

2026 Legislative Program Public Comment

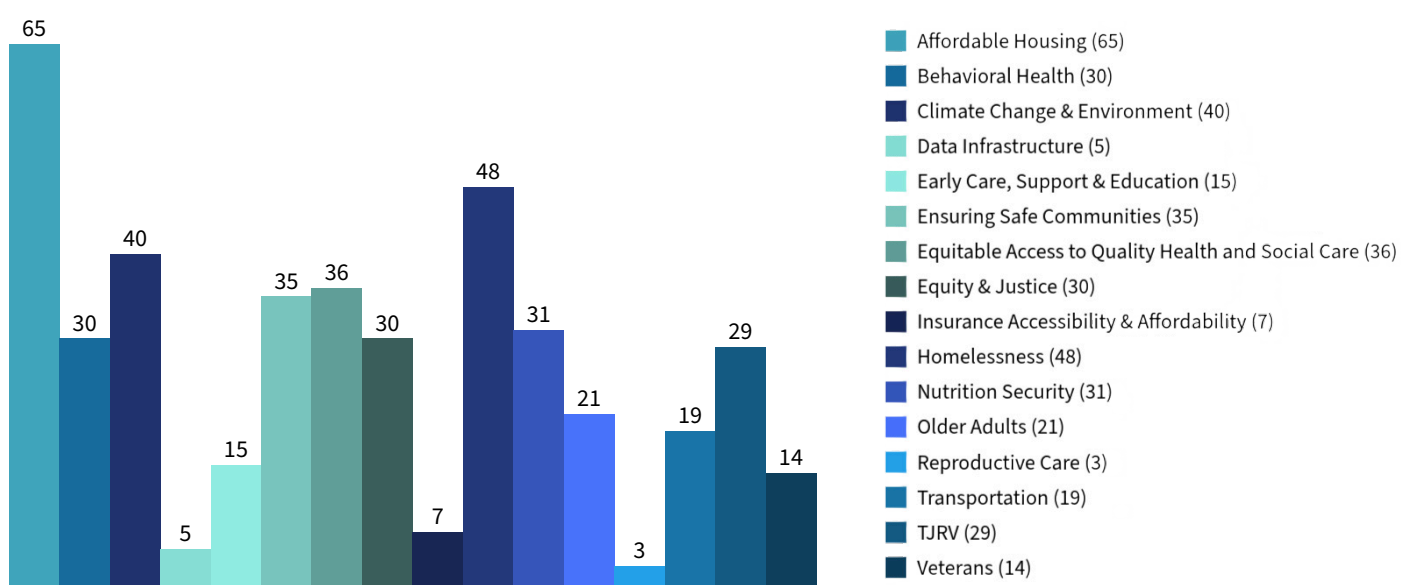

Public comment was open from August 4 - September 5, 2025 through Engage San Diego, email, and social media.

45 people participated in our virtual community forum on August 27. We received 189 comments in total.

Comment themes

This word cloud shows the most frequently used words in public comment. The larger the word is, the more often it appeared. (➤)

The County's 2025 Legislative Program had 16 priority issues. On Engage San Diego and during the Community Forum, we asked participants to rate their top three priority issues. (v)

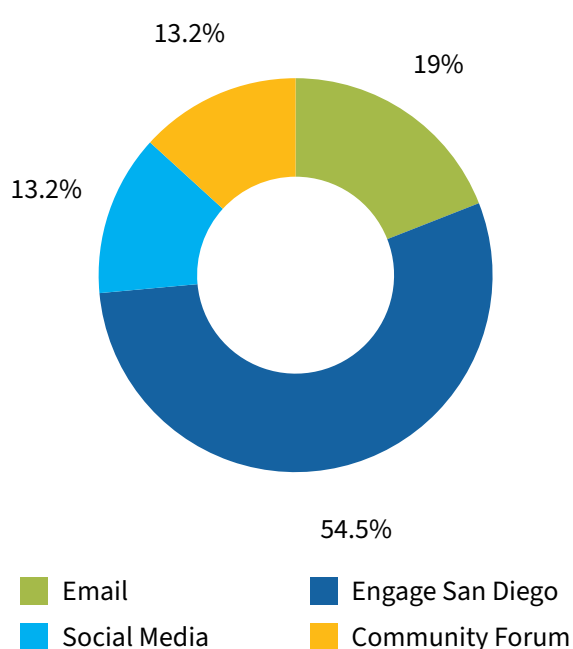

Overall, the top 3 priority issues cited were affordable housing, homelessness, and climate change and the environment.

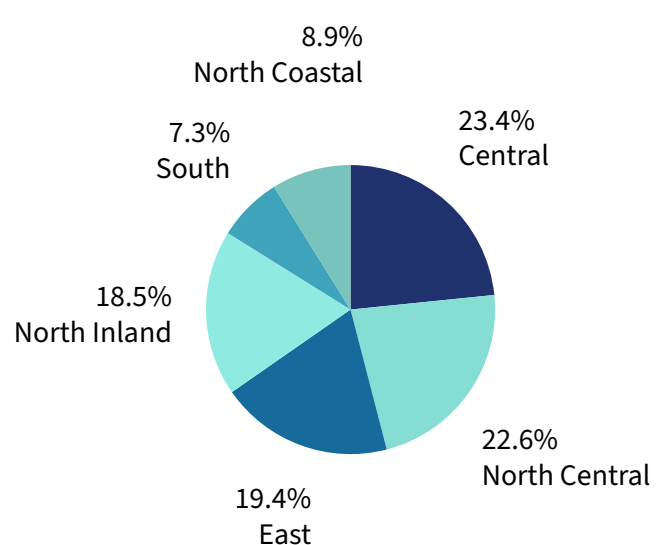

Other themes that commonly appeared were cost of living, government accountability, local industry, and protecting vulnerable communities.

Comment sources

Of the 189 comments we received, 103 came from Engage San Diego and 36 came via email. We received 25 comments from both social media and the community forum.

124 people shared their zip code with us. This chart shows the percent of participants from each HHSA Live Well Region.

Feedback provided will help us develop the 2026 Legislative Program. Contact us at legislative.program@sdcounty.ca.gov with any questions.
