RE: Nomination of Coastal Commission Alternate – City Selection Committee Meeting – February 22, 2023

Dear Mr. Potter,

As Mayor of the City of San Diego, I would like to request Councilmember Raul Campillo be advanced as one of your nominees for the California Coastal Commission appointment.

Councilmember Campillo and I both support Imperial Beach Mayor Paloma Aguirre to be appointed to the seat, given her experience serving as an alternate on the Coastal Commission. As outlined in the attached letter, Councilmember Campillo would like to be nominated to be considered as an alternate, should Mayor Aguirre be appointed as primary.

I thank the Councilmember for expressing his interest to me in serving the City of San Diego on this critical state agency and it is my pleasure to endorse him for this role. I have had the honor of serving the City of San Diego alongside Councilmember Campillo and am confident he will continue his stalwart service to our entire region and our coastal communities if given the opportunity. He has a wide breadth of experience on working on regional boards as well as on issues related to economic development, intergovernmental relations, and land use.

I respectfully request this communication be shared with members of the City Selection Committee and thank them in advance for their consideration.

Please contact Dion Akers, Regional Government Affairs Manager, at dakers@sanidiego.gov or 619-533-4042 with any questions.

Sincerely,

RE: Appointment to Represent San Diego on the Coastal Commission

Honorable Mayor Gloria,

I enthusiastically support the nomination of Mayor Paloma Aguirre to represent San Diego and our region on the California Coastal Commission. For years, Mayor Aguirre has fought for the betterment of Imperial Beach, and for the region at large. From ensuring quality of life needs are met to fighting pollution and improving the conditions of our coastline, she has proven her commitment to furthering environmental protections and policies. Mayor Aguirre was appointed to serve as the region's alternate to the California Coastal Commission in 2021, and I believe it is time she serves as the primary San Diego Coast representative. Mayor Aguirre is a leader who strives to make our region and our environment a better place, and I am confident she will represent us well on the Coastal Commission.

I believe I am the best choice to serve as the alternate member for San Diego's coast. Throughout my first few years in office, I have demonstrated my dedication to the San Diego region through my work on various boards and committees both internal and external to the City, such as SANDAG and the San Diego River Conservancy. I am committed to the Coastal Commission's mission to protect and enhance California's coast for our present generation, and for the generations who follow. The residents I represent look to their elected leaders to ensure that although they do not live at the coast, they will always have access to it. With the rising cost of living in San Diego, it is more important than ever to ensure those representing San Diego are committed to ensuring equitable and affordable access to the coast, regardless of one's zip code. As development occurs in the coastal zone, I pledge to always make sure those who are working to build and construct such development are paid proper wages and have safe working conditions. Development is not just about what we build, but it is about who builds it and our treatment of the San Diego workforce. The coastline is not just about the people who live and visit there, but it is also about the people who work to ensure our coastline is its best. For these reasons and more, I request appointment to serve as the alternate member.

Thank you for your consideration.

Honorable Mayor Gloria

Dear Teresa Zurita and Andrew Potter,

It's my pleasure to recommend Mayor pro Tem Priya Bhat-Patel as the San Diego CCC representative.

For the past four years I have worked side by side on the Carlsbad City Council with Priya. Although Priya's politics leans left and my politics lean right, Priya communicates with me constantly regarding local issues. As a result of her communications with me, we find compromise and agreements on issues that benefit our community.

Priya is a hard worker who takes her responsibilities seriously. For these reasons, I'm pleased to recommend her as a San Diego representative for the San Diego CCC.

Sincerely,
Keith Blackburn
