

San Diego County

Light Brown Apple Moth (LBAM) Quarantine

Growers: Harvested Commodities Shipping Requirements

LBAM Host Commodities grown INSIDE the State Interior Quarantine Area
(located within 1.5 miles of an LBAM detection)

1. Sign a Compliance Agreement with exhibit "F" for the Federal Shield.
2. Implement a BMP/IPM Program.
3. LBAM Program will conduct 1 field inspection within 30 days of harvest and every 30 days until harvest is completed, or conduct inspections at the packing/shipping location.
4. LBAM Program will place 1 trap per square mile.
5. LBAM Program will service traps every 30 days.
6. Intrastate Shippers – A Certificate of Quarantine Compliance (CQC) or Federal Shield must accompany each outgoing shipment.
7. Interstate Shippers – A Federal Shield must accompany each outgoing shipment.

LBAM Host Commodities grown OUTSIDE the State Interior Quarantine Area
(located outside 1.5 miles of an LBAM detection) – known as the Federally Regulated Area

1. NO Compliance Agreement required.
2. Implement a BMP/IPM Program.
3. NO inspections required.
4. LBAM Program will place 1 trap per square mile.
5. LBAM Program will service traps every 30 days.
6. Intrastate Shippers – NO certification required (no CQC or Federal Shield needed).
7. Interstate Shippers – NO certification required (no CQC or Federal Shield needed).
