

San Diego County Positions on State Legislation

[AB 14](#)

(Aguiar-Curry D) Communications: California Advanced Services Fund: deaf and disabled telecommunications program: surcharges.

Summary: Under current law, the Public Utilities Commission has regulatory authority over public utilities, including telephone corporations. Current law requires the commission to develop, implement, and administer the California Advanced Services Fund (CASF) to encourage deployment of high-quality advanced communications services to all Californians that will promote economic growth, job creation, and the substantial social benefits of advanced information and communications technologies. Current law authorizes the commission to impose a surcharge to collect \$330,000,000 for deposit into the CASF beginning January 1, 2018, and continuing through the 2022 calendar year. Current law specifies the amount of surcharge revenues to be deposited into each account within the CASF, subject to appropriation by the Legislature. This bill would authorize the commission to impose the surcharge to fund the CASF until December 31, 2032, as specified.

[AB 32](#)

(Aguiar-Curry D) Telehealth.

Summary: Under current law, in-person contact between a health care provider and a patient is not required under the Medi-Cal program for services appropriately provided through telehealth. Current law provides that neither face-to-face contact nor a patient's physical presence on the premises of an enrolled community clinic is required for services provided by the clinic to a Medi-Cal beneficiary during or immediately following a proclamation declaring a state of emergency. Current law defines "immediately following" for this purpose to mean up to 90 days following the termination of the proclaimed state of emergency, unless there are extraordinary circumstances. Current law, the Knox-Keene Health Care Service Plan Act of 1975 (Knox-Keene), provides for the licensure and regulation of health care service plans by the Department of Managed Health Care. Current law requires a health care service plan contract or health insurance policy issued, amended, or renewed on or after January 1, 2021, to specify that coverage is provided for health care services appropriately delivered through telehealth on the same basis and to the same extent as in-person diagnosis, consultation, or treatment. Current law generally exempts county organized health systems that provide services under the Medi-Cal program from Knox-Keene. This bill would subject county organized health systems, and their subcontractors, that provide services under the Medi-Cal program to the above-described Knox-Keene requirements relative to telehealth. The bill would authorize a provider to enroll or recertify an individual in specified Medi-Cal programs through telehealth and other forms of virtual communication, and would authorize a county eligibility worker to determine eligibility for, or recertify eligibility for, the Medi-Cal Minor Consent program remotely through virtual communication, as specified.

[AB 112](#)

(Holden D) Medi-Cal eligibility.

Summary: Current federal law prohibits a state from terminating Medi-Cal eligibility for an eligible juvenile if they are an inmate of a public institution, authorizes the suspension of Medicaid benefits to that eligible juvenile, and requires a state to conduct a redetermination of Medicaid eligibility or process an application for medical assistance under the Medicaid program for an eligible juvenile who is an inmate of a public institution. Under current state law, the suspension of Medi-Cal benefits to an

inmate of a public institution who is a juvenile, as defined in federal law, ends when the individual is no longer an eligible juvenile pursuant to federal law or one year from the date the individual becomes an inmate of a public institution, whichever is later. This bill would instead require the suspension of Medi-Cal benefits to an inmate of a public institution who is not a juvenile to end on the date they are no longer an inmate of a public institution or 3 years from the date they become an inmate of a public institution, whichever is sooner.

[AB 124](#) (Kamlager D) Criminal procedure.

Summary: Current law allows a person who was arrested or convicted of a nonviolent offense while they were a victim of human trafficking to petition the court, under penalty of perjury, for vacatur relief. Current law requires, to receive that relief, that the person establish, by clear and convincing evidence, that the arrest or conviction was the direct result of being a victim of human trafficking. This bill would create similar relief for a person who was arrested or convicted of an offense that was the direct result of being a victim of intimate partner violence or sexual violence. By expanding the scope of the crime of perjury, this bill would impose a state-mandated local program.

[AB 240](#) (Rodriguez D) Local health department workforce assessment.

Summary: This bill would require the State Department of Public Health to contract with an appropriate and qualified entity to conduct an evaluation of the adequacy of the local health department infrastructure and to make recommendations for future staffing, workforce needs, and resources, in order to accurately and adequately fund local public health. The bill would exempt the department from specific provisions relating to public contracting with regard to this requirement. The bill would require the department to report the findings and recommendations of the evaluation to the appropriate policy and fiscal committees of the Legislature on or before July 1, 2024. The bill would also require the department to convene an advisory group, composed of representatives from public, private, and tribal entities, as specified, to provide input on the selection of the entity that would conduct the evaluation.

[AB 257](#) (Holden D) Food facilities and employment.

Summary: Would establish the Fast Food Sector Council (council) within the Department of Industrial Relations, to be composed of 13 members to be appointed by the Governor, the Speaker of the Assembly, and the Senate Rules Committee, and would prescribe its powers. The purpose of the

council would be to establish sectorwide minimum standards on wages, working hours, and other working conditions related to the health, safety, and welfare of, and supplying the necessary cost of proper living to, fast food restaurant workers, as well as effecting interagency coordination and prompt agency responses in this regard. The bill would define the characteristics of a fast food restaurant, including that the establishment be part of a set of fast food restaurants consisting of 30 or more establishments nationally that share a common brand, or that are characterized by standardized options for decor, marketing, packaging, products, and services. This bill contains other related provisions and other existing laws.

[AB 302](#) (Ward D) San Diego Metropolitan Transit Development Board: regulation of for-hire vehicle and passenger jitney services.

Summary: Under current law, the San Diego Metropolitan Transit Development Board's jurisdiction includes specified cities in, and the unincorporated area of, the County of San Diego, except for the portion of the county under the jurisdiction of the North San Diego County Transit Development Board, as specified. Existing law authorizes the board to enter into contracts with any city in its area of jurisdiction and with the county to license or regulate transportation services, and to regulate vehicle safety and driver qualifications for passenger jitney service, as defined, operating between cities and between a city and unincorporated portions of the county within the area of its jurisdiction. Current law requires the board to levy fees necessary to recover the full cost of regulating those services. This bill would replace the term "transportation services" with the term "for-hire vehicle services" and would define that term to mean vehicles, other than public transportation vehicles, transporting passengers over public streets for compensation, as specified.

[AB 333](#) (Kamlager D) Participation in a criminal street gang: enhanced sentence.

Summary: Current law makes it a crime, punishable as either a misdemeanor or a felony, to actively participate in a criminal street gang with knowledge that its members engage in, or have engaged in, a pattern of criminal gang activity and to actively promote, further, or assist in felonious criminal conduct by members of that gang. This bill would also require that the crimes committed to form a pattern of criminal gang activity have commonly benefited a criminal street gang and that the common benefit from the offenses be more than reputational, as specified. The bill would remove looting, felony vandalism, and specified personal identity fraud violations from the crimes that define a pattern of criminal gang activity. The bill would prohibit the use of the currently charged crime to prove the pattern of criminal gang activity.

[AB 341](#)**(Boerner Horvath D) Credibility of witnesses: sexual conduct: social media content.**

Summary: Current law sets forth the procedure required in any prosecution for rape or other specified offenses, with certain exceptions, if evidence of sexual conduct of the complaining witness, as defined, is offered to attack the credibility of the complaining witness. This procedure involves, among other things, the filing of a written motion by the defendant, accompanied by an affidavit filed under seal stating an offer of proof, and, if the court determines that the offer is sufficient, a hearing out of the presence of the jury regarding the offer of proof. At the conclusion of the hearing, the court may make an order stating what evidence may be introduced by the defendant. This bill would define 'evidence of sexual conduct' for these purposes to include the portions of a social media account about the complaining witness that depict sexual content, as specified, unless the content is related to the alleged offense.

[AB 831](#) (Committee on Health) California Retail Food Code.

Summary: Current law defines "limited food preparation" and "limited service charitable feeding operation" for purposes of the California Retail Food Code. Current law requires a proposed new or remodeled food facility to meet specified structural and other building requirements, but specifies that existing private school cafeterias and licensed health care facilities presumptively meet these requirements. Current law limits the use of an outdoor wood-burning oven to the same premises as a permanent food facility. Under existing law, a remote food service operation located within a fully enclosed permanent food facility is not a satellite food service. Current law exempts mobile food facilities from specified requirements, including the provision of clean toilet rooms for use by employees. Existing law requires a cottage food operation to label prepackaged foods with a notice

that it was made or repackaged in a home kitchen. This bill would define "limited food preparation" to include holding, portioning, and dispensing foods prepared by a catering operation.

[AB 1127](#) (Santiago D) Serious or violent felonies: enhancements: juveniles.

Summary: Current law, added by Proposition 184, approved at the November 8, 1994, statewide general election, and amended by the Three Strikes Reform Act of 2012, approved as Proposition 36 at the November 6, 2012, statewide general election, commonly known as the Three Strikes Law, imposes additional years of imprisonment in state prison on a person who commits a serious or violent felony and has been convicted of, or who has a prior conviction for, a serious or violent felony. A prior juvenile adjudication constitutes a prior serious or violent felony conviction for purposes of this sentence enhancement if the juvenile was 16 years of age at the time and other requirements are met. The Legislature may directly amend these initiatives by a statute passed in each house by a 2/3 vote, or by a statute that becomes effective only when approved by the voters. This bill would amend those initiative statutes by prohibiting a prior juvenile adjudication from being considered a prior serious or violent felony conviction for purposes of sentence enhancement.

[AB 1621](#) (Gipson D) Firearms: unserialized firearms.

Summary: Current law defines a firearm precursor part as a component of a firearm that is necessary to build or assemble a firearm and is either an unfinished handgun frame or a specified unfinished receiver, receiver tube, or receiver flat. Under current law, commencing July 1, 2022, a firearm precursor part is required to be sold through a licensed firearm precursor part vendor, as specified. This bill would redefine a firearm precursor part as any forging, casting, printing, extrusion, machined body or similar article that has reached a stage in manufacture where it may readily be completed, assembled or converted to be used as the frame or receiver of a functional firearm, or that is marketed or sold to the public to become or be used as the frame or receiver of a functional firearm once completed, assembled or converted. This bill would extend the definition of a firearm to include a firearm precursor part for the purposes of most criminal and regulatory provisions related to the possession, sale, and transfer of a firearm, including provisions which do not apply to a frame or receiver under existing law. The bill would repeal provisions relating to the sale of firearm precursor parts through a licensed precursor part vendor, and would prohibit the sale, transfer, or possession of an unserialized firearm precursor part, except as specified.

[AB 1900](#) (Arambula D) Medi-Cal: income level for maintenance.

Summary: Current law establishes the Medi-Cal program, which is administered by the State Department of Health Care Services and under which qualified low-income individuals receive health care services. Current law requires the department to establish income levels for maintenance at the lowest levels that reasonably permit a medically needy person to meet their basic needs for food, clothing, and shelter, and for which federal financial participation will still be provided under applicable federal law. Under current law, for a single individual, the amount of the income level for maintenance per month is based on a calculation of 80% of the highest amount that would ordinarily be paid to a family of 2 persons, without any income or resources, under specified cash assistance provisions, multiplied by the federal financial participation rate, adjusted as specified. To the extent that any necessary federal authorization is obtained, and effective no sooner than January 1, 2024, this bill would increase the above-described income level for maintenance per month to be equal to the income limit for Medi-Cal without a share of cost for individuals who are 65 years of age or older or are disabled, generally totaling 138% of the federal poverty level. The bill would require the department to seek any necessary federal authorization for maintaining that income level for maintenance and would make conforming changes to related provisions. The bill would authorize the department to implement

those provisions by various means, including all-county letters, and would require the department to implement those changes by regulatory action within 2 years of the operation of the above-described increase.

[AB 1995](#) (Arambula D) Medi-Cal: premiums, contributions, and copayments.

Summary: Current law requires that Medi-Cal benefits be provided to optional targeted low-income children, as defined, based on a certain income eligibility threshold. Current law also establishes the Medi-Cal Access Program, which provides health care services to a woman who is pregnant or in her postpartum period and whose household income is between certain thresholds, and to a child under 2 years of age who is delivered by a mother enrolled in the program, as specified. Current law also establishes a program under which certain employed persons with disabilities are eligible for Medi-Cal benefits based on income and other criteria. Existing law requires the department to exercise the option, available to the state under federal law, to impose specified monthly premiums, based on income level, for the above-described children and employed persons with disabilities. Existing law requires the department to determine schedules for subscriber contribution amounts for persons enrolled in the Medi-Cal Access Program. This bill would eliminate the premiums and subscriber contributions for the above-described populations.

[SB 17](#)**(Pan D) Office of Racial Equity.**

Summary: Would, until January 1, 2029, would establish in state government an Office of Racial Equity, an independent public entity not affiliated with an agency or department, governed by a Racial Equity Advisory and Accountability Council. The bill would authorize the council to hire an executive director to organize, administer, and manage the operations of the office. The bill would task the office with coordinating, analyzing, developing, evaluating, and recommending strategies for advancing racial equity across state agencies, departments, and the office of the Governor. The bill would require the office, in consultation with state agencies, departments, and public stakeholders, as appropriate, to develop a statewide Racial Equity Framework that includes a strategic plan with policy and inclusive practice recommendations, guidelines, goals, and benchmarks to reduce racial inequities, promote racial equity, and address individual, institutional, and structural racism.

[SB 20](#)**(Dodd D) Student nutrition: eligibility for CalFresh benefits.**

Summary: Under current law, households are eligible to receive CalFresh benefits to the extent permitted by federal law. Current federal law provides that students who are enrolled in college or other institutions of higher education at least 1/2 time are not eligible for SNAP benefits unless they meet one of several specified exemptions, including, but not limited to, an exemption for students receiving federal Temporary Assistance for Needy Families (TANF). This bill would additionally require the Student Aid Commission, to the extent that it is permitted by federal law to use information to determine a student's CalFresh eligibility and possesses the pertinent information, to provide written notice to students of their exemption and that they may be eligible for benefits under the CalFresh program. The bill would also require the commission to confer with stakeholders on at least an annual basis to implement this provision and to continuously improve the process of securing CalFresh benefits for eligible students.

[SB 45](#)**(Portantino D) Short-lived climate pollutants: organic waste reduction goals: local jurisdiction assistance.**

Summary: Current law requires the Department of Resources Recycling and Recovery, in consultation with the State Air Resources Board, to adopt regulations to achieve the organic waste reduction goals established by the state board for 2020 and 2025, as provided. Current law requires the department, no later than July 1, 2020, and in consultation with the state board, to analyze the progress that the waste sector, state government, and local governments have made in achieving these organic waste reduction goals. This bill would require the department, in consultation with the state board, to provide

assistance to local jurisdictions, including, but not limited to, any funding appropriated by the Legislature in the annual Budget Act, for purposes of assisting local agencies to comply with these provisions, including any regulations adopted by the department.

(Hurtado D) California Food Assistance Program: eligibility and benefits.

Summary: Current law requires the State Department of Social Services to establish a food assistance program, known as the California Food Assistance Program (CFAP), to provide assistance to a noncitizen of the United States if the person's immigration status meets the eligibility criteria of SNAP in effect on August 21, 1996, but the person is not eligible for SNAP benefits solely due to their immigration status, as specified. Current law also makes eligible for the program an applicant who is otherwise eligible for the program, but who entered the United States on or after August 22, 1996, if the applicant is sponsored and the applicant meets one of a list of criteria, including that the applicant, after entry into the United States, is a victim of the sponsor or the spouse of the sponsor if the spouse is living with the sponsor. bill instead would require the department to use state funds appropriated for CFAP to provide nutritional benefits to households that are ineligible for CalFresh benefits solely due to their immigration status. The bill would eliminate the distinctions based on when the noncitizen applicant entered the country and would eliminate the sponsorship and other listed criteria requirements for eligibility on a noncitizen who entered the country on or after August 22, 1996.

SB 841 **(Jones R) Sexually violent predators.**

Summary: Current law requires the State Department of State Hospitals to notify the sheriff or chief of police, or both, the district attorney, or the county's designated counsel, as specified, when the department makes a recommendation to the court for community outpatient treatment for a person committed as a sexually violent predator, or when a person who is committed as a sexually violent predator has petitioned a court for conditional release under supervision and treatment in the community pursuant to a conditional release program, or has petitioned a court for subsequent unconditional discharge, and a community placement is recommended or proposed. Existing law requires a sexually violent predator who is conditionally released to be placed in the county that was the person's county of domicile prior to the person's incarceration, unless extraordinary circumstances exist requiring placement outside the county, as specified. This act, the Sexually Violent Predator Accountability, Fairness, and Enforcement Act, would require the State Department of State Hospitals to take specified actions regarding the placement of sexually violent predators in communities, including notifying the county's executive officer of the placement location, as specified, and preparing an annual report on, among other things, the number and location of sexually violent predators under department supervision.

SB 861 **(Limón D) Dementia Care Navigator Grant Pilot Program.**

Summary: Current law requires the California Department of Aging to administer and implement the Aging and Disability Resource Connection program, in collaboration with the Department of Rehabilitation and the State Department of Health Care services. This bill would establish the Dementia Care Navigator Grant Pilot Program, to be administered by the California Department of Aging, in partnership with organizations with expertise using community health workers, promotores, and health navigators. The bill would provide that the purpose of the pilot program is to incentivize organizations that provide services to local communities to provide dementia care navigation training services, as defined. The bill would authorize organizations with expertise using community health workers, promotores, and health navigators to apply for a grant. The bill would require the department to award grants on a competitive basis. The bill would require an organization that receives a grant pursuant to these provisions to provide to the department an annual report on the services provided on or before December 31 of the year the grant is received, as specified. The bill would make those provisions inoperative on July 1, 2027.

[SB 953](#) (Min D) Oil and gas leases: state waters: State Lands Commission.

Summary: Current law confers the powers of the State Lands Commission as to leasing or granting of rights or privileges to lands owned by the state upon a local trustee of granted public trust lands to which those lands have been granted. Current law authorizes the commission to let leases for the extraction of oil and gas from coastal tidelands or submerged lands in state waters and beds of navigable rivers and lakes within the state in accordance with specified laws. Current law prohibits the commission or a local trustee, as defined, of granted public trust lands from entering into any new lease or other conveyance authorizing new construction of oil- and gas-related infrastructure upon tidelands and submerged lands within state waters associated with Pacific Outer Continental Shelf leases issued after January 1, 2018. This bill would require the commission to conduct an amortization study of the oil and gas leases in state waters for which it is the lessor in order to determine the market value of these leases and provide recommendations to phase out the production of oil and gas production, as provided. The bill would require the study to be completed on or before December 31, 2023, and posted on the commission's internet website.

[SB 1215](#) (Newman D) Electronic Waste Recycling Act of 2003: covered battery-embedded products.

Summary: (1)The Electronic Waste Recycling Act of 2003 (act) requires a retailer selling a covered electronic device in this state to collect from a consumer at the time of retail sale a covered electronic waste recycling fee, as specified. The act defines "covered electronic device" to mean a video display device containing a screen greater than 4 inches, measured diagonally, that is identified in the regulations adopted by the Department of Toxic Substances Control (DTSC), subject to certain exclusions. The act requires all fees collected pursuant to the act to be deposited in the Electronic Waste Recovery and Recycling Account, and outlines certain other requirements related to the establishment, adjustment, and administration of the fee. Moneys in the account are continuously appropriated for specified purposes, including, but not limited to, paying covered electronic waste recycling fee refunds and making electronic waste recovery and recycling payments. Moneys in the account may be expended, upon appropriation by the Legislature in the annual Budget Act, for other specified purposes, including the administration of the act by the Department of Resources Recycling

and Recovery (CalRecycle) and DTSC and to provide funding to DTSC to implement and enforce the hazardous waste control laws as they relate to covered electronic devices. This bill would provide that no reimbursement is required by this act for specified reasons.
