**ACTION REQUESTED:**

Approve the appointment of two Commissioners to fill the current vacancies on the Public Art Subcommittee.

**SUMMARY:**

The Arts and Culture Commission (Commission) established a Public Art Subcommittee on February 21, 2024, with five Commissioners. The purpose of the subcommittee is to advise the Commission on the County of San Diego's current public art process, including 1) providing guidance, review and suggestions on current process, 2) ensuring the process is more transparent, 3) providing updates on existing public art projects in the works, and 4) accountability for the dollars going to public art.

Current members of the subcommittee include Renée Richetts (Chair), Jim Gilliam and Sharlene O'Keefe.

Due to recent Commissioner transitions, there are now two vacancies on the Public Art Subcommittee.
