CLERB CASE NUMBER: 21-011

Dear Chairperson Youngflesh,

The Sheriff's Department welcomes and supports the Citizens' Law Enforcement Review Board's independent review of complaints alleging improper actions by members of this organization. We continuously strive to respond with professionalism and concern to the citizens we serve and the CLERB process provides invaluable input to that end.

After reviewing the CLERB Investigator's report and the Review Board's advisory Recommendation letter dated June 15, 2021, the Sheriff's Department understands the concerns expressed by the CLERB members and we will review the findings accordingly.

Your findings of a deputy failing to take a report related to San Diego County Sheriff's Department Policy 6.71-Crime Case Reports, mandates that a Crime/Incident Report be completed for a Battery, has been shared with the deputy's commanding officer for appropriate administrative action, including additional training and a referral for an Internal Affairs investigation, if needed.

It is our goal to provide the highest quality public safety services to everyone in San Diego County. I would like to thank you for your service to the citizens of the County of San Diego.

Sincerely,

WILLIAM D. GORE, SHERIFF
