Types of work performed by GENERAL VOLUNTEERS in this category:

The type of work performed by GENERAL VOLUNTEERS is comprised of Citizen Volunteers, Mounted Patrol, Chaplains, Explorers, Search and Rescue (SAR), Law Enforcement Reserves and Senior Volunteer Patrol (SVP). The SVP and Mounted Patrol are used to assist patrol deputies out in the field with assignments such as extra patrols, traffic control, crime scene security, evidence runs, vehicle maintenance, special events, foot patrols, and other community events. The time and service put forth by the volunteers frees deputies to respond to emergency calls for service and remain proactive in the field. SVP also man and transport our mobile command busses, which are crucial during large crime scenes, homicides and officer involved shooting. Additionally, SVP are responsible for vacation checks and conduct thousands of phone calls and visits to our homebound and elderly citizens through the YANA Program (You Are Not Alone). Citizen volunteers are assigned to administrative posts and assist professional staff and investigative units with a variety of clerical duties. Several volunteers work the front desk at patrol stations. Explorers work with patrol deputies in the field and assist them with non-emergency radio calls. Explorers are especially valuable during parades, community fairs and events in need of traffic control. Chaplains work with sheriff's employees in all areas of the Department. They make themselves available to Deputies for counseling, spiritual mentoring and stress management. Chaplains respond to all critical incidents and ride with deputies in the field on a routine basis. Search and Rescue personnel has primary responsibility for all search and rescue missions involving lost or stranded persons within the unincorporated areas of the County and certain contract cities that the Department services. Upon request from other jurisdictions SAR will respond. SAR activates during natural disasters such as wildfires, flooding and earthquakes. Law Enforcement Reserve Deputies are a group of volunteer Deputy Sheriff's with the same training and enforcement authority as that of a paid Deputy Sheriff and are utilized to supplement patrol. Specialized Reserve Teams provide underwater search and recovery, Off Road Enforcement, Special Enforcement Detail (SED) and provide fixed wing aircraft for missions in the ASTREA Unit.
