As applicable to a California public charter school, the definitions contained in the Political Reform Act of 1974, the regulations of the Fair Political Practices Commission, specifically California Code of Regulations Section 18730, and any amendments or modifications to the Act and regulations are incorporated by reference to this Code. reported under the category or categories to which the employee's position is assigned in —Exhibit A. An investment, interest in real property or income shall be reportable (using Form 700), if the business entity in which the investment is held, the interest in real property, the business position, or source of income may foreseeably be affected materially by a decision made or participate in by the designated employee by virtue of his or her position. VI. MANNER OF DISQUALIFICATION

The supervisor shall immediately reassign the matter to another employee and shall forward the disclosure notice to the Charter School Director who shall record the employee's disqualification. In the case of a designated employee who is head of an agency, this determination and disclosure shall be made in writing to his/her appointing authority.
