## **PACIFIC COAST ACADEMY CONFLICT OF INTEREST CODE**

**The Political Reform Act (Government Code Section 81000, et seq.) requires state and local government agencies to adopt and promulgate conflict of interest codes. The Fair Political Practices Commission (FPPC) has adopted a regulation (2 California Code of Regulations §18730) that contains the terms of a standard conflict of interest code, which can be incorporated by reference in an agency's code. After public notice and hearing, the standard code may be amended by the Fair Political Practices Commission to conform to amendments in the Political Reform Act.**

**Therefore, the terms of 2 California Code of Regulations Section 18730 and any amendments to it duly adopted by the Fair Political Practices Commission are hereby adopted and incorporated by reference. This regulation and the attached Appendices, designating positions and establishing disclosure categories, shall constitute the conflict of interest code for Pacific Coast Academy. This code shall take effect when approved by the San Diego County Board of Supervisors, and shall thereupon supersede any and all prior such codes adopted by Pacific Coast Academy but shall supplement any conflict of interest policies adopted in compliance with the laws governing nonprofit corporations.**

**Individuals holding designated positions shall file statements of economic interests with the Secretary of Pacific Coast Academy. Upon receipt of the statements of the members of the Board of Directors, the Secretary shall make and retain copies and forward the originals of these statements to the Clerk of the San Diego County Board of Supervisors. Original statements for all other designated employees shall be retained by the Secretary. All retained statements shall be available for public inspection and reproduction. (Government Code § 81008.)**

The Executive Director or designee may determine in writing that a particular consultant or newly created position as set forth in 2 Cal. Code Regs. § 18219, that makes or participates in the making of decisions that may foreseeably have a material effect on any financial interest is hired to perform a range of duties that is limited in scope and thus the broadest disclosure is not necessary. Such written determination shall include a description of the consultant's or new position's duties and, based upon that description, a statement of the extent of disclosure requirements. The Executive Director or designee's determination is a public record and shall be retained for public inspection in the same manner and location as this conflict of interest code (Government Code § 81008).
