Consultants shall be included in the list of Designated Employees and shall disclose pursuant to the broadest disclosure category in this Code subject to the following limitation: The Deputy Chief Administrative Officer may determine in writing that a particular consultant, although a "designated position," is hired to perform a range of duties that are limited in scope and thus is not required to fully comply with disclosure requirements described in this Section. Such written determination shall include a description of consultant's duties and, based upon that description, a statement of the extent of disclosure requirements. The Deputy Chief Administrative Officer's determination is a public record and shall be retained for public inspection in the same manner and location as the Conflict of Interest.
