**CLERB CASE NUMBER: 21-087**

Dear Chairperson Youngflesh,

The Sheriff's Department welcomes and supports the Citizens' Law Enforcement Review Board's independent review of complaints alleging improper actions by sworn members of this organization. We continuously strive to respond with professionalism and concern to the citizens we serve and the CLERB process provides invaluable input to that end.

After reviewing the CLERB notification of two sustained findings dated February 7, 2022, the Sheriff's Department understands the concerns expressed by the CLERB members and we will review the findings accordingly.

Your findings of a deputy's report being inaccurate and/or incomplete and the deputy showed preferential treatment/professional courtesy has been shared with the deputy's command staff for determination of appropriate administrative action, which may include additional training, and/or a referral for an Internal Affairs investigation.

It is our goal to provide the highest quality public safety services to everyone in San Diego County. We appreciate your service to the citizens of the County of San Diego.

Sincerely,

KELLY A. MARTINEZ, ACTING SHERIFF
