**4. SUBJECT: MANAGEMENT ASSISTANCE FOR THE CLINICAL ROUNDTABLE OF THE ALZHEIMER'S PROJECT - AUTHORIZATION TO AMEND CHAMPIONS FOR HEALTH CONTRACT (DISTRICTS: ALL)**

**OVERVIEW**

More than 64,000 local residents are living with Alzheimer's disease and related dementias (ADRD), and as the local older adult population surges, that figure is expected to grow to nearly 100,000 by 2030. On May 6, 2014 (5), the Board of Supervisors launched a broad and unprecedented initiative to develop a regional roadmap to address the disease and the impacts on individuals, their caregivers and the community. This initiative, known as The Alzheimer's Project, aims to improve care for persons with ADRD and their caregivers and enhance research within the San Diego region. The Alzheimer's Project began with the formation of the Cure, Care, Clinical, and Public Awareness and Education Roundtable workgroups.

In November 2016, the County of San Diego executed a Single Source agreement with Champions for Health to provide assistance with the management of the Clinical Roundtable of The Alzheimer's Project.

Board authorization is requested to authorize the Director, Department of Purchasing and Contracting to enter into negotiations with Champions for Health, and subject to successful negotiations, to add \$140,000 to the current contract to perform additional activities in support of The Alzheimer's Project.

Today's action supports the County's *Live Well San Diego* vision by improving resources for those with ADRD and their caregivers, thus improving quality of life and promoting a healthy, safe, and thriving region.

**RECOMMENDATION(S)**

**CHIEF ADMINISTRATIVE OFFICER**

In accordance with Board Policy A-87, Competitive Procurement, approve and authorize the Director, Department of Purchasing and Contracting to enter into negotiations with San Diego County Medical Society Foundation dba Champions for Health and, subject to successful negotiations and a determination of fair and reasonable pricing, amend Single Source County Agreement No. 554836 for management assistance for the Clinical Roundtable of The Alzheimer's Project as needed to reflect changes to services and funding, subject to the approval of the Agency Director, Health & Human Services Agency.

**7. SUBJECT: DICTIONARY HILL, SPRING VALLEY - ACQUISITION OF APPROXIMATELY 175 ACRES OF OPEN SPACE PRESERVE LAND (ANZA BUTTERFIELD ROAD 34, LLC) (10/24/2017 - SET HEARING; 11/15/2017 - HOLD HEARING) (DISTRICT: 2)**

**OVERVIEW**

Since 1998, the County of San Diego (County) has been acquiring open space land for the County's Multiple Species Conservation Program (MSCP) to ensure the long-term survival of sensitive plant and animal species and to balance the public need for development and open space. The County has purchased more than 19,000 acres of land to date for the existing South County MSCP and future MSCP plans.

The County has identified approximately 175 acres in the Dictionary Hill area of Spring Valley available to purchase. The property's coastal sage scrub and chaparral habitats would enhance the MSCP and provide a necessary refuge for the gnatcatcher, the species whose protection prompted the creation of the MSCP. The 175 acres is located east of Grand Avenue, south of Ivy Street, north of Eucalyptus Street and west of the terminus of Pointe Parkway (57th Edition Thomas Guide page 1291, C-1). Subject to future funding and environmental review, the property may also provide passive recreational opportunities including non-motorized, multi-use trails so that users can appreciate the biological value of the property. The County recently entered into an option agreement giving the County an option to purchase the 175 acres.

Today's request requires two steps. On October 24, 2017, the Board is requested to set a hearing for November 15, 2017 to consider the purchase and to direct the Clerk of the Board of Supervisors to provide public notice of the hearing. If the Board takes the actions recommended for October 24, then on November 15, 2017, after making the necessary findings, the Board is requested to authorize the purchase of Parcel No. 2017-0222-A from Anza Butterfield Road 34, LLC at the appraised value of \$5,467,000, for a total project cost in Fiscal Year 2017-18 of \$5,884,300 based on budgeted appropriations in the MSCP Acquisitions Fund and \$47,500 in the Department of Parks and Recreation for the purchase of a vehicle and equipment.

**RECOMMENDATION(S)**  
**CHIEF ADMINISTRATIVE OFFICER**

On October 24, 2017

1. Set a hearing for November 15, 2017 at which time the Board of Supervisors may authorize the Director, Department of General Services, to exercise the option to purchase the approximately 175 acres of land known as Dictionary Hill in Spring Valley Parcel No. 2017-0222-A from Anza Butterfield Road 34, LLC for the appraised value of \$5,467,000.
2. Direct the Clerk of the Board of Supervisors to provide notice of said hearing via publication and posting as required by law.

If, on October 24, 2017, the Board takes the actions recommended in Items 1-2 above then, on November 15, 2017:

1. Find that the proposed project is exempt from the California Environmental Quality Act (CEQA) pursuant to State CEQA Guidelines Sections 15325 and 15304.
2. Authorize the Director, Department of General Services, to exercise the option to purchase the approximately 175 acres of land known as Dictionary Hill in Spring Valley and Parcel No. 2017-0222-A from Anza Butterfield Road 34, LLC, for the appraised value of \$5,467,000.
3. Authorize the Director, Department of General Services to execute all escrow and related documents necessary to complete the purchase.
4. Cancel appropriations of \$47,500 and related Operating Transfer In from the General Fund in the Capital Multiple Species Conservation Program Acquisition Funds, for the purchase of vehicle and equipment.

5. Transfer appropriations of \$47,500 from Contributions to Capital Outlay Fund, Operating Transfer Out, to the Department of Parks and Recreation, Fixed Assets, to fund the purchase of a vehicle and equipment.

#### **FISCAL IMPACT**

Funds for this request are included in the Fiscal Year 2017-18 Operational Plan for the Multiple Species Conservation Program (MSCP) Acquisitions Fund. If approved, this request will result in current year costs of \$5,884,300 itemized as follows: \$5,467,000 for property acquisition; \$33,800 for staff time and appraisal reports to complete the transaction; \$6,000 for closing and title costs; and \$377,500 in one-time land protection costs, including, initial stewardship that features signage, boundary survey, access control measures, vegetation management and stormwater/erosion protection (\$175,500), the production of Resource Management, Vegetation Management and Public Access Plans (\$202,000).

Funds for purchase of the vehicle and equipment are not included in the Fiscal Year 2017-18 Operation Plan for Parks and Recreation. If approved, this request will result in current year cost of \$47,500. The funding source is an Operating Transfer from the General Fund Contribution to Capital.

There will be no change in net General Fund cost and no additional staff years in Fiscal Year 2017-18.

Beginning Fiscal Year 2018-19, future total annual costs for land monitoring and management of the approximately 175 acres are estimated at \$188,384 and will include the addition of one Park Ranger and one seasonal staff person, annual vegetation management, supply costs, and monitoring costs as well as an estimated annual cost of \$33,999 for fixed charge assessments including a fire district special tax and vector control.
