

# 2020-21 ADOPTED BUDGET

# \$6.5 BILLION

COUNTY OF SAN DIEGO

**HEALTH & HUMAN SERVICES**  
**\$2,532.9 MILLION**  
 (+ 11.9%)

**PUBLIC SAFETY**  
**\$2,047.0 MILLION**  
 (- 0.5%)

**GENERAL GOVERNMENT**  
**\$1,321.9 MILLION**  
 (+ 3.2%)

**LAND USE AND ENVIRONMENT**  
**\$650.1 MILLION**  
 (- 0.3%)

The County's agenda for this fiscal year's budget remains ambitious with a \$299 million, or 4.8%, increase in spending from the previous fiscal year primarily in response to COVID-19, but it will also be a period of assessment and maintaining a strong foundation in the face of economic realities and new initiatives to answer the calls for equity.

The County will continue its commitment to supporting vulnerable populations, ensuring our communities are safe, creating opportunities for affordable housing and advancing sustainability.

## COVID-19 RESPONSE

- Continue to **lead the local public health response to the COVID-19 pandemic**, including precautions for those most at risk.
- Response includes effective T3 strategy – testing, contact tracing and treatment – to **reduce the spread of COVID-19** and allow for responsible reopening.
- Work with our partners to **support local businesses and residents economically impacted by the pandemic**.
- **Provide online services to address public needs** – from online behavioral health services to permitting and digital library books.

## EQUITY

- Board of Supervisors' **creation of the new Office of Equity and Racial Justice** to identify and root out systemic bias throughout our organization.
- The **Citizens' Law Enforcement Review Board** will have **expanded authority and resources to provide independent oversight of the Sheriff's Department and Probation**.
- Criminal Justice partners will **focus on community based diversion programs to keep youth and adults out of the criminal justice system**.

## ECONOMIC IMPACT

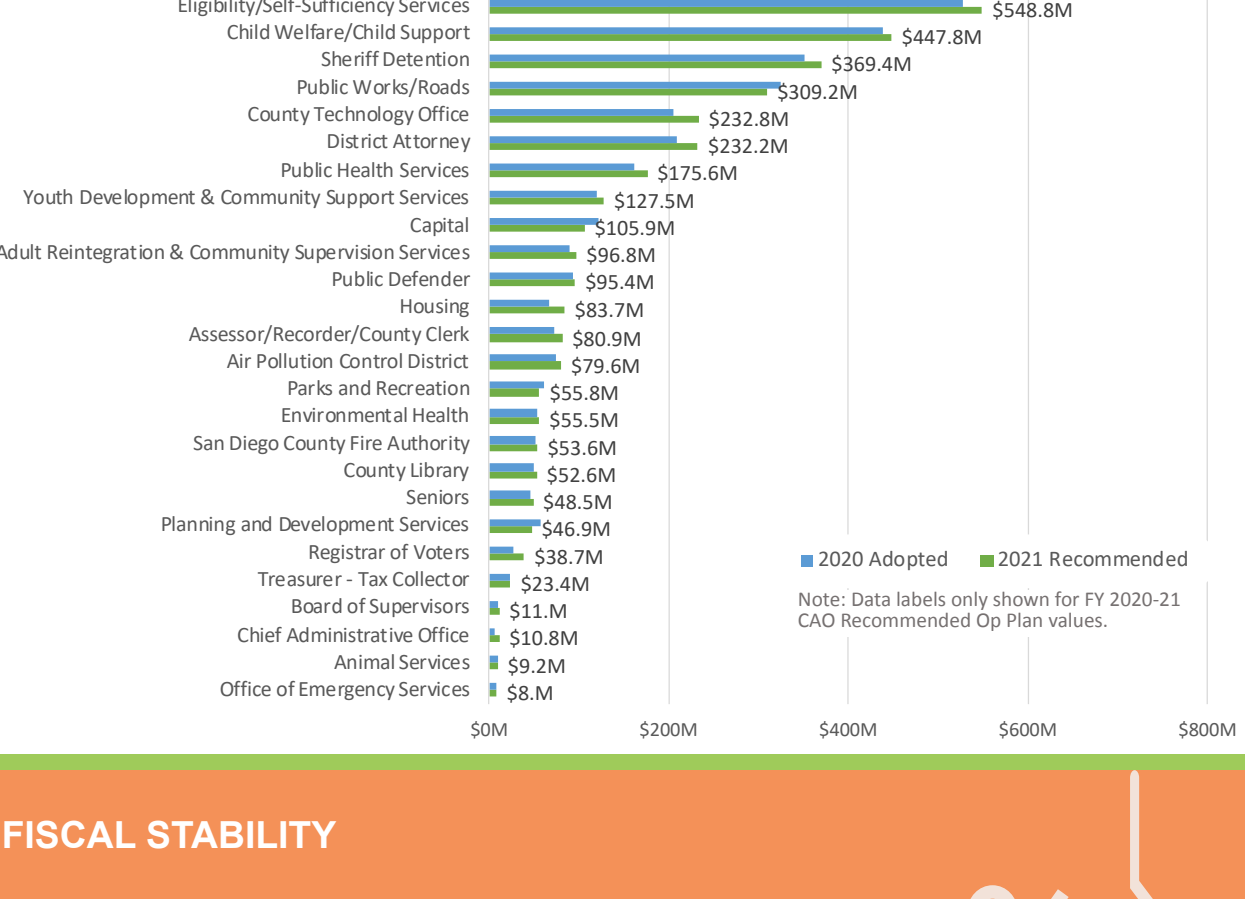

- The pandemic has significantly impacted County finances by dramatically reducing anticipated revenues while increasing costs to respond to COVID-19 and expand services for the newly unemployed and others impacted by COVID-19.

## Two Year Budget Comparison for Select Programs

## FISCAL STABILITY

- Budget focuses on the response to the COVID-19 pandemic while limiting new programs or the expansion of existing programs unless previously approved by the Board or needed to address the emergency response.**
- Multi-faceted budget balancing strategy to address projected expenditure and revenue needs in FY 2020-21 includes covering revenue losses by dipping into the County's General Fund Reserve for one-time funds, spending balances outside the General Fund and slowing or stopping non-essential services and projects. Required minimum General Fund Reserve to be replenished over three years.**
- Long term financial risks include the severity and length of the pandemic, State and federal budget uncertainties, and increasing retirement costs beginning in FY 2021-22.**
