

Countywide Successor Agency Oversight Board Meeting Public Participation

Due to the Coronavirus (COVID-19) public health emergency, the San Diego Countywide Successor Agency Oversight Board has made several changes to its public meetings to protect the public's health and prevent the disease from spreading. Per the Governor's executive order to stay home, in-person public participation in Oversight Board meetings is discouraged at this time. You may participate in the meetings via Zoom instead of attending in person.

If you would like to only listen to the Oversight Board meeting you may join by phone at the time of the meeting.

If you would like to provide oral comments about an agenda item to the Oversight Board during the upcoming meeting, please follow the instructions below. This will ensure the Oversight Board is aware you wish to speak on that item.

Call-In Your Comments

If you would like to speak to the Oversight Board during the meeting, please follow these steps:

Step 1: Submit your [Online Request to Speak Form](#) and complete all of the required information. The completed form can be emailed to OBSuccessorAgency@sdcounty.ca.gov. Any person wishing to speak is requested to file this form by 9:00AM on the day of the meeting.

Step 2: A few minutes before the meeting is scheduled to start, call by phone with the same information as mentioned above and you will be automatically muted. Listen to the meeting.

Step 3: When it is time for public comments on the item you want to speak about, Oversight Board staff will unmute your phone. You will hear a prompt that will indicate your phone is unmuted. Staff will then ask you to state your name and begin your comments. Each speaker is allocated a maximum of two (2) minutes for non-agenda public comment and three (3) minutes on agenda items unless additional time is requested at the outset and approved by the Oversight Board Chair.
