBATION FEES AND CHARGES.

AYES: Cox, Jacob, D. Roberts, R. Roberts, Horn

7. **SUBJECT: PUBLIC DEFENDER REQUEST TO APPOINT VICTOR ERIKSEN AS WRITS AND APPEALS DIVISION SUPERVISOR (DISTRICTS: ALL)**

**OVERVIEW:**

Government Code 7522.56 requires that the governing body of a public agency approve any appointment of a retiree being reemployed less than 180 days after that person's retirement date because the employer needs to fill a critically needed position.

Today's action is a recommendation to approve the temporary appointment of Victor Eriksen to the position of Deputy Public Defender V to serve as the supervisor of the Public Defender's Writs and Appeals Division.

**FISCAL IMPACT:**

Funds for this request are included in the Department of the Public Defender's Fiscal Year 2014-15 CAO Approved Operational Plan. If approved, this request will result in current year costs and revenue of approximately \$74,600. The funding source is General Purpose Revenue. There will be no change in net General Fund cost and no additional staff years.

**BUSINESS IMPACT STATEMENT:**

N/A

AYES: Cox, Jacob, D. Roberts, R. Roberts, Horn

9. **SUBJECT: LONG-TERM CARE OMBUDSMAN PROGRAM STATUS REPORT (DISTRICTS: ALL)**

**OVERVIEW:**

On March 11, 2014 (6), Chairwoman Dianne Jacob and Supervisor Greg Cox brought forward a Board letter directing the Chief Administrative Officer to develop a rating system for Residential Care Facilities for the Elderly (RCFEs) as well as Skilled Nursing Facilities (SNFs), to support legislation that would improve care in these facilities and to report back to the Board in 120 days with recommendations for actions to strengthen and expand the Long-Term Care Ombudsman program, including the training and volunteer component, and to increase staffing in the program to fully offset the 2009 cuts. The Board of Supervisors unanimously supported this agenda item.

By 2030, the number of people who are at least 75 years old is expected to nearly double, rapidly outpacing the growth in the rest of the population. The services and resources available for the protection and care of the elderly are not keeping pace with the need, and the drastic rise in the number of residents living long into their 70s, 80s and older is only going to compound the problem. In addition, a series of watchdog stories in the local media have documented deeply troubling gaps in staff training and supervision in long-term care and assisted living facilities.

The County's Health and Human Services Agency, Aging & Independence Services (AIS) administers programs that assist older adults and persons with disabilities with a wide range of critical services, including access to in-home care. One of these programs is the Long-Term Care Ombudsman Program which advocates for residents in RCFEs and SNFs and investigates abuse in other licensed facilities. Funding was identified in the Fiscal Year 2014-16 Approved Operational Plan to increase staffing in the Long-Term Care Ombudsman program to fully restore program staff, and developed a plan to improve the training and inspection coverage at long-term care facilities, increase the number of volunteer Ombudsman, expand community education and increase the complaint resolution rate. In support of the County's *Live Well San Diego* initiative, today's item provides updates about actions planned to strengthen and expand the Long-Term Care Ombudsman program.

**FISCAL IMPACT:**

There is no fiscal impact as a result of this action. The Fiscal Year 2014-15 CAO Approved Operational Plan budget for the Long-term Care Ombudsman program is approximately \$1.0 million with a total staffing of 11.00 staff years; 6.00 staff years were added in Fiscal Year 2014-15 to fully offset the 2009 cuts.

**BUSINESS IMPACT STATEMENT:**

N/A

**RECOMMENDATION:**

**CHIEF ADMINISTRATIVE OFFICER**

Receive program update for the Long-Term Care Ombudsman program.

**ACTION:**

ON MOTION of Supervisor Jacob, seconded by Supervisor Cox, the Board received the program update for the Long-Term Care Ombudsman program.

AYES: Cox, Jacob, D. Roberts, R. Roberts, Horn

10. **SUBJECT: SET HEARING FOR 9/23/2014:  
SALE OF SURPLUS REAL PROPERTY - 849 HIGHWAY 78,  
RAMONA - COUNTY PARCEL NUMBER 2014-0006-A;  
ASSESSOR PARCEL NUMBER 281-484-40 (8/5/2014 -  
SURPLUS DECLARATION/RESOLUTION OF INTENT TO  
SELL; 9/23/2014 - BID OPENING) (DISTRICT: 2)**

**OVERVIEW:**

The County of San Diego owns a 1.36-acre parcel of land located at 849 Highway 78 in Ramona, California. The property is identified as County Parcel Number 2014-0006-A, was acquired through a donation in 2000, and is zoned A-70, which is a limited agricultural use classification that also allows residential use. The property is currently vacant and considered surplus to the County's needs.

Today's request regarding County Parcel Number 2014-0006-A requires two steps. On August 5, 2014, the Board of Supervisors will consider declaring County Parcel Number 2014-0006-A surplus to the County's needs, adopting a Resolution declaring its intention to sell the property, directing the Clerk of the Board to advertise the County's adoption of a Resolution declaring its intent to sell County Parcel Number 2014-0006-A, and setting a date for a bid-opening hearing. If the Board takes the actions recommended on August 5, 2014, then after making necessary environmental findings, the Board is requested to conduct a bid opening and approve the sale of the parcel to the highest responsible bidder on September 23, 2014. The minimum bid for County Parcel Number 2014-0006-A is \$40,000.

**FISCAL IMPACT:**

Funds for this request are not included in the Fiscal Year 2014-2015 Operational Plan for the General Fund. If approved, the sale of County Parcel Number 2014-006-A will result in one-time revenue of at least \$40,000 (the minimum bid). Proceeds from the sale will be deposited to the General Fund. Transaction costs for the Department of General Services - Real Estate Services Division are estimated to be \$10,000. The transaction costs will be reimbursed from the proceeds of the sale of the property by the General Fund. There will be no additional staff years.

**BUSINESS IMPACT STATEMENT:**

If this sale is completed, the use of the 849 Highway 78 Ramona property may generate minor business activity in the area if the site is approved for the construction of a new single family residence.

**RECOMMENDATION:**

**CHIEF ADMINISTRATIVE OFFICER**

1. Find that the proposed actions are exempt from the California Environmental Quality Act (CEQA) pursuant to Section 15312 of the CEQA Guidelines as the first step in the sale of surplus government property.
2. Declare County Parcel Number 2014-0006-A surplus to County needs.
3. Adopt a Resolution entitled:  
RESOLUTION OF INTENTION TO SELL REAL PROPERTY  
AND NOTICE INVITING BIDS (4 VOTES).
4. Direct the Clerk of the Board of Supervisors to obtain the signature of the Chairperson of the Board of Supervisors on the Resolution.
5. Set a hearing for September 23, 2014, at which time the Board of Supervisors may conduct the bid opening and approve the sale of County Parcel Number 2014-0006-A to the highest responsible bidder.
6. Direct the Clerk of the Board to post the Resolution as required in Government Code 25528 and to advertise the Notice of the Adoption of the Resolution of Intention to Sell County Parcel Number 2014-0006-A and the time and place set for the second hearing in accordance with Government Code Section 6063 and 25528.

If on August 5, 2014, the Board takes the actions recommended in items 1-5 above, then on September 23, 2014:

1. Find that the sale of County Parcel Number 2014-0006-A (APN 281-484-40) is categorically exempt from CEQA pursuant to CEQA Guidelines section 15312 as the sale of surplus government property.
2. Conduct the bid opening and approve the sale of County Parcel Number 2014-0006-A to the highest responsible bidder.
3. Authorize the Director, Department of General Services, to perform all necessary actions to complete the sale of County Parcel Number 2014-0006-A, including the execution of Purchase and Sale Agreement, the escrow instructions, Grant Deed, and other documents necessary to close escrow.
4. Authorize the Auditor and Controller, to deposit all proceeds of the sale of County Parcel Number 2014-0006-A, into the County General Fund.

**ACTION:**

ON MOTION of Supervisor Cox, seconded by Supervisor R. Roberts, the Board took action as recommended, on Consent, adopting Resolution No. 14-117, entitled: RESOLUTION OF INTENTION TO SELL REAL PROPERTY AND NOTICE INVITING BIDS, and setting a Hearing for September 23, 2014 at 9:00 a.m.

AYES: Cox, Jacob, D. Roberts, R. Roberts, Horn

11. **SUBJECT: THIRD AMENDMENT TO LEASE AGREEMENT BETWEEN THE CITY OF DEL MAR AND THE COUNTY OF SAN DIEGO FOR THE DEL MAR BRANCH LIBRARY – 1309 CAMINO DEL MAR, DEL MAR (DISTRICT: 3)**

**OVERVIEW:**

On September 1, 1996, the Director, Department of General Services executed a three-year lease agreement with the City of Del Mar for a 4,700-square-foot building located at 1309 Camino del Mar, Del Mar to serve as the new Del Mar Branch Library. The lease was amended in 1999 to extend the term for an additional five years with two five-year extension options and was amended in 2000 to relinquish ownership by the City of Del Mar of computer equipment and software in the library.

The current lease is set to terminate on August 31, 2014, and there are no remaining extension options. The City of Del Mar would like the County to continue operation of the Del Mar Branch Library. The Board of Supervisors is requested to approve a third amendment to the lease agreement that would extend the term of the lease for an additional five years to expire on August 31, 2019 and would include two five-year extension options.

**FISCAL IMPACT:**

Funds for this request are included in the Fiscal Year 2014-15 Operational Plan in the County Library. The total lease payment to the City of Del Mar is \$1; however, the lease contains a cost-sharing methodology for operations and maintenance costs of the facility. If approved, this request would result in current year costs of \$97,488 for the County Library's share of costs. The funding sources are County Library revenues, including property taxes and library fees. All anticipated operating costs will be included in future year Operational Plans for the County Library. There will be no change in net General Fund cost and no additional staff years.

**BUSINESS IMPACT STATEMENT:**

N/A

**RECOMMENDATION:**

**CHIEF ADMINISTRATIVE OFFICER**

1. Find that the proposed project is exempt from the California Environmental Quality Act (CEQA) under section 15301 of the CEQA Guidelines.

2. Approve and authorize the Director, Department of General Services to execute the Third Amendment to Lease Agreement with the City of Del Mar.
3. Authorize the Director, Department of General Services, to exercise the option(s) to extend the lease prior to its expiration, if appropriate, and to take any future actions to administer the lease.

**ACTION:**
