CLERB CASE NUMBER: 18-092

Dear Chairperson Hoang,

The Sheriff's Department welcomes and supports the Citizens' Law Enforcement Review Board's independent review of complaints alleging improper actions by members of this organization. We continuously strive to respond with professionalism and concern to the citizens we serve and the CLERB process provides invaluable input to that end.

After reviewing the CLERB Investigator's report and the Review Board's advisory Recommendation letter for this case, the Sheriff's Department understands the concerns expressed by the CLERB members and we will review the findings accordingly.

Your findings that a deputy did not follow proper procedures related to providing a victim of a crime with a copy of Marsy's Law information" has been shared with the deputy's Commanding Officer for appropriate administrative action, including additional training and a referral for an Internal Affairs Investigation, if needed.

It is our goal to provide the "Highest quality public safety services" to everyone in San Diego County. I would like to thank you for your service to the citizens of the County of San Diego.

Sincerely,

WILLIAM D. GORE, SHERIFF
