CLERB CASE NUMBER: 21-028

Dear Chairperson Youngflesh,

The Sheriff's Department welcomes and supports the Citizens' Law Enforcement Review Board's independent review of complaints alleging improper actions by members of this organization. We continuously strive to respond with professionalism and concern to the citizens we serve and the CLERB process provides invaluable input to that end.

After reviewing the CLERB Investigator's report and the Review Board's advisory Recommendation letter dated May 17, 2022, the Sheriff's Department understands the concerns expressed by the CLERB members and we will review the findings accordingly.

Your findings of a deputy failing to conduct a hard count and failing to conduct a temperature check in reference to the Medical Services Division Training Unit Bulletin that was published in December 2020 and SDSD DSB P&P 1.43 inmate count procedure, has been shared with the deputy's command staff for determination of appropriate administrative action, which may include additional training, and/or a referral an Internal Affairs investigation.

It is our goal to provide the highest quality public safety services to everyone in San Diego County. We appreciate your service to the citizens of the County of San Diego.

Sincerely,

ANTHONY C. RAY, SHERIFF
