Exhibit A

CONFLICT OF INTEREST CODE OF THE
PUBLIC AGENCIES SELF-INSURANCE SYSTEM

1. Standard Code of FPPC

The Political Reform Act of 1974 (Government Code § 81000 et seq.) requires each state and local government agency to adopt and promulgate conflict of interest codes. As a public agency, the Public Agencies Self-Insurance System (“PASIS”) is therefore required to adopt such a code. The Fair Political Practices Commission (“FPPC”) has adopted a regulation (2 Cal. Code of Regs. § 18730) which contains the terms of a standard conflict of interest code, which can be incorporated by reference as an agency’s code. After public notice and hearing, the regulation may be amended by the FPPC to conform to amendments in the Political Reform Act.

2. Adoption of Standard Code of FPPC

The terms of (2 California Code of Regulations section 18730) and any future amendments to it duly adopted by the FPPC are hereby adopted and incorporated herein by reference. This regulation and the Appendix attached hereto designating officials and employees and establishing disclosure categories shall constitute the Conflict of Interest Code of PASIS. This code shall take effect when approved by the Board of Supervisors for the County of San Diego, and received by PASIS, and shall thereafter supersede any and all prior codes adopted by PASIS.

3. Filing of Statements of Economic Interests

Pursuant to Section 4 of the model code set forth in (2 California Code of Regulations section 18730(b)), designated employees set forth in the Appendix shall file statements of economic interests (Form 700) electronically with the County of San Diego. All statements must be made available for public inspection and reproduction under Government Code Section 81008.

APPROVED AND ADOPTED by the Board of Directors of PASIS on the 28th day of April 2022.

APPENDIX TO
CONFLICT OF INTEREST CODE OF
PUBLIC AGENCIES SELF-INSURANCE SYSTEM

Preamble

Any person designated in Section 1 of this Appendix who is unsure of any right or obligation arising under this Code may request a formal opinion or letter of advice from the FPPC or an opinion from PASIS's General Counsel. (Gov. Code § 83114; 2 CCR § 18730(b)(11).) A person who acts in good faith in reliance on an opinion issued to him or her by the FPPC shall not be subject to criminal or civil penalties for so acting, provided that all material facts are stated in the opinion request. (Gov. Code § 83114(a).)

Opinions rendered by General Counsel do not provide any statutory defense to an alleged violation of conflict of interest statutes or regulations. The prosecuting agency may, but is not required to, consider a requesting party's reliance on General Counsel's opinion as evidence of good faith. In addition, PASIS may consider whether such reliance should constitute a mitigating factor to any disciplinary action that PASIS may bring against the requesting party under Government Code section 91003.5.

¹ With respect to consultants, the General Manager may determine in writing that a particular consultant, although a "designated employee," is hired to perform a range of duties that is limited in scope and thus is not required to comply with the written disclosure requirements described in these categories. Such written determination shall include a description of the consultant's duties and, based upon that description, a statement of the extent of disclosure requirements. The General Manager's determination is a public record and shall be retained for public inspection by PASIS in the same manner as this Conflict of Interest Code. Nothing herein excuses any such consultant from any other provision of this Conflict of Interest Code.
II.
