[AB 14](#)

(Aguiar-Curry D) Communications: broadband services: California Advanced Services Fund.

Summary: Current law establishes the State Department of Education in state government, and vests the department with specified powers and duties relating to the state's public school system. This bill would authorize local educational agencies to report to the department their pupils' estimated needs for computing devices and internet connectivity adequate for at-home learning. The bill would require the department, in consultation with the Public Utilities Commission, to compile that information and to annually post that compiled information on the department's internet website.

(Aguiar-Curry D) Telehealth.

Summary: Current law requires a health care service plan contract or health insurance policy issued, amended, or renewed on or after January 1, 2021, to specify that coverage is provided for health care services appropriately delivered through telehealth on the same basis and to the same extent as in-person diagnosis, consultation, or treatment. Current law exempts Medi-Cal managed care plans that contract with the State Department of Health Care Services under the Medi-Cal program from these provisions, and generally exempts county organized health systems that provide services under the Medi-Cal program from Knox-Keene. This bill would delete the above-described references to contracts issued, amended, or renewed on or after January 1, 2021, would require these provisions to apply to the plan or insurer's contracted entity, as specified, and would delete the exemption for Medi-Cal managed care plans. The bill would subject county organized health systems, and their subcontractors, that provide services under the Medi-Cal program to the above-described Knox-Keene requirements relative to telehealth.

(Holden D) Medi-Cal eligibility.

Summary: Current federal law prohibits a state from terminating Medi-Cal eligibility for an eligible juvenile if they are an inmate of a public institution, authorizes the suspension of Medicaid benefits to that eligible juvenile, and requires a state to conduct a redetermination of Medicaid eligibility or process an application for medical assistance under the Medicaid program for an eligible juvenile who is an inmate of a public institution. Under current state law, the suspension of Medi-Cal benefits to an inmate of a public institution who is a juvenile, as defined in federal law, ends when the individual is no longer an eligible juvenile pursuant to federal law or one year from the date the individual becomes an inmate of a public institution, whichever is later. This bill would instead require the suspension of Medi-Cal benefits to an inmate of a public institution who is not a juvenile to end on the date they are no longer an inmate of a public institution or 3 years from the date they become an inmate of a public institution, whichever is sooner.

Summary: Would require the State Department of Public Health to contract with an appropriate and qualified entity to conduct an evaluation of the adequacy of the local health department infrastructure and to make recommendations for future staffing, workforce needs, and resources, in order to accurately and adequately fund local public health. The bill would exempt the department from specific provisions relating to public contracting with regard to this requirement. The bill would require the department to report the findings and recommendations of the evaluation to the appropriate policy and fiscal committees of the Legislature on or before July 1, 2024. The bill would also require the department to convene an advisory group, composed of representatives from public, private, and tribal entities, as specified, to provide input on the selection of the entity that would conduct the evaluation.

[AB 302](#) (Ward D) San Diego Metropolitan Transit Development Board: regulation of for-hire vehicle and passenger jitney services.

Summary: Under current law, the San Diego Metropolitan Transit Development Board's jurisdiction includes specified cities in, and the unincorporated area of, the County of San Diego, except for the portion of the county under the jurisdiction of the North San Diego County Transit Development Board, as specified. Existing law authorizes the board to enter into contracts with any city in its area of jurisdiction and with the county to license or regulate transportation services, and to regulate vehicle safety and driver qualifications for passenger jitney service, as defined, operating between cities and between a city and unincorporated portions of the county within the area of its jurisdiction. Current law requires the board to levy fees necessary to recover the full cost of regulating those services. This bill would replace the term "transportation services" with the term "for-hire vehicle services" and would define that term to mean vehicles, other than public transportation vehicles, transporting passengers over public streets for compensation, as specified.

[AB 341](#) (Boerner Horvath D) Credibility of witnesses: sexual conduct: social media content.

Summary: Current law sets forth the procedure required in any prosecution for rape or other specified offenses, with certain exceptions, if evidence of sexual conduct of the complaining witness, as defined, is offered to attack the credibility of the complaining witness. This procedure involves, among other things, the filing of a written motion by the defendant, accompanied by an affidavit filed under seal

stating an offer of proof, and, if the court determines that the offer is sufficient, a hearing out of the presence of the jury regarding the offer of proof. At the conclusion of the hearing, the court may make an order stating what evidence may be introduced by the defendant. This bill would define "evidence of sexual conduct" for these purposes to include the portions of a social media account about the complaining witness that depict sexual content, as specified, unless the content is related to the alleged offense.

When a minor is adjudged to be a ward of the court, as previously described, and is placed under the supervision of the probation officer or committed to the care, custody, and control of the probation officer, current law authorizes the court to make any and all reasonable orders for the conduct of the ward, and to impose and require any and all reasonable conditions that it may determine fitting and proper to the end that justice may be done and the reformation and rehabilitation of the ward enhanced. This bill would limit to 6 months the period of time in which a court may place a ward of the court on probation, except that a court may extend the probation period for a period not to exceed increments of 6 months after a noticed hearing and upon proof by clear and convincing evidence that it is in the ward's best interest.

AB 831 (Committee on Health) California Retail Food Code.
Summary: Current law defines "limited food preparation" and "limited service charitable feeding operation" for purposes of the California Retail Food Code. Current law requires a proposed new or remodeled food facility to meet specified structural and other building requirements, but specifies that existing private school cafeterias and licensed health care facilities presumptively meet these requirements. Current law limits the use of an outdoor wood-burning oven to the same premises as a permanent food facility. Under existing law, a remote food service operation located within a fully enclosed permanent food facility is not a satellite food service. Current law exempts mobile food facilities from specified requirements, including the provision of clean toilet rooms for use by employees. Existing law requires a cottage food operation to label prepackaged foods with a notice that it was made or repackaged in a home kitchen. This bill would prohibit any state or local agency from arresting or assisting with the arrest, confinement, detention, transfer, interrogation, or deportation of an individual for an immigration enforcement purpose, as specified. The bill would additionally prohibit state or local agencies or courts from using immigration status as a factor to deny or to recommend denial of probation or participation in any diversion, rehabilitation, mental health program, or placement in a credit-earning program or class, or to determine custodial classification level, to deny mandatory supervision, or to lengthen the portion of supervision served in custody.
