

Nora Vargas
CHAIRWOMAN

SAN DIEGO COUNTY BOARD OF SUPERVISORS

DATE: **January 6, 2025**

TO: **Ebony Shelton, Chief Administrative Officer**

RE: **Approved Grant Recipients**

The attached table lists the approved allocations for the Neighborhood Reinvestment Program (Org 15650) to be used for the purposes listed pursuant to Board Policy (B-72). Our office certifies that the organizations listed below meet the program eligibility requirements approved by the Board of Supervisors on June 13, 2023 (24).

Recommendation	Organization	Purpose	Allocation
1	Hispanas Organized for Political Equality - California	HOPE is a nonprofit, nonpartisan organization committed to ensuring political and economic parity for Latinas through leadership, advocacy and education to benefit all communities and the status of women. Funding will be used to purchase Salesforce, their Customer Relationship Management (CRM) software, to better track regional impact and scale our reach and for Technology upgrades such as new computers, licenses for software including Asana and Action Network, and other tools necessary for effective program delivery and operations. Additionally, funding will be used to cover relocation costs to accommodate their team, ensuring their infrastructure can meet the increasing demand for services in San Diego.	\$59,332

		Funding is in the public interest because it enhances education, economic parity, leadership, and advocacy for women to better serve the community as a whole.	
2	Project New Village	Project New Village's mission is to serve as a catalyst for resident-led, community-rooted experiences that build stronger neighborhoods, improve the neighborhood food supply chain, stimulate collective investment in better health, and maximize the impact of investments to address social inequities. Funding will support geotechnical, architectural, and civil engineering costs, such as costs of schematic design, design development, construction documents, permitting/bidding, and construction administration to complete the design of The Village Community Food Hub by April 2025. This funding is in the public interest as it will create a 12,000-square-foot community asset that transforms food sourcing in low-income neighborhoods, supporting local farmers and food businesses while offering flexible spaces for community events and mission-aligned partnerships.	\$100,000
		Total NRP	\$159,332

Respectfully Submitted,

Nora E. Vargas
