CLERB CASE NUMBER: 18-150

Dear Chairperson Youngflesh,

The Sheriff's Department welcomes and supports the Citizens' Law Enforcement Review Board's independent review of complaints alleging improper actions by members of this organization. We continuously strive to respond with professionalism and concern to the citizens we serve and the CLERB process provides invaluable input to that end.

After reviewing the CLERB Investigator's report and the Review Board's advisory recommendations for this case, the Sheriff's Department understands the concerns expressed and we have reviewed the findings accordingly.

After careful review, we respectfully disagree with your findings a deputy failed to provide emergency medical care.

With regards to implementing a policy in the Patrol Procedures Manual that dictates a deputy's responsibility in a medical emergency. This recommendation will be forwarded to the appropriate command for review.

It is our goal to provide the highest quality public safety services to everyone in San Diego County. I would like to thank you for your service to the citizens of the County of San Diego.

Sincerely,

WILLIAM D. GORE, SHERIFF
