### 8. VOLUNTEER PROGRAM GOALS FOR FISCAL YEAR 2016-17:

Please describe your program goals. Include activities, number of volunteers, recruitment, training, recognition and other goals:

As said above, I have worked with local Schools of Social Work for the past 20+ years, making myself available as a field advisor for bachelors and masters level social work interns. The Schools contact me every year to ask if I will be available to supervise an intern or two. The types of activities that interns are involved in vary depending on work assignments and projects at hand. Interns are trained and oriented depending on the skill set they bring with them as well as individual learning plans that they develop individually, with faculty input as well as my own. As interns develop more skills and familiarity with the work involved with our programs, the level of complexity of projects increase accordingly.
