TO: Leah Botin, Board Assistant – Clerk of the Board  
FROM: Amy Harbert, Acting Director, Department of Environmental Health and Quality  
VIA: Christian Del Razo, Departmental Human Resources Officer  
SUBJECT: Updated Conflict of Interest Codes

Dear Ms. Botin,

This letter is to request an update to the Department of Environmental Health's Conflict of Interest Codes. In January of 2021, the department underwent organizational changes and the department title was updated to the Department of Environmental Health and Quality. In addition, an existing executive manager position was revised and retitled to Director, Environmental Health and Quality. The titles of our executive management team were also changed to reflect the Board of Supervisors approved departmental organizational changes. Attached is a copy of the requested updates to the department's Conflict of Interest Codes.

Please contact Christian Del Razo for any additional information or questions at 858.505.6996.

Sincerely,

*Amy Harbert*
