SUBJECT: A RESOLUTION OF THE SAN DIEGO COUNTYWIDE REDEVELOPMENT SUCCESSOR AGENCY OVERSIGHT BOARD AUTHORIZING SPECIAL TELECONFERENCING RULE UNDER AB 361 PURSUANT TO GOVERNMENT CODE SECTION 54953 FOR THE COUNTYWIDE REDEVELOPMENT SUCCESSOR AGENCY OVERSIGHT BOARD

SUMMARY:

Overview

On January 30, 2020, the World Health Organization ("WHO") declared a Public Health Emergency of International Concern as a result of the COVID-19 virus. On January 31, 2020, the United States Secretary of Health and Human Services also declared a Public Health Emergency of the COVID-19 virus. On February 14, 2020, the San Diego County Health Officer declared a Local Health Emergency as a result of the COVID-19 virus, which was subsequently ratified by the Board of Supervisors on February 19, 2020.

On March 17, 2020, Governor Newsom issued Executive Order N-29-20 that suspended the teleconferencing rules set forth in the California Open Meeting law, Government Code section 54950 et seq. (the "Brown Act"), provided certain requirements were met and followed. On June 11, 2021, Governor Newsom issued Executive Order N-08-21 that clarified the suspension of the teleconferencing rules set forth in the Brown Act, and further provided that those provisions would remain suspended through September 30, 2021. On September 16, 2021, Governor Newsom signed AB 361 which provides that a legislative body subject to the Brown Act may use revised teleconference rules provided under section 53593(e) if the legislative body makes certain findings and those findings are reconsidered every thirty (30) days, as applicable. The San Diego Countywide Redevelopment Successor Agency Oversight Board ("Oversight Board") has met and made initial findings under AB 361 to continue meeting by teleconference, and has been reconsidering those findings in accordance with the timeline set forth under state law. Most recently at the July 14, 2022 meeting, the Oversight Board reconsidered

the circumstances of the state of emergency declared by the Governor and made findings that the conditions continue to exist to authorize teleconference meetings under AB 361.

On or about September 23, 2021, Dr. Wilma Wooten, the County of San Diego's Public Health Officer issued a letter recommending the utilization of teleconferencing options for public meetings as an effective and recommended social distancing measure to facilitate participation in public affairs and encourage participants to protect themselves and others from the COVID-19 virus (the "Teleconferencing Recommendation"). This recommendation continues to remain in effect.

In the interest of public health and safety, as affected by the emergency caused by the spread of COVID-19, this legislative body deems it necessary to take action for purposes of utilizing the provisions of AB 361 related to teleconferencing.

Recommendation(s)

1. Adopt the resolution entitled, A RESOLUTION OF THE SAN DIEGO COUNTYWIDE REDEVELOPMENT SUCCESSOR AGENCY OVERSIGHT BOARD AUTHORIZING SPECIAL TELECONFERENCING RULE UNDER AB 361 PURSUANT TO GOVERNMENT CODE SECTION 54953 FOR THE COUNTYWIDE REDEVELOPMENT SUCCESSOR AGENCY OVERSIGHT BOARD

Fiscal Impact

There is no fiscal impact associated with the requested action.

BACKGROUND:

A novel coronavirus (COVID-19) was detected in Wuhan City, Hubei Province in China in December 2019. Since then, the World Health Organization (WHO), and the U.S. Department of Health and Human Services (HHS) have declared COVID-19 a public health emergency. On January 30, 2020, the WHO declared the outbreak a "public health emergency of international concern." On January 31, 2020, HHS Secretary Alex M. Azar II declared a public health emergency for the United States to aid the nation's healthcare community in responding to COVID-19. Since then, the virus has spread rapidly across the globe, resulting in the WHO declaring COVID-19 a pandemic on March 11, 2020.

On February 14, 2020, the San Diego County Public Health Officer issued a Declaration of Local Health Emergency, pursuant to California Health and Safety Code Section 101080. Additionally, on that day, pursuant to California Government Code 8630, the Chief Administrative Officer (CAO), serving as the County of San Diego's (County) Director of Emergency Services and as the Coordinator of the Unified San Diego County Emergency Services Organization, issued a Proclamation of Local Emergency regarding COVID-19. The requirements to renew the Declaration of Local Health Emergency and Proclamation of Local Emergency for COVID-19 were waived on March 4, 2020, due to the Proclamation of a State of Emergency for California by Governor Gavin Newsom. On March 19, 2020, the State of California public health officials issued an order for anyone living in the State to stay home, except for those providing essential services.

As with other areas throughout the nation, there is community transmission of COVID-19 in San Diego County. The County has made significant efforts to "flatten the curve," slowing down the spread of the virus, which in turn helps to avoid an increase in the cases that overwhelm the healthcare system. For this reason, the San Diego County Public Health Officer continues to issue and amend Public Health Orders to enhance efforts to protect the health of the public. At this time, the CDC also continues to recommend physical distancing of at least 6 feet from others outside of the household. Since issuing Executive Order N-08-21, the highly contagious Delta and Omicron variants of COVID-19 have emerged, causing an increase in COVID-19 cases throughout the State and San Diego County, and because of the rise in cases due to the Delta and Omicron variants of COVID-19, the Oversight Board continues to be concerned about the health and safety of all individuals who attend public meetings of the Board.

Respectfully submitted,

ARDEE APOSTOL
Assistant Finance Director, HHSA-FSSD
